Greeting To America Greeting To America:

Greeting to America ,1867 *America's Youngest Ambassador* Lena Nelson,2023-06-01 In 1982 amid the nuclear paranoia that engulfed the US and the Soviet Union Samantha Smith a fifth grader from Manchester Maine wrote a letter to the Kremlin asking the Soviet leader if he was going to start a war When Pravda the biggest Soviet newspaper published her letter and Samantha received an unprecedented invitation to visit the Soviet Union her family embarked on a historic journey that helped transform the hearts and minds of two nations on a collision course Today a nuclear war seems like a possibility once again The story of a young American girl s letter to the Soviet leader and her innocent curiosity about the other side of the Iron Curtain holds an important lesson for every American to never stop questioning the status quo and to recognize that the responsibility for the preservation of peace is not only the purveyance of the government America s Youngest Ambassador provides insights into a forgotten era and has an important message for young people who strive to be more involved in facilitating change both locally and worldwide Juxtaposing Samantha s narrative with that of her own childhood in the Soviet Union in the 1980s Lena Nelson explores the consequences of government propaganda on both sides of the ocean and reveals how Samantha Smith s journey in the summer of 1983 helped melt the hearts of the Soviets and thaw the ice of the Cold War Drawing on interviews conducted in both the US and Russia with key players in the events of those days among them Samantha s mother Jane Nelson blends storytelling anecdotes and analysis of Soviet American relations to tell the story of this unprecedented moment in history Official U.S. Bulletin ,1918 Official U.
