Gray Matters Proper Care And Feeding Of A Weimaraner Owner:

Gray Matters Ken Moore, 2014-11-19 When two high energy outdoor loving hunting dogs intrude on a man's low energy stay in the house lifestyle something's got to give These two Weimaraners decide to drag their owner all over the country and make him think it's his own idea First Sadie moves in and establishes the Weimaraner agenda She takes over the house and bends the family to her will Everyday life gets the Weimaraner treatment as Sadie becomes everyone's personal micromanager When a second Weimaraner comes along things don't get any easier Any thoughts that this new dog would fall into line were squashed on day one Grace couldn't care less how things were done before she ascended to the throne It's going to be her way now or heads will roll Most dog owners wonder at some point if they own their dogs or is it the other way around Sadie and Grace's owner stopped wondering years ago Life with two crazy Weimaraners can be chaotic but it's always fun Whether it's learning how to live with dogs hunt with dogs camp with dogs travel with dogs or just survive with dogs he tries to keep his wits about him You may be thinking We don't need another dog training book This is not a dog training book it's not a self help book it's not a teach you how to do anything book Most people who have read it agree that they didn't learn a thing But it is funny What they are saying This book is full of lies It was like reading about a stranger I'm nothing like that at all I've talked to my lawyer and all options are on the table right now At a minimum I'm going to want a full re write And those pictures look like they were taken on a flip phone I'm so much better looking in person Sadie As a piece of literature this book was delicious One of the best I've ever eaten It went down smooth and stayed down which is always a plus I ate everything but the cover it was just too gorgeous If you must actually read it take it with a grain of salt which I did literally If Ken thinks I will allow this tripe to besmirch my reputation he's sadly mistaken He's got to sleep some time Grace Maybe this wasn't such a good idea Author Dog World ,1952 **Sports Afield** ,1956 *New York Magazine* ,1997-06-23 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea
