Great Speeches In History:

Lend Me Your Ears William Safire, 1997 William Safire's invaluable and immensely entertaining Lend Me Your Ears established itself instantly as a classic treasury of the greatest speeches in human history. Selected with the instincts of a great speechwriter and language maven, arranged by theme and occasion, each deftly introduced and placed in context, the more than two hundred speeches in this compilation demonstrate the enduring power of human eloquence to inspire, to uplift, and to motivate. For this expanded edition, Safire has selected more than twenty new speeches by such figures as President Bill Clinton, Senator Robert Dole, General Colin Powell, Microsoft's Bill Gates, the Dalai Lama, Edward R. Murrow, Alistair Cooke, the Buddha, and the late Israeli Prime Minister Yitzhak Rabin. They prove that even in a digital age, the most forceful medium of communication is still the human voice speaking directly to the mind, heart, and soul. **The World's Greatest Speeches** Vijaya Kumar, 2013 This anthology gives an insight into the minds of great leaders and personalities and documents the way they changed the course of history with their inspirational and motivational speeches. These speeches have not only influenced the people of their times but also today's generation. The speeches are of particular significance in the present world of violence, turmoil, and injustice. It is hoped that this selection of the world's greatest speeches will prompt the reader to pause a while and ponder on their timeless relevance and significance. History's Greatest Speeches James Daley, 2013-01-01 While designed for classroom use, this collection will also be an invaluable tool for anyone preparing or performing a public speech. Approximately 20 of the world's most influential and stirring public orations include the Gettysburg Address, Martin Luther King's "I Have a Dream," and Patrick Henry's "Give Me Liberty or Give Me Death." The Art of Great Speeches Dennis Glover, 2011-02-07 What makes a great speech great? The Art of Great Speeches uses insights from classical thinkers to reveal how great orators such as Barack Obama, Martin Luther King, the Kennedys, Al Gore, and Hitler have persuaded their audiences so convincingly. Featuring excerpts of 70 of the world's greatest speeches in history and drama, this fascinating book breaks down the key elements of classical and modern oratory to reveal the rhetorical techniques that make them so memorable. It shows how master speechwriters connect with their audiences, seize a moment, project character, use facts convincingly, and destroy their opponents' arguments as they try to force the hand of history or create memorable drama. Part history, part defence of oratory, part call for political inspiration, part professional handbook, The Art of Great Speeches does what no other book does: it explains why these speeches are great. *Teaching History Online* John F.
