Happiness and the Christian Moral Life Paul J. Wadell, 2012-02-16. *Happiness and the Christian Moral Life* introduces students to Christian Ethics, looking at ethics as a path to the good life and happiness rather than a strict set of rules or regulations. Revised and updated throughout, the second edition maintains the book's distinctive focus on happiness. Each chapter now features a list of suggested readings to point students and instructors towards further resources. Other changes to the second edition include a more fully developed account of Augustine's understanding of happiness, new discussions of how technology shapes relationships and happiness, and consideration of the relationship between the natural law and the virtues.
