Specify Green

Specify Green, pictured right, is our resting colour; used only in situations where the brand palette (Logo) being used.

This elevates Specify Green from the rest of the palette, ensuring that it's not confused with other palette colours.

Do's

Specify Green should only ever sit on white, black, or a non-distorted photograph.

Specify Green will mostly exist in the app. If it ever appears in a brand communication, it should be the only brand colour in that communication.

Don'ts

Specify Green should *never* be used as or with a colour from the brand palette, or a distorted image.

If, for example, you have the Logo in the Specify Green and you wish to use a distorted photo, simply change the Logo colour to one of the brand palette colours.
