The Freedom Shield John D. Falcon, 2020-04-19 A Vietnam War helicopter pilot shares arresting accounts of flying troops into hot LZs and medevacking the wounded under fire. The *Freedom Shield* brings together stories of veterans of the 191st Assault Helicopter Company who were tasked with carrying troops into battle, attacking enemy positions and evacuating the wounded in their UH-1 Iroquois Huey helicopters. The unit was assembled from a hodgepodge of hand-me-down aircraft, used equipment and overlooked personnel; its appearance belied the invaluable work the crews of the 191st would undertake during the Vietnam War. This narrative of the Company, told through collected stories of veterans, defines a breed of soldier newly minted in Vietnam: the combat assault helicopter crewman. The 191st pilots, crews and support personnel vividly share the details of what it was like to be at war and forced to rely on your fellow crewmembers for your own survival. Their accounts of helicopter combat at the height of the Vietnam conflict accurately recreate the sights and sounds of the battlefields, the fear and horror of watching close friends torn to pieces and their feelings on returning to base. Their message is infinitely clear: The price of freedom is painful. Praise for *The Freedom Shield*: The story of the 191st Assault Helicopter Company's combat actions in Vietnam is one of heroism and dedication to duty. It is a vivid picture of young American soldiers full of P and V and the want to be needed to get the job done, with bullets flying in all directions. An adrenaline rush is the order of the day. Read this book to gain new respect and admiration for the Vietnam era veterans who fought in this unpopular war; they were truly magnificent. Brigadier General John C. Doc Bahnsen, author of *American Warrior: A Combat Memoir of Vietnam*. An amazing story of perseverance and will. The author accurately chronicles how the 191st Assault Helicopter Company was assembled during the haste of the Vietnam buildup with secondhand equipment and filler personnel to become a crown jewel among aviation units in battle. A true testament of American mettle that we all still admire and envy. Col. Alan B. Renshaw.

Warrior Two Six James P. Miller, James E. Miller, 2020-10-15 A Vietnam helicopter pilot's story. James E. Miller, Chief Warrant Officer CW2, Aircraft Commander of Warrior Two Six and recipient of the Army Commendation Medal and Distinguished Flying Cross, takes you through his experiences from basic training to the dangerous skies of Vietnam. This story is enhanced with comments from his crew chief Don Johnson and gunner Steve Zanini. While other crews were rotating daily, the crew of Warrior Two Six stayed together for eight of their 12-month tour of duty. Forty-two years later, they had the chance of a lifetime to fly a completely restored Warrior 11, part of the same 336th Assault Helicopter Company they served with in Soc Trang.

US Helicopter Pilot in Vietnam Gordon L. Rottman, 2011-09-20 The helicopter changed war forever. This book examines the range of duties helicopter pilots carried out in Vietnam, from air lift, med evac and fire support to landing in high volume crossfires in hot LZs. Protected by little more than an armoured seat, operating in terrible conditions and flying long hours, these brave men led hard, dangerous lives and casualties were high. Following these pilots from initial deployment through to the deadly thrill of combat in a war zone, Vietnam veteran Gordon L. Rottman's book is a crucial examination of the pilots who

fought so valiantly for their country Often unmoved by the politics of the war conflicts at home and other social issues the Vietnam helicopter pilots just wanted to fly As the saying went who needs drugs I m already high **96 Tears** C S Duncan,2025-07-25 In the skies over Vietnam a gunship known as 96 Tears lived and fought to tell its tale Born in the shadow of the scrapped AH 56 Cheyenne once poised to redefine combat aviation but ultimately falling short this is the powerful memoir of an attack helicopter called to duty as the Vietnam War raged From the remnants of a broken program an AH 1G Cobra dubbed 96 Tears took on the daunting task of flying urgent helicopter missions over dense jungles The result is an evocative and unforgettable account of combat and service *Blue Max* N.
