Religion and Identity in the Post-9/11 Vampire Christina Wilkins, 2018-04-03 This book offers a unique argument for the emergence of a post 9 11 vampire that showcases changing perspectives on identity and religion in American culture offering a look at how cultural narratives can be used to work through trauma Cultural narratives have long played a valuable role in mediating difficult and politically sensitive topics Christina Wilkins addresses how the figure of the vampire is used in modern narratives and how it has changed from previous incarnations particularly in American narratives The vampire has been a cultural staple for centuries but the current conception of the figure has been arguably Americanized with the rise of the modern American vampire coinciding with the aftermath of 9 11 Wilkins investigates changes evident in cultural representations and how they effectively mediate the altered approach to issues of trauma and identity By investing metaphorical tropes with cultural significance the book offers audiences the opportunity to consider new perspectives and prompt important discussions while also illuminating changes in societal attitudes

The Unintentional Interim Jeffrey A. Nelson, 2025-07-01 In the rapidly changing modern church every minister is an interim Few pastors begin their ministry in a congregation believing it will be a short term or transitional partnership Yet in a rapidly changing church environment every minister is an unintentional interim From author and judicatory leader for ministerial transitions Jeffrey A Nelson comes a thoughtful engagement on modern ministry in the modern church With discernment and support ministers can be intentional throughout their pastorate no matter how long or short their tenure may last
