Anderson, 2008-10-07 The choicest noir neo noir science fiction horror westerns midnight movies and more from critics like David Ansen Jami Bernard Roger Ebert Carrie Rickey Richard Schickel and Kenneth Turan      *Tough Ain't Enough* Lester D. Friedman, David Desser, 2018-06-29 No detailed description available for *Tough Ain't Enough*      **Rock 'n' Roll Movies** David Sterritt, 2017-12-18 *Rock n Roll Movies* presents an eclectic look at the many manifestations of rock in motion pictures from teen oriented B movies to Hollywood blockbusters to avant garde meditations to reverent biopics to animated shorts to performance documentaries Acclaimed film critic David Sterritt considers the diverse ways that filmmakers have regarded rock n roll some cynically cashing in on its popularity and others responding to the music as sincere fans some depicting rock as harmless fun and others representing it as an open challenge to mainstream norms      **The Wiley-Blackwell History of American Film, 4 Volume Set** Cynthia Lucia, Roy Grundmann, Art Simon, 2011-12-12 Comprising over 90 essays and richly illustrated with over 200 images the Wiley Blackwell History of American Film provides a chronological portrait of American film history from its origins to the present day Taken as a whole the essays in this collection represent a comprehensive and nuanced overview of American film history from the intersecting perspectives of industry audiences aesthetics culture politics issues and ideology Unabashedly ambitious deeply historical and unprecedented in its multi faceted examination of film history this collection offers you Over 90 original essays written by an international cast of film scholars Discussions of the industrial and institutional components of film history including multiple modes of production distribution and marketing Investigations into

the political social and economic factors that informed industry change and framed the reception of films Engaging close readings and in depth analysis of canonical and non canonical films Profiles of essential industry figures major directors stars and producers along with important figures outside the industrial mainstream An exploration of the history of film criticism and culture and central issues in American film historiography The most authoritative collection of fresh investigations available in one state of the art resource Selected by Choice as a 2013 Outstanding Academic Title *The Philosophy of Steven Soderbergh* R. Barton Palmer, Steven M. Sanders, 2011-01-28 Provocative insightful and instructive analysis of the cinematic and philosophical significance of Steven Soderbergh's work Jason Holt editor of The Daily Show and Philosophy Moments of Zen in the Art of Fake News Widely regarded as a turning point in American independent cinema Steven Soderbergh's sex lies and videotape launched the career of its twenty six year old director whose debut film was nominated for an Academy Award and went on to win the Cannes Film Festival's top award the Palme d'Or The Philosophy of Steven Soderbergh breaks new ground by investigating salient philosophical themes through the unique story lines and innovative approaches to filmmaking that distinguish this celebrated artist Editors R Barton Palmer and Steven M Sanders have brought together leading scholars in philosophy and film studies for the first systematic analysis of Soderbergh's entire body of work offering the first in depth exploration of the philosophical ideas that form the basis of the work of one of the most commercially successful and consistently inventive filmmakers of our time *The Complete History of American Film Criticism* Jerry Roberts, 2010-02-19 The Complete History of American Film Criticism is a chronicle of the lives and work of the most influential film critics of the past 100 years From the first movie review in the New York Times in 1896 through the Silent Era the pre and postwar years the Film Generation of the 1960s the Golden Age of the 1970s and into the 21st century critics have educated generations of discriminating moviegoers on the differences between good films and bad They call attention to great directors cinematographers production designers screenwriters and actors and shed light on their artistic visions and storytelling sensibilities People interested in what the great film critics had to say have usually been shortchanged as to their backgrounds and just why they are qualified to sit in judgment Using mini biographies placed within a chronological framework The Complete History of American Film Criticism is the biography of a profession whose cultural impact has left an indelible mark on the 20th century's most significant art form **Hollywood's Chosen People** Daniel Bernardi, 2012-09-17 As studio bosses directors and actors Jews have been heavily involved in film history and vitally involved in all aspects of film production Yet Jewish characters have been represented onscreen in stereotypical and disturbing ways while Jews have also helped to produce some of the most troubling stereotypes of people of color in Hollywood film history In Hollywood's Chosen People The Jewish Experience in American Cinema leading scholars consider the complex relationship between Jews and the film industry as Jews have helped to construct Hollywood's vision of the American dream and American collective identity and have in turn been shaped by those representations Editors Daniel Bernardi Murray Pomerance and

Hava Tirosh Samuelson introduce the volume with an overview of the history of Jews in American popular culture and the American film industry Multidisciplinary contributors go on to discuss topics such as early Jewish films and directors institutionalized anti-Semitism Jewish identity and gossip culture and issues of Jewish performance on film Contributors draw on a diverse sampling of films from representations of the Holocaust on film to screen comedy filmmakers and writers including David Mamet George Cukor Sidney Lumet Edward Sloman and Steven Spielberg and stars like Barbra Streisand Adam Sandler and Ben Stiller The Jewish experience in American cinema reveals much about the degree to which Jews have been integrated into and contribute to the making of American popular film culture Scholars of Jewish studies film studies American history and American culture as well as anyone interested in film history will find this volume fascinating reading

The Cinema of Clint Eastwood David Sterritt, 2014-11-25 He became a movie star playing The Man With No Name and today his name is known around the world Measured by longevity productivity and profits Clint Eastwood is the most successful actor director producer in American film history This book examines the major elements of his career focusing primarily on his work as a director but also exploring the evolution of his acting style his long association with screen violence his interest in jazz and the political views sometimes hotly controversial reflected in his films and public statements Especially fascinating is the pivotal question that divides critics and moviegoers to this day is Eastwood a capable director with a photogenic face a modest acting talent and a flair for marketing his image Or is he a true cinematic auteur with a distinctive vision of America's history traditions and values From A Fistful of Dollars and Dirty Harry to Million Dollar Baby and beyond The Cinema of Clint Eastwood takes a close up look at one of the screen's most influential and charismatic stars

**Cinema and Modernity** Murray Pomerance, 2006 In Cinema and Modernity Murray Pomerance brings together new essays by seventeen leading scholars to explore the complexity of the essential connection between film and modernity Among the many films considered are Detour Shock Corridor The Last Laugh and Experiment in Terror The Last Laugh Murray Pomerance, 2013-05-15 For scholars of film and readers who love cinema these essays will be rich and playful inspiration Mourning Films Richard Armstrong, 2012-09-13 The first in depth study of its subject this book seeks to account for a type of modernist film that revolves around bereavement Identifying the roots of the genre in classical melodrama and horror cinema and tracing perennial themes and aesthetic devices through to the European and American intellectual melodramas of the postwar decades the book provides a taxonomy of characteristics In the course of detailed case studies the book deploys the film theory of Gilles Deleuze and Daniel Frampton while making use of Freudian psychoanalysis and present day grief counseling theory In making its case for the new genre the book reflects upon the ways in which the very notion of genre has in the post classical period responded to changing exhibition patterns the rise of domestic spectatorship and the proliferation of Web based film literature Acting Claudia Springer, Julie Levinson, 2015-08-18 Screen performances entertain and delight us but we rarely stop to consider actors reliance on their

craft to create memorable characters Although film acting may appear effortless a host of techniques artistic conventions and social factors shape the construction of each role The chapters in Acting provide a fascinating in depth look at the history of film acting from its inception in 1895 when spectators thrilled at the sight of vaudeville performers Wild West stars and athletes captured in motion to the present when audiences marvel at the seamless blend of human actors with CGI Experts in the field take readers behind the silver screen to learn about the craft of film acting in six eras the silent screen 1895 1928 classical Hollywood 1928 1946 postwar Hollywood 1947 1967 the auteur renaissance 1968 1980 the New Hollywood 1981 1999 and the modern entertainment marketplace 2000 present The contributors pay special attention to definitive performances by notable film stars including Lillian Gish Dick Powell Ginger Rogers Beulah Bondi Marilyn Monroe Marlon Brando Jack Nicholson Robert De Niro Nicholas Cage Denzel Washington and Andy Serkis In six original essays the contributors to this volume illuminate the dynamic role of acting in the creation and evolving practices of the American film industry Acting is a volume in the Behind the Silver Screen series other titles in the series include Animation Art Direction and Production Design Cinematography Costume Makeup and Hair Directing Editing and Special Visual Effects Producing Screenwriting and Sound

**A Little Solitaire** Murray Pomerance, R. Barton Palmer, 2011 Think about some commercially successful film masterpieces The Manchurian Candidate Seven Days in May Seconds Then consider some lesser known yet equally compelling cinematic achievements The Fixer The Gypsy Moths Path to War These triumphs are the work of the best known and most highly regarded Hollywood director to emerge from live TV drama in the 1950s five time Emmy award winner John Frankenheimer Although Frankenheimer was a pioneer in the genre of political thrillers who embraced the antimodernist critique of contemporary society some of his later films did not receive the attention they deserved Many claimed that at a midpoint in his career he had lost his touch World renowned film scholars put this myth to rest in A Little Solitaire which offers the only multidisciplinary critical account of Frankenheimer's oeuvre Especially emphasized is his deep and passionate engagement with national politics and the irrepressible need of human beings to assert their rights and individuality in the face of organizations that would reduce them to silence and anonymity

**Crowds, Power, and Transformation in Cinema** Lesley Brill, 2006-01-09 A noted critic brings crowd theory to Film Studies offering a bold new analysis of the pervasive cinematic themes of transformation and power From Intolerance to The Silence of the Lambs motion pictures show crowds and power in complex usually antagonistic relationships Key to understanding this opposition is an intrinsic capability of the cinema transformation Making unprecedented use of Elias Canetti's Crowds and Power Lesley Brill explores crowds power and transformation throughout film history The formation of crowds together with crowd symbols and representations of power create complex unifying structures in two early masterpieces The Battleship Potemkin and Intolerance In Throne of Blood power seekers become increasingly isolated while the crowd of the dead seduces and overwhelms the living The conflict between crowds and power in Citizen Kane takes place both within the protagonist and

between him and the people he tries to master North by Northwest Killer of Sheep and The Silence of the Lambs are rich in hunting and predation and show the crowd as a pack transformation true false and failed is the key to both attack and escape Brill's study provides original insights into canonical movies and shows anew the central importance of transformation in film Film theorists critics and historians will value this fresh and intriguing approach to film classics which also has much to say about cinema itself and its unique relationship to mass audiences *After Kubrick* Jeremi Szaniawski, 2020-02-20 Taking at its starting point the idea that Kubrick's cinema has constituted an intellectual cerebral and philosophical maze in which many filmmakers as well as thinkers and a substantial fringe of the general public have gotten lost at one point or another this collection looks at the legacy of Kubrick's films in the 21st century The main avenues investigated are as follows a look at Kubrick's influence on his most illustrious followers Paul Thomas Anderson the Coen Brothers Christopher Nolan Ridley Scott and Lars von Trier to name a few Kubrick in critical reception Kubrick in stylistic camera movements set designs music thematic artificial intelligence new frontiers large and small aesthetic the question of genre pastiche stereoscopy and political terms paranoia democracy and secret societies conspiracy theories The contributions coalesce around the concept of a Kubrickian substrate rich and complex which permeates our Western cultural landscape very much to this day informing and sometimes announcing reflecting it in twisted ways 21 years after the director's death Screen Writings Bert Cardullo, 2010-03-01 Screen Writings Genres Classics and Aesthetics offers close readings of genre films and acknowledged film classics in an attempt to explore both the aesthetics of genre and the definition of classic as well as the changing perception of so called classic movies over time Implicitly theoretical as much as it is unashamedly practical this book is a model not only of film analysis but also of the enlightened deployment of cultural studies in the service of cinema study
