Ireland's Antarctic Explorers

MICHAEL SMITH

Great Endeavour Irelands Antarctic Explorers

D Kirk

Great Endeavour Irelands Antarctic Explorers:

Great Endeavour Michael Smith,2010 A powerful and compelling celebration of 200 years of Irish exploration in the Antarctic I Am Just Going Outside: Captain Oates - Antarctic Tragedy Michael Smith,2002-09-10 On 17 March 1912 Lawrence Titus Oates crawled bootless from a tent to his death in blizzard conditions of 40 C Oates always an outsider on Scott s Polar expedition died on his 32nd birthday His parting words were I am just going outside and may be some time Oates was the epitome of the Victorian English gentleman a public schoolboy who became a dashing cavalry officer and hero in the Boer War Stationed in Ireland from 1902 to 1906 his passion became horse racing and he won numerous victories at racecourses throughout Ireland Oates austere and dominating mother blamed Scott for her son s death and was among the first to challenge the accepted version of events She continued to control his memory long after his death keeping his diary and letters hidden even ordering their destruction from her deathbed Oates always had difficulty forming lasting relationships with women He died without realising that he was a father The story of how Oates died unaware of his daughter has been a closely guarded secret until now This is a compelling and heart rending story of endurance bravery and folly From the author of TOM CREAN AN UNSUNG HERO Shackleton Michael Smith,2014-10-02 Ernest Shackleton is one of history s great explorers an extraordinary character who pioneered the path to the South Pole over 100 years ago and became a dominant figure in Antarctic discovery A charismatic personality his incredible adventures on four expeditions have captivated generations and inspired a dynamic modern following in business leadership None more so than the Endurance mission where Shackleton s commanding presence saved the lives of his crew when their ship was crushed by ice and they were turned out on to the savage frozen landscape But Shackleton was a flawed character whose chaotic private life marked by romantic affairs unfulfilled ambitions overwhelming debts and failed business ventures contrasted with his celebrity status as a leading explorer Drawing on extensive research of original diaries and personal correspondence Michael Smith s definitive biography brings a fresh perspective to our understanding of this complex man and the heroic age of polar exploration **Antarctica and the Arctic Circle** Andrew J. Hund,2014-10-14 This one stop reference is a perfect resource for anyone interested in the North and South Poles whether their interest relates to history wildlife or the geography of these regions in the news today Global warming a hot topic among scholars of geography and science has led to increased interest in studying the earth s polar ice caps which seem to be melting at an alarming rate This accessible two volume encyclopedia lays a foundation for understanding global warming and other issues related to the North and South Poles Approximately 350 alphabetically arranged user friendly entries treat key terms and topics important expeditions major figures territorial disputes and much more Readers will find information on the explorations of Cook Scott Amundsen and Peary articles on humpback whales penguins and polar bears and explanations of natural phenomena like the Aurora Australis and the polar night Expedition tourism is covered as is climate change Ideal for high school and undergraduate students studying

geography social studies history and earth science the encyclopedia will provide a better understanding of these remote and unfamiliar lands and their place in today's world

Icebound In The Arctic Michael Smith, 2021-04-12 Captain Francis Crozier was a major figure in 19th century Arctic and Antarctic exploration who led the doomed Franklin Expedition's battle to survive against the odds. It is a compelling story which refuses to be laid to rest and recent discovery of his lost ships above the Arctic Circle gives it a new urgency. The ships may hold vital clues to how two navy vessels and 129 men disappeared 170 years ago and why Crozier in command after Franklin's early death left the only written clue to the biggest disaster in Polar history. Drawn from historic records and modern revelations this is the only comprehensive account of Crozier's extraordinary life. It is a tale of a great explorer, a lost love affair and an enduring mystery. Crozier's epic story began comfortably in Banbridge Co. Down and involved six gruelling expeditions on three of the 19th century's great endeavours navigating the North West Passage, reaching the North Pole and mapping Antarctica. But it ended in disaster.

Un héroe olvidado Michael Smith, 2024-11-25 Tom Crean era el indestructible hijo de un granjero de Kerry que navegó en tres grandes expediciones a la desconocida Antártida hace más de un siglo. Fue uno de los pocos hombres que sirvieron tanto al Capitán Robert Scott como al Sir Ernest Shackleton. Pasó más tiempo en el hielo que cualquiera de ellos y sobrevivió a ambos. El conquistador del Everest Sir Edmund Hillary dijo de él que era un gran hombre de inmensa fuerza y resistencia que tenía a muy pocas cosas. Crean fue uno de los últimos en ver con vida a Scott a pocos kilómetros del Polo en 1912. Su asombrosa caminata de 56 km para salvar la vida del teniente Evans es el mejor acto de heroísmo individual de la historia de la exploración. Regresó al hielo meses después para enterrar a Scott. Crean estuvo en el centro de los acontecimientos históricos de la picaresca expedición Endurance de Shackleton que incluyó la travesía de 1.200 km en barco abierto y la desesperada marcha a través de las montañas y los glaciares de Georgia del Sur para rescatar a los camaradas abandonados. Pero Tom Crean regresó a Irlanda durante la Guerra de la Independencia y nunca volvió a hablar de sus hazañas. Llevándose su increíble historia a la tumba hasta la publicación de *Un héroe olvidado*, la biografía que desenterró su historia y lo situó con todo derecho entre los anales de los grandes exploradores.

Captain James Cook and the Search for Antarctica James C. Hamilton, 2020-05-30 A fascinating account of the famous explorer's voyages through the southern Pacific and Antarctic Oceans based on firsthand journals and logbooks. In the mid 18th century Captain James Cook undertook extraordinary voyages of navigation and maritime exploration to discover the Unknown Southern Continent. He accomplished and encountered much during his three voyages through the uncharted southern waters yet his Antarctic voyages are perhaps the least studied of all his remarkable travels. Now James Hamilton's gripping and scholarly study brings together the stories of Cook's Antarctic journeys into a single volume. Using Cook's journals and the logbooks of officers who sailed with him this volume sets his Antarctic explorations within the context of his historic voyages. *Captain James Cook and the Search for Antarctica* offers fascinating insight into Cook the seaman and explorer. The exceptional navigational skills of Cook and his crew are vividly depicted as they survive

foul weather across uncharted and inhospitable seas **The Encyclopedia of Tourism and Recreation in Marine Environments** Michael Lück,2008 Marine tourism has become one of the fastest growing areas within the tourism industry With the increased use of marine environments comes the need for informed planning and sustainable management as well as for the education and training of planners managers and operators Combining the disciplines of marine scientists and tourism researchers this encyclopedia will bring together the terms concepts and theories related to recreational and tourism activities in marine settings Entries range from short definitions to medium and long articles **Books Ireland** ,2003

Explorers & Exploration David Scott Daniell,1962 *The Last Great Quest* Max Jones,2004-11-11 Scott s last Antarctic expedition is one of the great adventure stories of the twentieth century On 1 November 1911 a British team set out on the gruelling 800 mile journey across the coldest and highest continent on Earth to travel to the South Pole Five men battled through unimaginably harsh conditions only to find the Norwegian flag had been planted at the Pole just weeks before Captain Robert Falcon Scott Lieutenant Henry Bowers Petty Officer Edgar Evans Captain Lawrence Oates and Dr Edward Wilson all died on the return trek starved and frozen to death only eleven miles from a supply camp In November 1912 a rescue party discovered their last letters and diaries which told a story of bravery hardship and self sacrifice that shocked the world Recent decades have seen controversy rage over whether Scott was the last of a line of great Victorian explorers intent on discovering uncharted lands or a hopeless incompetent driven by personal ambition Rejecting the stereotypes Max Jones reveals a complex figure a product of the passions and preoccupations of an imperial age He also shows how heroes are made and manipulated through a close examination of the unprecedented outpouring of public grief at the news of the death of Scott and his companions Max Jones uses fascinating new evidence and previously unseen illustrations to take us back to this remarkable moment in modern history and tells for the first time the full story of The Last Great Quest *Going to Extremes* Jonathan Chester,1986 This book is a unique blend of historical and contemporary accounts which highlight the character and humanity of the Australians who discovered and explored the Antarctic

"The" Athenaeum ,1838 The Dial Francis Fisher Browne,Waldo Ralph Browne,Scofield Thayer,Marianne Moore,1920 Literary Gazette and Journal of Belles Lettres, Arts, Sciences, Etc William Jerdan,William Ring Workman,Frederick Arnold,John Morley,Charles Wycliffe Goodwin,1838 **Baedeker Great Britain and Northern Ireland** ,1997 From the historic streets of London to the spires of Oxford from Shakespeare s birthplace in Stratford on Avon to the Lake District of the Romantic poets Baedeker Great Britain covers all the cathedrals and castles the monuments and historic homes in an easy to use format *Baedeker's Great Britain and Northern Ireland* ,1994 **The Literary Gazette and Journal of the Belles Lettres, Arts, Sciences, &c** ,1838 **Flight** ,1928 **DK Eyewitness Books: Explorer** Rupert Matthews,2012-08-20 The story of exploration from early expeditions to high tech trips into space is presented in vivid visual detail in this intriguing guide DK Eyewitness Books Explorer takes a look at the perilous and exciting worlds of

explorers sharing stunning real life photographs of famous explorers equipment and personal possessions as well as the objects they found Readers will see arrows shot into Livingston s boat gold found by Spanish conquistadors and insect specimens brought back by naturalist explorers As they learn how the earliest sailors navigated who first crossed the Australian continent what the Egyptians found in the legendary Land of the Gods and more readers will gain an understanding of the extraordinary explorations that helped shape our world today

Embracing the Melody of Term: An Psychological Symphony within **Great Endeavour Irelands Antarctic Explorers**

In a global taken by monitors and the ceaseless chatter of instantaneous conversation, the melodic elegance and emotional symphony developed by the written word usually fade in to the back ground, eclipsed by the relentless noise and distractions that permeate our lives. However, nestled within the pages of **Great Endeavour Irelands Antarctic Explorers** a marvelous literary value filled with organic emotions, lies an immersive symphony waiting to be embraced. Constructed by a masterful composer of language, this captivating masterpiece conducts viewers on a mental journey, well unraveling the hidden melodies and profound impact resonating within each carefully crafted phrase. Within the depths of this poignant review, we shall explore the book is main harmonies, analyze their enthralling writing design, and submit ourselves to the profound resonance that echoes in the depths of readers souls.
