Greed Corruption Debt Fighting Greatness:

Greed, Corruption and Debt - Oh, My! Jason C. Sink, 2015-12-11 America is sliding in an obvious manner toward self destruction instead of people working together to strengthen the ambitions of our Founding Fathers to provide Liberty and Justice for ALL Both external and internal forces are working cohesively to unbind this great nation and what it stands for This book you will provide you with an enhanced understanding of multiple problems associated with current U S government programs and policies as well as impactful and thought provoking ideas for improving upon them which can lead to a much brighter future for Patriotic Americans nationwide *Everybody's Magazine*, 1911 *Fighting Spirit* Fernando Ricksen, Vincent De Vries, Barry Ferguson, 2014-05-14 Fernando Ricksen was a fighter As a footballer Ricksen carved out a fearsome reputation for Rangers Zenit St Petersburg and Holland Throughout his time at Ibrox his aggressive approach won him hero status among the Rangers fans and off the field he was just as dynamic a force finding himself on the front page as often as in the sports section After leaving the club in 2006 and signing for Zenit St Petersburg he went on to defeat his former teammates in the final of the 2008 UEFA Cup and established as wild a reputation in Russia as he had in Glasgow Ricksen was diagnosed with motor neurone disease in 2013 and here his extraordinary life story is chronicled along with his 6 year battle with the disease *Fighting Spirit* details his wild experiences both on and off the field in a rollercoaster journey of football alcohol drugs sex violence and corruption **Dialectics and Revolution** David H. DeGroot, 1979-12-01 **The Freedom Dance** Eric Falkner, 2018-09-04 In a future without hope the heart of a child can change everything War has decimated the world's population leaving seven billion people dead In an Undeveloped Region two orphans stumble upon a world they never knew existed Driven by curiosity Maya finds a forbidden book that takes her and her brother Toma on a journey that will change their lives forever They discover something more powerful than war They discover hope The *Freedom Dance* features a strong heroine emphasizes the importance of family and faith in tough times and explores the power of diversity and freedom in the face of terrible tyranny and control **The Battle for Democracy** Anna Faktorovich, 2016-05-26 The events depicted incorporate historical incidents to create an alternate history of a violent anti corruption rebellion in the fictional town of Sparta Tennessee in the aftermath of World War II It is based in part on the rebellion by veterans against the Mayor's office in Athens Tennessee as well as on the Chicago Haymarket Riot In Sparta thousands of veterans return to the States from the War and are confronted by crippling corruption as they attempt to drink away the trauma of the War Faced with bribes and a heap of misdemeanor tickets the GIs try to retaliate by aggressively supporting the Democratic ticket but soon discover that elections are not won by voters in Sparta The Sheriff and his army of untrained deputies go on a killing spree as they work to steal the election until the Democrats are compelled to pick up arms to defend their lives and their civil rights A riveting account of corruption in politics from the interesting mindset of disgruntled post war veterans A combination that will intrigue readers throughout the story David Walpuck Administrator for

the National Registry of Food Safety Professionals Naive impressionable patriotic young men from Anna Faktorovich's fictitious Sparta Tennessee joined the fight against Fascism during World War II They confronted death cruelty deprivation and returned home not as heroes but outsiders Sparta had no use for them no jobs no place in society only bars and the local jail Finally enough became too much Outrage triggered rebellion and a new war began Like the one the returned G I s had left in Europe and Asia this one also was for freedom from oppression The novel is based on events that occurred in southern Tennessee in 1946 Faktorovich populates The Battle for Democracy with variety of characters rich poor white African American and glimpses of shantytown life Southern mansions trips to Hawaii Among the most fascinating personalities are the members of a Cherokee family that migrated to Sparta after their Oklahoma house was razed to make room for a military installation Another is Giorgio whose wilder instincts are tamed by his relationship with the sensible and attractive Haley Less agreeable are the Ku Klux Klansmen the author describes the opulence of the town mayor reigning over his miniature fiefdom the bartender turned cop with an eye for profit at whatever cost The novel is told with journalistic veracity and with vivid descriptions of places and events Reading it one believes in what is taking place and participates along with the characters and their struggles to achieve equality and justice Robert Joe Stout winner of national journalism awards for news writing author of Hidden Dangers Mexico on the Brink of Disaster An intriguing and often funny depiction of widespread governmental corruption in a mid 1940s southern city and the political efforts of a band of World War II veterans and their allies to address it Jere Krakoff retired civil rights attorney with the ACLU National Prison Project in Washington D C The Battle for Democracy Anna Faktorovich's second historical novel focuses on events that transpired in Athens Tennessee in the wake of World War II when returning veterans revolted against a corrupt city government Athens becomes the mythical town of Sparta in Faktorovich's riveting narrative She takes a number of liberties with historical fact reflecting her intent as she puts it in her provocative introduction to the novel to step away from historical accuracy and into symbolic truth In doing so she explores the frontier of historical fiction and the critical issue of how far an author can stretch or embroider historical truth in order to create a more artistic and meaningful story Her characters especially the returning veterans are vividly rendered and her style in general is inventive and engaging As the title indicates The Battle for Democracy is representative of all those points on the historical timeline when democratic forces have battled greed and corruption while also speaking directly and forcefully to our world today Lucas Carpenter C H Candler Professor Emeritus of English Oxford College of Emory University Anna Faktorovich's historical novel The Battle for Democracy illuminates a little known but highly representative incident in American labor history the battle of returning World War II veterans against the corrupt political machinery of Athens Tennessee A timely reminder that the greatest threats to democracy come not from abroad but from our homegrown ideologues and zealots whether of party creed or avarice Robert Begiebing founding director of the Low Residency MFA in Fiction and Nonfiction and Professor of English Emeritus at Southern New Hampshire University Veterans

of World War II returned from the front and were caught in a storm of wild corruption at home Two conflicting morals cannot coexist As a result they stage a revolt of front line soldiers against the corrupt Mayor and Sheriff Social conflict heats up until they are forced to use weapons and people are killed and injured The President of the United States and the Governor of the State do not intervene because it is a battle for democracy The insurgency is victorious The novel is brilliant and enlightening Vasyl Bazyl organizer of the Ukrainian National Democratic movement 1989 1990 professor at the Ukraine International University and ambassador Make Change Shaun King, 2020 A NEW YORK TIMES BESTSELLER A captivating memoir of change A hope filled sermon for change A tactical blueprint for how we can each make change Make Change is all three and all the more towards an equitable and just world Ibram X Kendi National Book Award winning author of Stamped from the Beginning and How to Be an Antiracist Activist and journalist Shaun King reflects on the events that made him one of the most prominent social justice leaders of our time and lays out a clear action plan for you to join the fight As a leader of the Black Lives Matter movement Shaun King has become one of the most recognizable and powerful voices on the front lines of civil rights in our time His commitment to reforming the justice system and making America a more equitable place has brought challenges and triumphs soaring victories and crushing defeats Throughout his wide ranging activism King's commentary remains rooted in both exhaustive research and abundant passion In Make Change King offers an inspiring look at the moments that have shaped his life and considers the ways social movements can grow and evolve in this hyper connected era He shares stories from his efforts leading the Raise the Age campaign and his work fighting police brutality while providing a roadmap for how to stay sane safe and motivated even in the worst of political climates By turns infuriating inspiring and educational Make Change will resonate with those who believe that America can and must do better
