Hannibal Of Carthage:

History of Hannibal the Carthaginian Jacob Abbott,1899 **History of Hannibal the Carthaginian** Jacob Abbott,2023-03-08 Reprint of the original first published in 1872 The publishing house Anatiposi publishes historical books as reprints Due to their age these books may have missing pages or inferior quality Our aim is to preserve these books and make them available to the public so that they do not get lost Hannibal's Last Battle Brian Todd Carey,2007-10-18 At Zama in what is now Tunisia in 202 BC the armies of two empires clashed The Romans under Scipio Africanus won a bloody decisive victory over Hannibal s Carthaginians Scipio s victory signalled a shift in the balance of power in the ancient world Brian Todd Carey s compelling reconstruction of the battle and of the gruelling war that led up to it gives a fascinating insight into the Carthaginian and Roman methods of waging war And it offers a critical assessment of the contrasting qualities and leadership styles of Hannibal and Scipio the two most celebrated commanders of their age **Hannibal Barca** Captivating History,2019-09-17 One of the names most synonymous with brilliant military strategy is Hannibal He was the legendary Carthaginian general who marched elephants over the snowy Alps and took on Rome the growing power in Europe at the time He outsmarted the best strategists that Rome had to offer and twice sat in front of the gates of Rome with his army **Hannibal** Dexter Hoyos,2022-04-02 Hannibal s enduring reputation as a man and as a general is due to his enemies fascination with him The way his legend was shaped in the Greek and Roman consciousness is one of the book s main themes Under Hannibal s leadership Carthage came close to dominating the western Mediterranean his total victory would have changed the course of history That he was a brilliant general is unquestioned and his strategy and tactics have been studied as real life lessons in war even into the modern era Norman Schwartzkopf is a fan His political career is less appreciated and his achievements as civilian leader of Carthage in 196 5 BC have been virtually overlooked The issue of whether he might indeed have changed history had he postponed conflict with Rome and concentrated first on Carthage s own prosperity and safety is explored in this volume as vigorously as the military questions *Hannibal* Richard A. Gabriel,2011 The Romans destruction of Carthage after the Third Punic War erased any Carthaginian historical record of Hannibal s life What we know of him comes exclusively from Roman historians who had every interest in minimizing his success exaggerating his failures and disparaging his character The charges leveled against Hannibal include greed cruelty and atrocity sexual indulgence and even cannibalism But even these sources were forced to grudgingly admit to Hannibal s military genius if only to make their eventual victory over him appear greater Yet there is no doubt that Hannibal was the greatest Carthaginian general of the Second Punic War When he did not defeat them outright he fought to a standstill the best generals Rome produced and he sustained his army in the field for sixteen long years without mutiny or desertion Hannibal was a first rate tactician only a somewhat lesser strategist and the greatest enemy Rome ever faced When he at last met defeat at the hands of the Roman general Scipio it was against an experienced officer who had to strengthen and

reconfigure the Roman legion and invent mobile tactics in order to succeed Even so Scipio's victory at Zama was against an army that was a shadow of its former self The battle could easily have gone the other way If it had the history of the West would have been changed in ways that can only be imagined Richard A Gabriel's brilliant new biography shows how Hannibal's genius nearly unseated the Roman Empire *Pride of Carthage* David Anthony Durham,2006-01-03 This epic retelling of the legendary Carthaginian military leader's assault on the Roman empire begins in Ancient Spain where Hannibal Barca sets out with tens of thousands of soldiers and 30 elephants After conquering the Roman city of Saguntum Hannibal wages his campaign through the outposts of the empire shrewdly befriending peoples disillusioned by Rome and with dazzling tactics outwitting the opponents who believe the land route he has chosen is impossible Yet Hannibal's armies must take brutal losses as they pass through the Pyrenees mountains forge the Rhone river and make a winter crossing of the Alps before descending to the great tests at Cannae and Rome itself David Anthony Durham draws a brilliant and complex Hannibal out of the scant historical record sharp sure footed as nimble among rivals as on the battlefield yet one who misses his family and longs to see his son grow to manhood Whether portraying the deliberations of a general or the calculations of a common soldier vast multilayered scenes of battle or moments of introspection when loss seems imminent Durham brings history alive **Hannibal** Eve MacDonald,2015-02-24 The life of the great Carthaginian general who marched into Rome during the Second Punic War is reexamined in this revealing and scholarly biography Once of the greatest military minds of the Ancient World Hannibal Barca lived a life of daring and survival massive battles and ultimate defeat A citizen of Carthage and military commander in Punic Spain he famously marched his war elephants and huge army over the Alps into Rome's own heartland to fight the Second Punic War Yet the Romans were the ultimate victors They eventually captured and destroyed Carthage and thus it was they who wrote the legend of Hannibal a brilliant and worthy enemy whose defeat represented military glory for Rome In this groundbreaking biography Eve MacDonald employs archaeological findings and documentary sources to expand the memory of Hannibal beyond his military career Considering him in the context of his time and the Carthaginian culture that shaped him MacDonald offers a complex portrait of a man from a prominent family who was both a military hero and a statesman MacDonald also analyzes Hannibal's legend over the millennia exploring how statuary Jacobean tragedy opera nineteenth century fiction and other depictions illuminate the character of one of the most fascinating figures in all of history **Hannibal's Army** Andrea Press,2006-01 A complete historical guide to Hannibal's Army from the historical context and origins of the Army to the last battle at Zama and Hannibal's subsequent period as a fugitive Following the same lines as the previous two books in this series this edition includes Three dimensional situation maps of the main battles weaponry illustrations sections of the various cultures and nations that have participated in Hannibal's campaigns battlefield layouts of the battles of Zama Lake Trasimeno Cannas etc 52 pages soft cover full colour edition *Hannibal* B. Dexter Hoyos,2008 Hannibal's enduring reputation as a man and as a general is due to his enemies

fascination with him The way his legend was shaped in the Greek and Roman consciousness is one of the book's main themes Under Hannibal's leadership Carthage came close to dominating the western Mediterranean his total victory would have changed the course of history That he was a brilliant general is unquestioned and his strategy and tactics have been studied as real life lessons in war even into the modern era Norman Schwartzkopf is a fan His political career is less appreciated and his achievements as civilian leader of Carthage in 196 5 BC have been virtually overlooked The issue of whether he might indeed have changed history had he postponed conflict with Rome and concentrated first on Carthage's own prosperity and safety is explored in this volume as vigorously as the military questions *Hannibal* David Anthony Durham,2011-02-15 In ancient Rome parents used to silence misbehaving children with the utterance Hannibal ad portas Hannibal is at the door Such was the fear and awe that Hannibal Barca instilled Told in arcing epic technicolour this is the story of one of the ancient world's most remarkable figures and the long bloody conflict between the two superpowers of the times the Second Punic War 218 202BC that hinged on the genius the ambition and the personal tragedies of Hannibal Barca of Carthage whose military prowess became the stuff of legend and Publius Scipio of Rome History of course tells us the outcome that Rome would be the victor surviving to become a colossal imperial power while Carthage would be all but erased from history It was however a close run thing And the world might have been a very different place had Hannibal succeeded in thwarting the might of Rome PRIDE OF CARTHAGE is a sweeping thrilling story of ancient warfare of armies traversing frozen snow covered mountains of battles won or lost by brilliant generals fighting in ingenious cunning ways And it's a story teeming with superbly drawn memorable characters and players historical and imagined from Numidian horsemen and the Roman legions to the slaves and freemen from all corners of the ancient Mediterranean world *The Red Garnet Sky* Gordon Zima,2015-08-15 A Carthaginian named Hannibal Barca lived between about 247 and 183 BC the product of a military father and a mother of completely unknown qualities other than what can be imputed through her son Before he died presumably by suicide in Roman Carthaginian enforced exile he brought Rome to her knees in a virtually one man crusade started by his father Rome got off her knees largely because this man without timely support from his own country and under probably unparalleled assault by adversities of fate had exhausted his strength The unassailable facts of Hannibal's life are few He is said to have been handsome of the Hellenistic prince mode a great general by the standards of any age and he could turn this competence toward peaceful arenas when Carthage called him again Perhaps his deadly enemies the Romans gave him the ultimate compliment The emperor Septimus Severus is said to have erected a large monument to him at Libyssa the little town near Marmara's water where the Lady Barca's oldest boy decided to make his last summation This historical fiction is dedicated to understanding a citizen of Carthage who came very close to moving his world *The Young Carthaginian* G. A. Henty,2016-12-01 Journey back in time to get a first hand look at one of history's greatest military leaders in action In *The Young Carthaginian* a young nobleman named Malchus puts his years of training and preparation to use when he joins

Carthaginian commander Hannibal in his campaign into what is now Italy **Hannibal, Soldier, Statesman, Patriot, and the Crisis of the Struggle Between Carthage and Rome** William O'Connor Morris,1897 *Hannibal* Theodore Ayrault Dodge,1891 *Hannibal* Karen Clemens Warrick,2006 Presents an examination of the life and times of Hannibal Barca leader of ancient Carthage providing information on his early years his military career and his legacy **Hannibal, Soldier, Statesman, Patriot** William O'Connor Morris,1897 *Carthage and the Carthaginians* ,1878 The Young Carthaginian : a Story of the Times of Hannibal : with Original Illustrations G. A. Henty,2020-01-13 When I was a boy at school if I remember rightly our sympathies were generally with the Carthaginians as against the Romans Why they were so except that one generally sympathizes with the unfortunate I do not quite know certainly we had but a hazy idea as to the merits of the struggle and knew but little of its events for the Latin and Greek authors which serve as the ordinary textbooks in schools do not treat of the Punic wars That it was a struggle for empire at first and latterly one for existence on the part of Carthage that Hannibal was a great and skilful general that he defeated the Romans at Trebia Lake Trasimenus and Cannae and all but took Rome and that the Romans behaved with bad faith and great cruelty at the capture of Carthage represents I think pretty nearly the sum total of our knowledge I am sure I should have liked to know a great deal more about this struggle for the empire of the world and as I think that most of you would also like to do so I have chosen this subject for my story Fortunately there is no lack of authentic material from which to glean the incidents of the struggle Polybius visited all the passes of the Alps some forty years after the event and conversed with tribesmen who had witnessed the passage of Hannibal and there can be no doubt that his descriptions are far more accurate than those of Livy who wrote somewhat later and had no personal knowledge of the affair Numbers of books have been written as to the identity of the passes traversed by Hannibal The whole of these have been discussed and summarized by Mr W J Law and as it appears to me that his arguments are quite conclusive I have adopted the line which he lays down as that followed by Hannibal In regard to the general history of the expedition and of the manners customs religion and politics of Carthage I have followed M Hennebert in his most exhaustive and important work on the subject I think that when you have read to the end you will perceive that although our sympathies may remain with Hannibal and the Carthaginians it was nevertheless for the good of the world that Rome was the conqueror in the great struggle for empire At the time the war began Carthage was already corrupt to the core and although she might have enslaved many nations she would never have civilized them Rome gave free institutions to the people she conquered she subdued but she never enslaved them but rather strove to plant her civilization among them and to raise them to her own level Carthage on the contrary was from the first a cruel mistress to the people she conquered Consequently while all the peoples of Italy rallied round Rome in the days of her distress the tribes subject to Carthage rose in insurrection against her as soon as the presence of a Roman army gave them a hope of escape from their bondage Had Carthage conquered Rome in the struggle she could never have extended her power over the known world as Rome afterwards did but

would have fallen to pieces again from the weakness of her institutions and the corruption of her people Thus then although we may feel sympathy for the failure and fate of the noble and chivalrous Hannibal himself we cannot regret that Rome came out conqueror in the strife and was left free to carry out her great work of civilization Hannibal Ross Leckie, 2005-04-21 A battle is like lust The frenzy passes Consequence remains Hannibal is an epic vision of one of history's greatest adventurers the almost mythical man who most famously led his soldiers on elephants over the Alps In Ross Leckie's unforgettable recreation of the Punic wars it is Hannibal the Carthaginian general who narrates the story and who is carried by his all-consuming ambition through profoundly bloody battles against the great Roman armies of early empire In this breathtaking chronicle of love and hate heroism and cruelty one of humanity's greatest adventurers is brought to life who learns through suffering that man is but a shadow of a dream

Right here, we have countless book **Hannibal Of Carthage** and collections to check out. We additionally pay for variant types and as well as type of the books to browse. The okay book, fiction, history, novel, scientific research, as competently as various other sorts of books are readily understandable here.

As this Hannibal Of Carthage, it ends taking place subconscious one of the favored ebook Hannibal Of Carthage collections that we have. This is why you remain in the best website to look the unbelievable books to have.
