Google AdWords Ultimate Guide 2024: PPC Search Ads Dinesh Kumar VM, 2020-08-07 About Google Ads Google is the most used search engine by users around the world. As of now more than 92% of the online users are using Google to find information about the products, services and to learn more about the new things. Only the remaining 8% of the online usage is shared by the other search engines like Bing, Yahoo, Baidu, Yandex and DuckDuckGo. From this insights it is clear that if you would like to get more reach for your business online then Google Search is one of the medium by using which you can get in touch with the right audience for your

business By using the Google search you can get in touch with the right audience for your business in two ways one is via Organic SEO the other one is Google PPC Organic SEO is the way of optimizing the business website to rank for the potential search terms When it comes to SEO you need to invest a lot of time effort to make the business website rank for potential search terms The second one is the Google PPC Google has its own advertising platform called Google AdWords Ads Google PPC Pay Per Click By using the Google Ads you can make the target users land on your website from the Google search by making your business ads to rank above the organic search results When it comes to Google Ads you need to pay for Google when any of the users from the Google Search clicks on your ads and lands on your website Both SEO Google PPC has its own pros and cons The main advantage of the SEO is that you don't need to pay for Google for the users landing on your website from the search But you need to invest more on SEO to rank the website on top of the SERP's Search Engine Results Page for the potential search terms When it comes to Google PPC you need to pay to Google for each and every click that you receive on your ads on Google Search from the normal users Despite both the SEO Google PPC as a business people you should be giving equal importance to both to stand ahead of your competitors

The Anatomy Of The Perfect Website: Inside Google's Training Guide Rafael Romis, 2025-04-27 Most websites don't just underperform. They actively push customers away. Not because of bad web design but because they lack purpose and a true understanding of how customers think. What if your website could become your #1 salesperson working 24/7 to attract leads, build trust, and drive revenue? The Anatomy of the PERFECT Website is a behind-the-scenes guide to get you there. If you've ever felt frustrated that your online presence isn't translating into results, this website design planner disguised as a book will change the way you build and think about your site. Based on Google's own training materials and adapted by a top agency that's built high-converting websites for brands like Amazon, Jeffree Star Cosmetics, SMEG, and Disney, this book shows you how to create a site that wins both customers and search rankings. In this book, you'll discover how to build with purpose using a real-world mindset that connects structure with outcomes. Boost your Google search visibility by aligning with the same principles used in Google's Quality Rater Guidelines. Map your customer journey using smart funnel marketing techniques that drive higher conversions. Build brand awareness and immediate trust with your visitors through strategic web design. Create content and layouts that satisfy both human visitors and SEO bots, making this the ultimate SEO book for non-techies. But it's more than just a search engine optimization guide. It's a strategy-packed SEO book that shows business owners, marketers, and entrepreneurs how to transform their website into a powerful business asset. An asset that resonates with their audience. Whether you're running an agency, leading a startup, or scaling your business online, this book will help you build a sales-driven website without wasting time on things that don't matter. Turn visitors into buyers with clear action-focused content. Stop wasting money on ineffective redesigns and start leveraging your site as a growth engine. Plus, you'll learn how to audit structure and fix a website that's failing silently. Ready to turn your website into your most powerful marketing tool? Stop guessing what works. Start building with confidence.
