Gustav Klimt, 1862-1918 Gottfried Fliedl, Gustav Klimt, 1997 Fliedl's introduction to the life and work of one of the leading artistic personalities of the turn of the century has become a standard work on Klimt **Gustav Klimt** Gustav Klimt, 1974

Gustav Klimt - the Complete Paintings, 2024 Gustav Klimt Gustav Klimt, Max Eisler, 1921 **Gustav Klimt** Gustav Klimt, Colin B. Bailey, John Collins, 2001-09 The National Gallery of Canada in Ottawa organized this exhibition of Klimt's paintings and drawings for which this substantial and oversize 10 25x12 25 volume is the catalog The artist's devotion to the female form is evident as one would expect but there are also portraits and landscapes The essays situate Klimt within the artistic milieu of Vienna with regard to the French Impressionists and modern art in terms of the applied arts and describe the art world's reception of Klimt in his own time c Book News Inc *Gustav Klimt* Eva Di Stefano, 2008 A well illustrated collection of Gustav Klimt's work including text on the artist's life **Gustav Klimt** Jane Rogoyska, Patrick Bade, 2012-01-17 I am not interested in myself as a subject for painting but in others particularly women Beautiful sensuous and above all erotic Gustav Klimt's paintings speak of a world of opulence and leisure which seems aeons away from the harsh post modern environment we live in now The subjects he treats allegories portraits landscapes and erotic figures contain virtually no reference to external events but strive rather to create a world where beauty above everything else is dominant His use of colour and pattern was profoundly influenced by the art of Japan ancient Egypt and Byzantium Ravenna the flat two dimensional perspective of his paintings and the frequently stylised quality of his images form an oeuvre imbued with a profound sensuality and one where the figure of woman above all reigns supreme Klimt's very first works brought him success at an unusually young age Gustav born in 1862 obtained a state grant to study at Kunstgewerbeschule the Vienna School of Arts and Crafts at the age of fourteen His talents as a draughtsman and painter were quickly noticed and in 1879 he formed the Künstlercompagnie Artists Company with his brother Ernst and another student Franz Matsch The latter part of the nineteenth century was a period of great architectural activity in Vienna In 1857 the Emperor Franz Joseph had ordered the destruction of the fortifications that had surrounded the medieval city centre The Ringstrasse was the result a budding new district with magnificent buildings and beautiful parks all paid for by public expenses Therefore the young Klimt and his partners had ample opportunities to show off their talents and they received early commissions to contribute to the decorations for the pageant organised to celebrate the silver wedding anniversary of the Emperor Franz Joseph and the Empress Elisabeth In 1894 Matsch moved out of their communal studio and in 1897 Klimt together with his closest friends resigned from the Künstlerhausgenossenschaft the Cooperative Society of Austrian Artists to form a new movement known as the Secession of which he was immediately elected president The Secession was a great success holding both a first and second exhibition in 1898 The movement made enough money to commission its very own building designed for it by the architect Joseph Maria Olbrich Above the entrance was its motto To each age its art to art its freedom From around 1897

onward Klimt spent almost every summer on the Attersee with the Flöge family. These were periods of peace and tranquillity in which he produced the landscape paintings constituting almost a quarter of his entire oeuvre. Klimt made sketches for virtually everything he did. Sometimes there were over a hundred drawings for one painting, each showing a different detail: a piece of clothing or jewellery or a simple gesture. Just how exceptional Gustav Klimt was is perhaps reflected in the fact that he had no predecessors and no real followers. He admired Rodin and Whistler without slavishly copying them and was admired in turn by the younger Viennese painters Egon Schiele and Oskar Kokoschka, both of whom were greatly influenced by Klimt.

Gustav Klimt Christian M. Nebehay, 1994-07-22 Explores the turn of the century Viennese painter's life and work, highlights the utopian Secession movement of which Klimt was a leader and reproduces the artist's paintings, sketches and correspondence.

Gustav Klimt Dani Cavallaro, 2017-12-19 Austrian symbolist painter Gustav Klimt 1862-1918 expressed in his work a fascination with the liminal worlds that underpin his figures and landscapes. His art echoes different styles and traditions yet he has no obvious predecessors or disciples. Offering a critical reappraisal of Klimt, the author explores the threshold universe depicted in a wide range of works from all phases of his prolific career, complemented with references to his correspondence.

Klimt Book, 2012

Gustav Klimt Marian Bisanz-Prakken, Gustav Klimt, Klaus Albrecht Schröder, 2012 The phenomenal draftsman Gustav Klimt occupies a unique place in modern art. His extant oeuvre comprises some 250 paintings and more than 4 000 works on paper. The study of the human figure, above all female, lies at the heart of the artist's activity as a draftsman, which he practiced assiduously. Through his study of the poses and gestures of his models, Klimt repeatedly examined the essence of particular psychological and existential states of being. In his constant quest for the ideal solution, Klimt often went beyond the preparation of his paintings, which particularly after 1900 were dominated by the themes of Eros, Love, Life and Death. His art cannot be understood without carefully considering the drawings, which are characterized by an unsurpassed mastery of line in all the phases of his artistic development, from Historicism through Stilkunst around 1900, the Golden Period and up to his freer late work. This lavishly illustrated publication accompanies the exhibition organized by the Albertina Museum in Vienna, March 13 to June 10, 2012, and the J. Paul Getty Museum in Los Angeles, July 3 to September 23, 2012, to mark the 150th anniversary of Gustav Klimt's birth. In both venues, the emphasis will be placed on showing not only the variety of his draftsmanship but also the centrality of drawing to Klimt's artistic enterprise. Most of the works on display will come from the Albertina's outstanding collection, one of the most extensive and representative groups of Klimt drawings in the world, complemented by select Austrian and international loans.

Gustav Klimt Jane Rogoyska, Patrick Bade, 2011-07-01 I am not interested in myself as a subject for painting but in others, particularly women. Beautiful, sensuous and above all erotic, Gustav Klimt's paintings speak of a world of opulence and leisure which seems aeons away from the harsh post-modern environment we live in now. The subjects he treats: allegories, portraits, landscapes and erotic figures, contain virtually no reference to external events but strive rather to create a world where

beauty above everything else is dominant His use of colour and pattern was profoundly influenced by the art of Japan ancient Egypt and Byzantium Ravenna the flat two dimensional perspective of his paintings and the frequently stylised quality of his images form an oeuvre imbued with a profound sensuality and one where the figure of woman above all reigns supreme Klimt's very first works brought him success at an unusually young age Gustav born in 1862 obtained a state grant to study at Kunstgewerbeschule the Vienna School of Arts and Crafts at the age of fourteen His talents as a draughtsman and painter were quickly noticed and in 1879 he formed the Künstlercompagnie Artists Company with his brother Ernst and another student Franz Matsch The latter part of the nineteenth century was a period of great architectural activity in Vienna In 1857 the Emperor Franz Joseph had ordered the destruction of the fortifications that had surrounded the medieval city centre The Ringstrasse was the result a budding new district with magnificent buildings and beautiful parks all paid for by public expenses Therefore the young Klimt and his partners had ample opportunities to show off their talents and they received early commissions to contribute to the decorations for the pageant organised to celebrate the silver wedding anniversary of the Emperor Franz Joseph and the Empress Elisabeth In 1894 Matsch moved out of their communal studio and in 1897 Klimt together with his closest friends resigned from the Künstlerhausgenossenschaft the Cooperative Society of Austrian Artists to form a new movement known as the Secession of which he was immediately elected president The Secession was a great success holding both a first and second exhibition in 1898 The movement made enough money to commission its very own building designed for it by the architect Joseph Maria Olbrich Above the entrance was its motto To each age its art to art its freedom From around 1897 onward Klimt spent almost every summer on the Attersee with the Flöge family These were periods of peace and tranquillity in which he produced the landscape paintings constituting almost a quarter of his entire oeuvre Klimt made sketches for virtually everything he did Sometimes there were over a hundred drawings for one painting each showing a different detail a piece of clothing or jewellery or a simple gesture Just how exceptional Gustav Klimt was is perhaps reflected in the fact that he had no predecessors and no real followers He admired Rodin and Whistler without slavishly copying them and was admired in turn by the younger Viennese painters Egon Schiele and Oskar Kokoschka both of whom were greatly influenced by Klimt

Gustav Klimt Gustav Klimt, 2001 Includes 31 of the artist's most famous works in the unique quadrifolio format

Gustav Klimt Gustav Klimt, Christian Huemer, 2006 Now in flexi cover this visually stunning collection of Klimt's landscape paintings brings to light a lesser known aspect of the Viennese painter's oeuvre While Klimt is largely revered for his opulent symbol laden portraits of the Viennese bourgeoisie these works were just one aspect of his artistic expression His landscapes represent an important facet of his career and are a valuable contribution to the school of European nature painting For many years the artist travelled to the Austrian and Italian countryside during the summer where he took advantage of the extraordinary light and spectacular hues to paint and sketch landscapes Among the most exquisite of Klimt's landscapes are those in which he experimented with composition and style Accompanied by

scholarly essays the images reproduced in this book comprise all extant landscapes from this brilliant artist proving that his mastery extends beyond portraiture and revealing themes that appeared throughout his life s work **Gustav Klimt** Gustav Klimt,2009 *Gustav Klimt* Kunsthistorisches Museum Wien,Gustav Klimt,Beatrix Kriller-Erdrich,Guido Messling,Ina Slama,2014 **Gustav Klimt** Gustav Klimt,1992 **Gustav Klimt** Edmund Swinglehurst,Gustav Klimt,2002 *Gustav Klimt* Susanna Partsch,1994 This sumptuously illustrated volume presents Gustav Klimt s most important paintings In particular the author examines the role of fashion designer Emilie Floge and her impact on his imagery *Gustav Klimt* Susanna Partsch,2006 In Vienna at the end of the 19th century there was a surge of unprecedented artistic and intellectual creativity Gustav Klimt was one of the foremost figures in the period and his work has come to epitomise its style This book has 96 color plates and 35 drawings in black and white and pays tribute to the Austrian painter who died in 1918 when all Vienna mourned his death
