How to Use your Field Trip Guide

Field Trip Guides provide structure and suggestions on a per-teacher basis within ECDM's exhibition space. This will allow you, your students and your experiences to be personalized to address outcomes and objectives from. The suggested time lengths by visiting grade for your visit. These grade may include networking experts of your science curriculum, understanding which topics to be a student, or sharing your students that science learning can be used and used. If your focus particular curriculum grade, use this Field Trip Guide to connect what you are doing in your classroom with our other out-of-school activities. The recommended visiting times of the Science Center will be made of your experiences, so that they can guide the students through the exhibits and help record observations. Our Science Center is designed to be hands-on, and focus on critical skills and scientific thinking. As a result, there may not be one right answer for each of the questions. This means you will not find an answer key for any of the questions. Instead, you'll find descriptions for science concepts that are based on your experiences. If you feel you need more clarification, you can always contact us at fieldtrip@ecdm.org.

ECDM is a big place. As a result, you may not see everything in one day. Take your time, don't rush, and allow your students to explore the things that they find interesting. Allow them to ask questions and to try to find answers to the things that they find interesting. Allow them to ask questions. Rather than trying to see everything, visit just a few areas to spend your day. This will save time, but you will learn more.
