Grave Witch Kalayna Price, 2010-10-05 THE FIRST NOVEL IN THE USA TODAY BESTSELLING ALEX CRAFT SERIES

Grave witch Alex Craft can speak to the dead but that doesn't mean she likes what they have to say. As a private investigator and consultant for the police, Alex Craft has seen a lot of dark magic. But even though she's on good terms with Death himself, nothing has prepared her for her latest case. When she's raising a shade involved in a high profile murder, it attacks her and then someone makes an attempt on her life. Someone really doesn't want her to know what the dead have to say and she'll have to work with mysterious homicide detective Falin Andrews to figure out why. Grave Dance Kalayna Price, 2011-07-05

After a month of down time, Grave Witch Alex Craft is ready to get back to solving murders by raising the dead. With her love life in turmoil, Alex is eager for the distractions of work. But when her new case forces her to overuse her magic, it might be the last mystery the Grave Witch ever gets to solve. **Grave Memory** Kalayna Price, 2012. When the dead need to talk, Alex Craft is always ready to listen. As a Grave Witch, Alex solves murders by raising the dead, an ability that comes at a cost and after her last few cases that cost is compounding. But her magic isn't the only thing causing havoc in her life. While she's always been on friendly terms with Death himself, things have recently become a whole lot more close and personal. Then there's her sometime partner, agent Falin Andrews, who is under the glamour of the Winter Queen. To top everything off, her best friend has been forever changed by her time spent captive in Faerie. But the personal takes a backseat to the professional when a string of suicides occur in Nekros City and Alex is hired to investigate. The shades have no memory of the days leading up to their brutal endings, so despite the very public, apparent suicides, this is murder. But what kind of magic can overcome the human will to survive? And why do the shades lack the memory of their deaths? Searching for the answer might mean Alex won't have a life to remember at all. A rare treat, intriguing and original.
