Invictus Dr. Samuel White III,2021-02-18 INVICTUS will develop your relationship with God and inform you how faith hope peace love grace and joy can strengthen your soul to overcome the coronavirus The coronavirus has fostered death and destruction throughout the world It has brought about mass misery poverty destabilization of the world economy collapse of healthcare disruption of social educational recreational and religious life however its greatest damage is on the soul The social isolation financial hardship limitations to our freedom loneliness frustration complicated grief existential emptiness nihilism hopelessness frustration anger sadness despair and deep sense of loss associated with the coronavirus has taken a toll on the soul Consequently many have lost faith in God hope for the future love for humanity grace for change peace of mind and joy for life How do we handle this major threat to our soul We use a mask to cover our mouth and nose but what do we use to cover the soul from the spiritual toxicity of the coronavirus How do we guard our soul from the spiritual emotional and psychological damaging impact of the coronavirus Fortunately God has blessed humanity with spiritual values and biblical principles that will safeguard us from COVID 19s spiritual toxicity Practicing virtues of faith hope love peace grace and joy will protect the soul and empower us to become more than conquerors Romans 8 37 NRSV We are Invictus unconquerable when we trust God and apply Gods values to our lives Hope for the Brokenhearted Dr. John Luke

Terveen,2013-03-17 This book grew out of Dr John Luke Terveen s own experience with grief and loss resulting from his fourteen year old daughter s death he scoured books looking for comfort but found the Bible itself to be his greatest source of hope comfort wise counsel and encouragement After reviewing more than 200 books on grief and loss he discovered that none investigated biblical passages discussing grief and loss He set out to fill the huge unmet need for a book that helps Christians embrace relevant Scriptures more fully and seriously in the midst of their mourning The biblical selections deal with the hard questions honest passions and divine hope that only one who has walked down the path of sorrow could write about Topics such as resurrection the second coming heaven the resurrection body doubt anger guilt and dashed dreams are covered with great care to minister to the hearts of those who are grieving **Lost Hope Canyon** Thomas H.

Kyeyune,2021-11-10 The only blessing that exceeds receiving is giving I am privileged to put this book into your hands as a

gift to you It is another way of emptying my vessel and filling your vessels with the blessings of wisdom that God has imparted in me for decades I am positioned to teach biblical counseling due to the following factors Apart from my academic credentials my illuminating years in ministry have been punctuated with series of counselings which is compulsory for effective pastoring Experience is the best teacher The better you look the more you see Much more hope you would be exposed to the ideas that inspiration generates to simulate your minds rather than to emotionally excite you This book is different from other success motivation books because it is based on solid biblical principles Everyone has a purpose in life and a unique talent to give to others I want to help you to discover your potential and stay unique but relevant to the community

Enduring the End Afton Zapata, 2012-07 No one grows up saying I think I ll get sick and spends the rest of their life trying to survive a constant battle between life and death Instead we grow up believing we re invincible We believe nothing bad could ever happen to us because we have hopes and dreams to fulfill There s never a good time to have poor health In 2002 my husband Juan contracted valley fever which disseminated into fungal meningitis causing irreparable scarring on his brain For nine years our time was primarily focused on my husband s illness and disability Our three children lived with the uncertainty of their father s mortality As a family we learned to live as if each day was the last but to have hope for the future We made memories and made plans There were times we didn t know if we could survive but as a family we found the strength in God to stay together We were blessed with many tender mercies from the Lord as we traveled what appeared to be an endless road We understood that even though our trials seemed long they were merely a short segment of mortality and that our lives will continue to exist beyond the grave Most importantly we learned that love heals all and serving one another is truly a blessing for ourselves As a married couple Juan and I witnessed countless miracles touch our lives as we exercised faith for enduring the end

Is It Me or My Meds? David A. Karp, 2007-10-30 By the millennium Americans were spending more than 12 billion dollars yearly on antidepressant medications Currently millions of people in the U S routinely use these pills Are these miracle drugs quickly curing depression Or is their popularity a sign that we now inappropriately redefine normal life problems as diseases Are they prescribed too often or too seldom How do they affect self images David Karp approaches these questions from the inside having suffered from clinical depression for most of his adult life In this book he explores the relationship between pills and personhood by listening to a group of experts who rarely get the chance to speak on the matter those who are taking the medications Their voices extracted from interviews Karp conducted color the pages with their experiences and reactions humor gratitude frustration hope and puzzlement Here the patients themselves articulate their impressions of what drugs do to them and for them They reflect on difficult issues such as the process of becoming committed to medication quandaries about personal authenticity and relations with family and friends The stories are honest and vivid from a distraught teenager who shuns antidepressants while regularly using street drugs to a woman who still yearns for a spiritual solution to depression even after telling intimates I m on Prozac and it s

Imagination David N. Stamos,2017-02-28 Explores the science and creative process behind Poe s cosmological treatise In 1848 almost a year and a half before Edgar Allan Poe died at the age of forty his book Eureka was published In it he weaved together his scientific speculations about the universe with his own literary theory theology and philosophy of science Although Poe himself considered it to be his magnum opus Eureka has mostly been overlooked or underappreciated sometimes even to the point of being thought an elaborate hoax Remarkably however in Eureka Poe anticipated at least nine major theories and developments in twentieth century science including the Big Bang theory multiverse theory and the solution to Olbers paradox In this book the first devoted specifically to Poe s science side David N Stamos a philosopher of science combines scientific background with analysis of Poe s life and work to highlight the creative and scientific achievements of this text He examines Poe s literary theory theology and intellectual development and then compares Poe s understanding of science with that of scientists and philosophers from his own time to the present Next Stamos pieces together and clarifies Poe s theory of scientific imagination which he then attempts to update and defend by providing numerous case studies of eureka moments in modern science and by seeking insights from comparative biography and psychology cognitive science neuroscience and evolution Edgar Allan Poe Eureka and Scientific Imagination is the most comprehensive treatment of Eureka that has yet been published It is staggeringly thorough in its analysis of Poe s book but it also shows how Poe s theories of cosmogony and cosmology ramify into his fiction and poetry especially the tales of ratiocination Stamos takes Eureka seriously and he does so with the empirical undergirding of vast amounts of scientific
