Jens Henrik Haahr, William Walters

Governing Europe Discourse Governmentality And European Integration Routledge Advances In European Politics:

Governing Europe William Walters, Jens Henrik Haahr, 2004-08-02 *Governing Europe* is the first book to systematically link Michel Foucault's hypotheses on power and governmentality with the study of European integration. Through a series of empirical encounters that spans the fifty year history of European integration it explores both the diverse political dreams that have framed means and ends of integration and the political technologies that have made Europe a calculable administrable domain. The book illustrates how a genealogy of European integration differs from conventional approaches. By suspending the assumption that we already know what where Europe is it opens a space for analysis where we can ask how did Europe come to be governed as this and not that. The themes covered by this book include the different constructions of Europe within discourses of modernization democratization insecurity and governance the imprint of modernism liberalism ordoliberalism neoliberalism and crime on the identity of the European Community European Union the historical relationship between European government and specific technologies of power technologies as diverse as planning price control transparency and benchmarking. *Governing Europe* Jens Henrik Haahr, William Walters, 2004-08-02 This book uses post structuralist theories of power and discourse to study European integration and the associated forms of governance.

Governmentality in EU External Trade and Environment Policy Jessica Lawrence, 2018-02-07 *Governmentality and EU External Trade and Environment Policy* applies theories drawn from Foucauldian governmentality studies to investigate the ideological and political roots of the European Union EU's external trade and environmental policy and their effects on the transnational legal landscape. The EU's desire to spread environmental norms abroad is viewed in the book as a significant feature of contemporary EU trade policy. The EU's activities in this area have not been uncontroversial for other transnational legal actors. States individuals and organizations have challenged the EU's various trade and environment policies arguing that they are coercive unfair over reaching or inefficient. Meanwhile these policies have also raised a number of questions from the perspective of legality and political theory. This book considers what the practice of EU external trade and environment policy and international resistance to it tells us about the way the EU perceives the role and limits of transnational government the means and ends of politics and the drivers of human and institutional behavior. Jessica Lawrence examines the legal and political discourse of the EU and those affected by its policies. By studying legal cases statements by officials legislative texts press releases and other representative documents the book identifies the rationalities technologies and subjectivities that underlie contemporary EU activity in this area. The overall effect paints a more complicated and nuanced picture of the EU's vision of itself and its goals one that ultimately seeks to provide a better understanding of the functioning of power in this area. *The Impact of European Integration on Political Parties* Dimitri Almeida, 2012 Introduction political parties and the politicization of Europe Approaches to the study of party responses to

European integration An acquired taste for Europe social democratic parties and European Integration Between reluctant Europeanism and hard Euroscepticism radical left parties and European integration Separate ways liberal parties and European integration Diluted Europeanism Christian democratic parties and European integration Europeanized Eurosceptics radical right parties and European integration Conclusion Gender and the Open Method of Coordination Samantha Velluti, 2016-04-15 Containing contributions by some of the best known researchers in the field this volume considers the intersection between the Open Method of Coordination OMC a relatively new mode of policy making and gender equality a long standing area of EU policy It draws on a range of disciplinary perspectives to examine the effectiveness of the OMC as a medium for the advancement of gender equality within the EU It also considers gender in the OMC in a variety of contexts and at both a general EU and Member State level Central to the discussion is the concept of gender mainstreaming which proposes that a gender equality perspective should be incorporated at every level and opportunity of EU policy and practice The authors assess how successful this has been in the context of the OMC The book provides a unique and contemporary body of work on the OMC which adds significantly to existing understandings of this form of governance and informs critical debate of EU social governance The Spanish Welfare State in European Context Ana Marta Guillén, Margarita León, 2016-02-17 Following the death of Franco Spain underwent a transition to democracy in the mid 1970s Although a rapid process of modernization occurred the Spanish welfare state was seen until fairly recently as relatively underdeveloped However given the progressive Europeanization and expansion of Spanish social policy questions arise as to whether the Spanish welfare system should still be considered as peripheral to West European welfare states This volume is divided into three sections The first section deals with broad trends in the evolution of the Spanish welfare state To begin with the consolidation path of social protection policies is explored Attention is also paid to the process of Europeanization Furthermore the analysis explores advances in gender equality policies In the second section attention is turned to governance issues such as collective bargaining the interplay among levels of government the welfare mix and public support for social policies The third and final part of the book addresses five main challenges facing the Spanish welfare state in the 21st century namely the need to enhance flexicurity to achieve a better work family balance to coordinate immigration policies with existing social protection to tackle the persistence of high rates of relative poverty and to face intense population ageing both in terms of increasing needs for care and the reform of the pension system European Constitutional Imaginaries Jan Komárek, 2023 What does it mean to say that the European Union has a constitution theoretically but more importantly practically What sort of possibilities such assertion opens for various actors politicians legal professionals or the general public And what is the role of constitutional thinkers in establishing constitutional discourse as the dominant way in which European law is or was conceived after 1989 This volume seeks to answer such questions with a special emphasis on the last one European Constitutional Imaginaries are the central focus of the book

These are sets of ideas and beliefs that help to motivate and at the same time justify the practice of government and collective self rule established by the constitution written or unwritten Such imaginaries are as important as institutions and office holders They provide political action with an overarching sense and purpose recognized by those governed as legitimate The book brings together reflections by lawyers philosophers sociologists or political economists who shed light on various constitutional imaginaries of Europe They provide critical intellectual histories of particular legal approaches to European integration and look behind the language of law to reach deeper insights into the contested history and political economy of Europe They ask us to think about European law differently *Social Democracy and European Integration* Dionyssis G. Dimitrakopoulos, 2010-09-13 This book examines why social democratic political parties respond differently to the crucial question of the future of the European Union exploring the preferences of Germany France the UK Sweden and Greece in comparative perspective Routledge Handbook of Interpretive Political Science Mark Bevir, R. A. W. Rhodes, 2015-07-03 Interpretive political science focuses on the meanings that shape actions and institutions and the ways in which they do so This Handbook explores the implications of interpretive theory for the study of politics It provides the first definitive survey of the field edited by two of its pioneers Written by leading scholars from a range of disciplinary backgrounds the Handbook's 32 chapters are split into five parts which explore the contrast between interpretive theory and mainstream political science the main forms of interpretive theory and the theoretical concepts associated with interpretive political science the methods used by interpretive political scientists the insights provided by interpretive political science on empirical topics the implications of interpretive political science for professional practices such as policy analysis planning accountancy and public health With an emphasis on the applications of interpretive political science to a range of topics and disciplines this Handbook is an invaluable resource for students scholars and practitioners in the areas of international relations comparative politics political sociology political psychology and public administration *Ontology and World Politics* Sergei Prozorov, 2013-10-23 Together these two companion volumes develop an innovative theory of world politics grounded in the reinterpretation of the concepts of world and politics from an ontological perspective *Ontology and World Politics* presents a new approach to political universalism grounded in the reinterpretation of world politics from an ontological perspective In the discipline of International Relations the concept of world politics remains ambivalent functioning both as a synonym of international relations and their antonym denoting the aspirations for the overcoming of interstate pluralism in favour of a universalist politics of the global community or the world state Rather than distinguish world politics from international politics by its site level or issues Prozorov interprets it as another kind of politics Drawing on Martin Heidegger's account of world disclosure and Alain Badiou's phenomenology of worlds this book posits world politics as a practice of the affirmation of universal axioms across an infinite plurality of limited and particular situations or worlds Prozorov reinterprets the familiar principles of community equality and freedom in ontological terms as attributes of

pure being subtracted from all positive determinations and presents them as axioms of universalist politics valid in any world whatsoever This approach to world politics serves as the groundwork for a comprehensive reconsideration of the central themes of political and international relations theory Systematic and accessible these works will be key reading for all students and scholars of political science and international relations

The Politics of International Migration

Management M. Geiger,A. Pécoud,2010-10-13 Throughout the world governments and intergovernmental organizations such as the International Organization for Migration are developing new approaches aimed at renewing migration policy making This book now in paperback critically analyzes the actors discourses and practices of migration management

Competition Law in Times of Crisis Conor Talbot,2018-12-11 This book examines the role and utility of competition law within the EU s legislative and regulatory dialogue using its response to crisis conditions as a test of its aims and abilities As such its main conclusion is that competition policy acts as a forum for debate as to the direction of the European integration project while competition law can serve as a tool for aiding in the implementation of broader policy objectives The analysis here explores the role of the general economic context in the application of competition law the existence of identifiable baselines applicable in crisis conditions the ability and role of national competition authorities in applying competition law and the ways in which the European Commission s overarching policy goals can influence the application of competition law The decision to take an empirical approach to this research project stems from a conviction that an investigation into the real world situations faced by firms and consumers should underpin the evaluation of the applicable legal rules Over the past number of years the Commission has exerted more and more influence over the development of the regional and global airline industry and this book identifies the emergence of an apparent overarching aim on the part of the Commission to create a market with a handful of ultra competitive airlines with international reach serviced by an array of smaller feeder airlines on a regional basis The study of Irish beef processing on the other hand identifies a high level of government involvement in providing the strategic thinking behind a crisis cartel scheme and then demonstrates how the economic context exerted considerably more pressure on the government and the national court than on the competition authorities involved

The EU Presence in International Organizations Spyros Blavoukos,Dimitris Bourantonis,2010-10-04 This study provides a comprehensive discussion of all aspects of the European Union presence in International Organisations IOs The editors seek to explore both the political and institutional implications of the EU s interaction with IOs and the effect of the EU s presence on the functioning of the respective IOs The result of an international workshop with an outstanding line up of experts the book discusses a range of issues including The Impact of the EU security contributions to IO s such as the OSCE NATO and the UN and the EU s role in decision making The role of EU US relations in the development of major International Organisations Participation in the Doha Development agenda and the EU s relationship with the WTO The issues of leadership and coherence within and outside the EU The growing international relationship with the African Union

and the more troubled supporting role of the Commonwealth Approaching the EU's international interactions from different theoretical and analytical angles this work clearly discusses the broad spectrum of issues that surround the evolution and future of the European Union in an international context **Beyond Liberal Peacebuilding** Elisa Randazzo, 2017-06-14 This book examines the logic behind the shifts and paradigm changes within the scholarship on peacebuilding In particular the book is concerned with examining if and how these shifts have significantly altered how we think about peacebuilding beyond the liberal peacebuilding paradigm To do so the book engages with the logic of critique that has led to the emergence of different theoretical approaches to peacebuilding from hands on institutionalisation to the local turn It uses the case of Kosovo to understand how a lessons learnt approach facilitated the shift towards more invasive and intrusive forms of peacebuilding first However it is also crucial to understanding the recent local turn as the rise of local ownership discourses in Kosovo is fundamentally tied to the critiques of extensive international missions and the associated resistance and marginalisation of local agency The book examines the implications of the framing of everyday agency in order to assess the extent to which these bottom up approaches have been able to by pass the problems attributed to the liberal peace approach It argues that despite its critical and radical intentions the local turn retains certain foundational modernist and positivist qualities that have so far characterised the very mainstream approaches these critiques claim to transcend This book will be of much interest to students of peacebuilding statebuilding peace and conflict studies security studies and International Relations in general **Post-socialism is Not Dead** Iveta Silova, 2010-12-13 This volume will provide a comparative account of the meanings and processes of post socialist transformations in education by exploring recent theories concepts and debates on post socialism and globalization in national regional and international contexts **European Union Peacebuilding and Policing** Michael Merlingen, Rasa Ostrauskaite, 2006-09-27 Introduction Power and governmentality The EU's peace support agenda the development of ESDP policy machinery capabilities and styles of thought The EUPM in Bosnia EuPol proxima in Macedonia Power knowledge in ESDP police aid Towards peacebuilding lite a limited reform agenda for ESDP police missions Conclusion The SAGE Handbook of European Studies Chris Rumford, 2009-06-18 This volume brings together some of the biggest names in European Studies to analyse the most important trajectories of Europe's development and the challenges faced by the continent today No one interested in Europe will be able to ignore this extraordinary collection of scholarship Professor Thomas Diez University of Birmingham In its range and comprehensiveness it will be hard to beat and it will certainly become an invaluable resource for sociologists political scientists historians and all others seeking the best information and most up to the date approaches to the study of Europe today Professor Krishan Kumar University of Virginia An impressive account of the state of the art of the study of contemporary Europe This is an outstanding work and a definite companion to all those interested in contemporary Europe Journal of Contemporary European Studies Europe is one of the world's oldest civilizations But what does it mean to be European today What place

does Europe have in global affairs How should we analyze its key institutions system of governance and broader cultural social and political dynamics This exhaustive and timely handbook Explores the transformations that characterize contemporary Europe Investigates how we can best study Europe Consolidates European studies and provides a platform for future study Increases the profile of European studies The Handbook promotes the increasing diversity of perspectives employed in the study of contemporary Europe and EU integration and is situated within the context of Europe s transformations It offers balanced coverage of political social economic cultural and institutional dimensions of Europe and includes chapters by leading authorities including Ulrich Beck Craig Calhoun Donatella della Porta Claus Offe Anssi Paasi Ben Rosamond Gurinder Bhambra and Charles Tilly Multidisciplinary in organization inclusive in coverage and cutting edge in scope The SAGE Handbook of European Studies is a landmark resource for anyone interested in Europe

Emerging Systems of Work and Welfare Pertti Koistinen, 2009 In order to examine what kind of policies can produce a positive relationship between social justice and economic efficiency this book emphasises the need for a holistic approach which includes not only labour recognised by the market but also informal labour

The Politics of European Union Enlargement Frank Schimmelfennig, Ulrich Sedelmeier, 2005-11-16 This is a key reference text presenting the latest first rate approaches to the study of European enlargement Developed and significantly expanded from a special issue of the leading Journal of European Public Policy this new volume draws on the insights from the recently emerging theoretically informed literature on the EU s eastern enlargement and complements these studies with original articles that combine a theoretical approach with comparative analyses These expert contributors focus on the broader theoretical debates and their implications for the enlargement of the EU as well as placing the enlargement of the EU within the broader context of the expansion of international organisations and the study of institutions in international relations

The Securitisation of Climate Change and the Governmentalisation of Security Franziskus von Lucke, 2020-10-01 This book provides an in depth analysis of the securitisation of climate change in the US Germany and Mexico and offers a rethinking of securitisation theory Resting on a Foucauldian governmentality approach it discusses how different climate security discourses have transformed the political handling of climate change and affected policies practices and institutions Going beyond the literature s predominant focus on the global level it gives a fine grained examination of the political and institutional changes in different national contexts Drawing on the governmentalisation of security the book develops a new understanding of securitisation that focuses on the role of power In doing so it provides new insights into the transformative potential of linking climate change to security but also highlights the political and normative pitfalls of securitisation In this important book Franziskus von Lucke provides a theoretically sophisticated and empirically rich account of the relationship between security and climate change Developing a Foucauldian inspired account of securitization the book rejects blanket or universal claims about the climate change security relationship instead insisting on the need to critically examine how the securitization of

climate change plays out in particular empirical contexts Exploring the cases of the US Germany and Mexico von Lucke points to distinctive dynamics of securitization in these settings with different implications for the practices these in turn encourage Ultimately this book constitutes an important addition to literature on the relationship between climate change and security while developing a distinct and nuanced account of securitization that will be of interest to a wide range of scholars of security in international relations Associate Professor Matt McDonald is a Reader in International Relations at the University of Queensland Australia In 2019 a number of states and other actors notably the European Union have made climate emergency declarations It is therefore more important than ever to understand what the securitization of the climate means That is Who can securitize What security measures are likely deemed legitimate by relevant audiences How does securitization affect the population within and outside a securitizing state And perhaps most importantly of all will it succeed Franziskus von Lucke s carefully researched book offers answers to all of these questions and many others besides von Lucke proceeds by examining with the US Mexico and Germany three real life empirical cases of climate securitization Each one provides unique insights that enable a fuller understanding of climate security Accessibly written this is a must read for scholars and practitioners alike Dr Rita Floyd University of Birmingham UK author of *The Morality of Security A theory of just Securitization* CUP 2019 With great empirical detail and conceptual clarity the book compares discourses and practices of climate security in different contexts An essential reading for anyone interested in international climate politics securitization theory governmentality and the notion of power in International Relations Dr Delf Rothe Institute for Peace Research and Security Policy Hamburg at the University of Hamburg Germany

Governing Europe Discourse Governmentality And European Integration Routledge Advances In European Politics Introduction

In the digital age, access to information has become easier than ever before. The ability to download Governing Europe Discourse Governmentality And European Integration Routledge Advances In European Politics has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Governing Europe Discourse Governmentality And European Integration Routledge Advances In European Politics has opened up a world of possibilities. Downloading Governing Europe Discourse Governmentality And European Integration Routledge Advances In European Politics provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Governing Europe Discourse Governmentality And European Integration Routledge Advances In European Politics has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Governing Europe Discourse Governmentality And European Integration Routledge Advances In European Politics. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Governing Europe Discourse Governmentality And European Integration Routledge Advances In European Politics. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Governing Europe Discourse Governmentality And European Integration Routledge Advances In European Politics, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal

information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Governing Europe Discourse Governmentality And European Integration Routledge Advances In European Politics has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Governing Europe Discourse Governmentality And European Integration Routledge Advances In European Politics Books

What is a Governing Europe Discourse Governmentality And European Integration Routledge Advances In European Politics PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Governing Europe Discourse Governmentality And European Integration Routledge Advances In European Politics PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Governing Europe Discourse Governmentality And European Integration Routledge Advances In European Politics PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Governing Europe Discourse Governmentality And European Integration Routledge Advances In European Politics PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Governing Europe Discourse Governmentality And European Integration Routledge Advances In European Politics PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such

as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
