All of This Anna Schaeffer, 2015-07-24 Sadie Franklin is all about independence but when one of her popular parties gets too crazy her usually uninvolved dad sends her across the country to spend the summer with relatives Living in small town Pecan Creek Georgia is culture shock for a girl from Seattle and it doesn't help that Sadie's aunt and uncle are total church people Sunday school No thanks Add a houseful of little cousins an accidental friendship with the preacher's daughter of all people and the attention of a guy who might actually understand her murky past and it's enough to cue an identity crisis When life altering news rocks Sadie's world and reveals messy family secrets she's forced to face the God she's avoided since her mom's death eight years ago Sadie is surrounded by people who say God loves her and has great plans for her life but if God is really good why does He let Sadie's life unravel Could there really be a purpose in all of this *United States*
