**Thomas King** Eva Gruber, 2012 Thomas King is one of North America's foremost Native writers best known for his novels including *Green Grass Running Water* for the Dreadful Water mysteries and for collections of short stories such as *One Good Story That One* and *A Short History of Indians in Canada*. But King is also a poet, a literary and cultural critic and a noted filmmaker, photographer and scriptwriter and performer for radio. His career and oeuvre have been validated by literary awards and by the inclusion of his writing in college and university curricula. Critical responses to King's work have been abundant yet most of this criticism consists of journal articles and to date only one book-length study of his work exists. *Thomas King Works and Impact* fills this gap by providing an up-to-date comprehensive overview of all major aspects of King's oeuvre as well as its reception and influence. It brings together expert scholars to discuss King's role in and impact on Native literature and its processes of canonization and to offer in-depth analyses of his multifaceted body of work. The volume will be of interest to students and scholars of literature, English and Native American studies and to King aficionados.

**Canadian Literature** Faye Hammill, 2007-09-13 An important critical study of Canadian literature placing internationally successful anglophone Canadian authors in the context of their national literary history. While the focus of the book is on twentieth century and contemporary writing it also charts the historical development of Canadian literature and discusses important eighteenth and nineteenth century authors. The chapters focus on four central topics in Canadian culture: Ethnicity, Race, Colonisation, Wildernesses, Cities, Regions, Desire and Histories and Stories. Each chapter combines case studies of five key texts with a broad discussion of concepts and approaches including postcolonial and postmodern reading strategies and theories of space, place and desire. Authors chosen for close analysis include Margaret Atwood, Michael Ondaatje, Alice Munro, Leonard Cohen, Thomas King and Carol Shields.

**The Awakening in Plain and Simple English (Includes Study Guide, Complete Unabridged Book, Historical Context, Biography and Cha** Kate Chopin, 2012-10 Kate Chopin's *The Awakening* is considered her greatest work. **A Companion to Herman Melville** Wyn Kelley,2015-06-24 In a series of 35 original essays this companion demonstrates the relevance of Melville s works in the twenty first century Presents 35 original essays by scholars from around the world representing a range of different approaches to Melville Considers Melville in a global context and looks at the impact of global economies and technologies on the way people read Melville Takes account of the latest and most sophisticated scholarship including postcolonial and feminist perspectives Locates Melville in his cultural milieu revising our views of his politics on race gender and democracy Reveals Melville as a more contemporary writer than his critics have sometimes assumed **Von Puritanern, Relativsätzen und Wandelbaren Frauengestalten** Frauke Reitemeier,2009

**That's Raven Talk** Mareike Neuhaus,2011 Annotation A reading strategy for orality in North American Indigenous literatures that is grounded in Indigenous linguistic traditions *American Mythologies* William Blazek,Michael K. Glenday,2005-01-01 In its more than three decades of existence the discipline of American studies has been reliably unreliable its boundaries and assumptions forever shifting as it continuously repositions itself to better address the changing character of American life literature and culture *American Mythologies* is a challenging new look at the current reinvention of American studies a reinvention that has questioned the whole notion of what American let alone American studies means Essays in the collection range widely in considering these questions from the effect of Muhammad Ali on Norman Mailer s writings about boxing to the interactions of myth and memory in the fictions of Jayne Anne Phillips to the conflicted portrayal of the American West in Cormac McCarthy s novels Four essays in the collection focus on Native American authors including Leslie Marmon Silko and Gerald Vizenor while another considers Louise Erdrich s novels in the context of Ojibwa myth By bringing together perspectives on American studies from both Europe and America *American Mythologies* provides a clear picture of the current state of the discipline while pointing out fruitful directions for its future *The Post-Marked World*

Sumit Chakrabarti, Krystyna Kujawińska Courtney, 2013-07-29 It is a cliché now to claim that we live in a post modern world and indeed the post isms are some of the most used and abused expressions in the language In a general sense the various kinds of post isms are regarded as a rejection of a prevailing number of cultural certainties on which our life in the so called Western world has been structured since the eighteenth century Engaging with the post isms can be regarded as both a philosophical and political endeavour which demonstrates among other things the instability of language meaning narrativity and generally any formal systems In the wake of such theoretical aporia this volume represents an investigation in the re thinking of the implications of the term post in current theoretical parlance Is there a politics always already embedded within the post Do we need the post any more Did we in the first place need it at all Is it possible to counter essentialism with the post prefix These are some of the questions the volume raises and explores by examining the post modern terms in the theoretical market The essays included in this volume address different and relevant issues related to the idea of the post and those that are representative of different parts of the globe Thus a reader of the volume will not only have a bird s eye view of the various disciplines where the concept of the post is used but also an eclectic range of contributions about issues that engage with different socio political dynamics from various parts of the world *Genreflecting* Diana Tixier Herald, 2000 Nearly 6 000 titles aid in collection development research and reader s advisory
