John Piippo

Gordon Fee Gods Empowering Presence:

God's Empowering Presence Gordon D. Fee, 1994 God's Empowering Presence is the most comprehensive and insightful work in print on the life and work of the Holy Spirit as reflected in the writings of the Apostle Paul. Dr. Fee combines his acknowledged skill as a text critic and exegete with his vibrant spirituality to give us access to God's living presence in the Church.

Paul, the Spirit, and the People of God Gordon D. Fee, 1994-09-01 In Paul, the Spirit and the People of God, Pentecostal scholar Gordon Fee has redefined the terms of the discussion about the Holy Spirit in a way that transcends today's paradigm of charismatic or noncharismatic orientation. His words are a strong reminder of what God through his Holy Spirit intends the church to be. His work is an attempt to point us back to the Bible and reinvigorate our own vision of how the Spirit mobilizes the community of believers in the local church.

Wendy Murray, author, former senior writer, Christianity Today, Gordon Fee, one of our truly master exegetes, has put steel and sinew into the words Spirit, spirit, and spiritual words that have become flabby through subjectivizing indulgence and lack of exegetical exercise. His accurate, fresh, and passionate recovery of the place and meaning of Spirit in Paul and for us Christians is a provocative stimulus and reliable guide to the recovery of the experienced presence of God in our lives. For those of us who want to live in continuity with all that has been revealed in Jesus and given in the Spirit, this is an eminently practical book.

Eugene H. Peterson, professor emeritus of spiritual theology, Regent College, Gordon Fee is one of the finest Bible expositors I have known. Whenever he speaks and writes, I listen and recommend you do the same.

The Spirit, Ethics, and Eternal Life Jarvis J. Williams, 2023-04-04 What vision does Scripture cast for living as a follower of Christ? New Testament scholar Jarvis Williams offers a multifaceted vision of God's saving action in Jesus Christ for both Jew and Gentile in both the vertical relationship between God and humanity as well as the horizontal relationships among people with cosmic ramifications.

The Holy Spirit Gregg Allison, Andreas J. Köstenberger, 2020-06-01 This book studies the Holy Spirit through the lens of both biblical and systematic theology.

A Powerful Presence Andy Fitzgerald, 2024-12-16 Bethel Church, Redding, California, is one of the most influential churches in America. The charismatic megachurch has garnered attention through its widely popular Bethel Music books, conferences, and senior pastor Bill Johnson. Bethel is also known for its instances of supernatural power: divine healings, ecstatic manifestations, miracles, and prophetic words are common at the church. As such, Bethel has garnered its share of critics and controversies.

Evangelical pastor Andy Fitzgerald, DMin, conducted a four-month ethnographic study of Bethel Church. In the first extensive study of the church, Dr. Fitzgerald observed and participated daily in Bethel's community, sat under its teaching, and interviewed its members and leaders to see how the church understands and practices supernatural power. In *A Powerful Presence*, Fitzgerald analyzes Bethel culturally and theologically by interacting with thinkers such as Charles Taylor, Jürgen Moltmann, and James Dunn. Dr. Fitzgerald brings his insights to bear for an appreciative but not uncritical look at Bethel Church. This

book offers new learnings and opens new pathways for churches and leaders to regain their apostolic footing in today's modern world Pneumanaut Eric Keck, 2006 NIVAC Bundle 6: Gospels, Acts Michael J. Wilkins, David E.

The First Letter to the Corinthians Roy E Ciampa, Brian S Rosner, 2020-05-21 This careful sometimes innovative mid level commentary touches on an astonishingly wide swath of important sensitive issues theological and pastoral that have urgent resonances in twenty first century life This thorough commentary presents a coherent reading of 1 Corinthians taking full

account of its Old Testament and Jewish roots and demonstrating Paula's primary concern for the unity and purity of the church and the glory of God Those who preach and teach 1 Corinthians will be grateful to Ciampa and Rosner for years to come and scholars will be challenged to see this letter with fresh eyes *From Pentecost to the Triune God* Steven M. Studebaker, 2012-12-19 In *From Pentecost to the Triune God* Steven Studebaker puts forth a provocative Pentecostal Trinitarian theology arguing that the Holy Spirit completes the fellowship of the triune God and therefore shapes the identities of the Father and the Son The Holy Spirit Studebaker maintains is not simply a passive end product of a procession from the Father and Son but rather a dynamic person who plays an active role in the Trinity and a constitutional consummational role in the history of redemption In the course of his study Studebaker shows the theological yield of the Pentecostal experience of the Holy Spirit and uncovers the biblical narratives of the Spirit from creation to Pentecost A constructive and ecumenical contribution to Trinitarian theology *From Pentecost to the Triune God* also engages major historical and contemporary figures such as Augustine the Cappadocians Weinandy and Zizioulas as well as representatives from the evangelical and charismatic traditions Finally Studebaker applies his Pentecostal Trinitarian theology to the theology of religions and creation care proposing that Christians embrace an inclusive posture toward people of other religious traditions and have an earth orientation that sees creation care as Christian formation **Transforming**

Presence Daniel Henderson, 2018-06-05 Does God sometimes feel far off Do you have a hard time motivating yourself to get into the Word Are you trying to conquer old sins but feeling defeated If so you're not alone But the secret to spiritual thriving isn't about trying harder You need supernatural help That's why God sent a Helper The church faces problems today because it misunderstands the Holy Spirit We think of Him as a force rather than a person And we look for a manifestation of the Holy Spirit in an Old Testament way instead of the New Testament way God designed for us Through over twenty years of studying church renewal Daniel Henderson has discovered 10 practices that lead to individuals and entire churches having a right relationship with the Holy Spirit and experiencing the kind of inside out renewal that can only come from God Stop relying on your natural effort that can only lead to natural results seek supernatural change Find out how the Holy Spirit can transform you and your church today **Christ-Centered Biblical Counseling** Bob Kelleman, Stephen Viars, 2020-05-12 Master the essentials of effective biblical counseling *Christ-Centered Biblical Counseling* is a comprehensive resource that will help you understand how to minister from God's truth to change lives With the cumulative wisdom of almost 40 contributors with exceptional credentials and experience you'll discover a valuable model for counseling that explains The Why of Biblical Counseling Why the Bible is sufficient and relevant for addressing every issue we face Why biblical counseling is so effective in helping people face life's struggles in Christ's strength The How of Biblical Counseling How you can lead struggling hurting people to the hope and strength available only in Christ How to counsel in a way that is Christ-centered and God-glorifying Every chapter provides a wonderful blend of theological wisdom and practical expertise and is written to

The Role Of The Holy Spirit In Worship H. Eugene Soulsby, 2019-12-02 Christianity does not deny the Holy Spirit's existence and most Christians would confess they believe in the Spirit at least with their head and creed But few experience him in their daily walk or have a biblical understanding of who he is why he came and what his role is in the Christian life The Holy Spirit is a living presence a person and as such must be experienced not neglected within the church and the individual believer The crucial role of the Spirit in Paul's life thinking and theology was always that of the personal presence of God As a Christian a believing follower of Christ the Spirit is the empowering presence experienced in our lives as we await the perfect ending of the Kingdom of God

The Holy Spirit and the Renewal of All Things T. David Beck, 2007-04-15 This volume explores the shape pneumatology takes when we develop the theology of the Holy Spirit within an eschatological framework that has a universal scope and an unlimited history When we do so we find that pneumatology deriving from questions about what the Spirit does for us needs to give way to pneumatology that derives from questions about how the Spirit can draw us into the saving history of the triune God
