**Great Group Skits** Lynn Grasberg, Gina Oldenburg, 2009 Presents group activity and improvisation ideas for teenagers to help teach valuable life lessons as well as foster creativity teamwork and self reliance *Nurturing the Human Spirit Through Character Development in Adolescents* Rev. Dr. Bronco H. Crooke, 2015-10-13 *Nurturing the Human Spirit through Character Development in Adolescents* was designed to discover and develop the spiritual nature of our adolescents by assisting them in discerning and constructing positive character building skills By familiarizing them to their own and other religious beliefs and practices the adolescents will be able to more easily accommodate themselves to their diverse neighborhoods and schools By understanding their peers religious and social practices a common underlying tension is removed from their daily lives enabling them to better learn in an educational setting Intelligent Disobedience Ira Chaleff, 2015-07-07 When It s Smart to Say No Nearly every week we read about a tragedy or scandal that could have been prevented if individuals had said no to ill advised or illegitimate orders In this timely book Ira Chaleff explores when and how to disobey inappropriate orders reduce unacceptable risk and find better ways to achieve legitimate goals The inspiration for the book and its title comes from the concept of intelligent disobedience used in guide dog training Guide dogs must recognize and resist a command that would put their human and themselves at risk and identify safer options for achieving the goal This is precisely what Chaleff helps humans do Using both deeply disturbing and uplifting examples as well as critical but largely forgotten research he shows how to create a culture where rather than just following orders people hold themselves accountable to do the right thing always **Осознанное неподчинение: Как реагировать на спорные распоряжения** Айра Чейлефф, 2023-05-03 A Second List of Plays and Pageants Young Women's Christian Association of the U.S.A.
