

The background of the entire image is a dark, atmospheric illustration. It depicts a massive, dark, winged creature, possibly a dragon or a giant bat, with large, leathery wings spread wide. The creature's body is dark with some red, glowing or molten-looking areas on its chest and limbs. It appears to be standing or hovering over a city that has been reduced to ruins. In the background, there are faint outlines of city buildings and a hazy, yellowish-orange sky, suggesting a sunset or a fire in the distance. The overall mood is one of destruction and power.
