A New Edition, Etc** John Gibson Lockhart,1842      A Life with Words Richard B. Wright,2015-09-15 From the acclaimed writer of the beloved Clara Callan comes a beautifully crafted charming portrait of the writing life Combining his characteristic wit and self deprecation with his extraordinary imagination and insight Richard B Wright has created a deeply affecting memoir that reads like a novel As a small watchful boy growing up in a working class family in Midland Ontario during the Second World War Wright gradually discovered that he saw the world through different eyes His intellectual and sexual awakenings his exploits as a young salesman in Canadian publishing his painful struggles to become a writer all of this is balanced against the extraordinary reception that in the 1970s greeted his first novel The Weekend Man which was published around the world to great acclaim In spite of the sometimes crippling depression that haunted him and the ups and downs of the mid life writer he would finally achieve overwhelming success with Clara Callan the Giller winning work that swept every award in Canada and revitalized his career Lovers of Wright s work will appreciate behind the scenes glimpses of his craft in individual novels and his exploration of how a writer transmutes experience into art And readers will enjoy his

thoughtful exploration of the essential role of storytelling in our lives A Life with Words is both a celebration of the writing life and a deeply personal at times revelatory invitation into the world of the imagination
