Demand is by turns wildly exciting horrifying and exalting Certainly there has never been another book like it Varian Fry is a good man Through the people he has helped rescue the doctors the painters the writers the sculptors the teachers he has added to the sum total of the world s happiness an astonishingly good book Russell Maloney The New York Times Surrender on Demand contains enough intrigue and conspiracy enough narrow escapes and shady and flamboyant characters for three or four spy stories But Mr Fry has not written it for excitement He has put down some plain and eloquent facts Orville Prescott The New York Times I have read and heard many accounts of escapes from Europe but none surpasses this restrained and factual narrative in suspense and excitement It tells of many triumphs and some defeats it depicts with vividness and often with humor a large number of interesting and frequently distinguished persons it describes the endless obstacles encountered and the ingenious and constantly changing shifts and devices contrived to overcome them and throughout it makes one feel the undercurrent of potential tragedy which too often became actual New York Herald Tribune Weekly Book Review A novelist would hardly dare pack a novel with so many hair breath escapes Lewis Gannett New York Herald Tribune a brilliant expos of the work accomplished by Fry in Marseille during the tragic days that followed the French defeat Surrender on Demand is a unique contribution to the underground history of the war Josef Forman Free World There are a larger number of highly exciting and almost unbelievable stories in this deeply moving but often also highly amusing book Friends of light adventure novels will undoubtedly like it And friends of humanity will see much more in it than an adventure story although it deals with forging passports with hiding and escaping from detectives with secret messages hidden in a toothpaste tube and with an underground railroad over a well protected border They will see in it a memorial to the man who made what he modestly calls an experiment in democratic solidarity and also to the women and men who sent him on his dangerous mission Henry B Kranz Saturday Review **London Lamps** Thomas Burke,1918
