Studies in Intelligence, 2018
The Family Jewels John Prados, 2013-09-15 In December 1974 a front page story in the New York Times revealed the explosive details of illegal domestic spying by the Central Intelligence Agency This included political surveillance eavesdropping detention and interrogation The revelation of illegal activities over many years shocked the American public and led to investigations of the CIA by a presidential commission and committees in both houses of Congress which found evidence of more abuse even CIA plans for assassinations Investigators and the public soon discovered that the CIA abuses were described in a top secret document agency insiders dubbed the Family Jewels That document became ground zero for a political firestorm that lasted more than a year The Family Jewels debacle ultimately brought about greater congressional oversight of the CIA but excesses such as those uncovered in the 1970s continue to come to light The Family Jewels probes the deepest secrets of the CIA and its attempts to avoid scrutiny John Prados recounts the secret operations that constituted Jewels and investigators pursuit of the truth plus the strenuous efforts by the agency the executive branch and even presidents to evade accountability Prados reveals how Vice President Richard Cheney played a leading role in intelligence abuses and demonstrates that every type of Jewel has been replicated since especially during the post 9 11 war on terror The Family Jewels masterfully illuminates why these abuses are endemic to spying shows that proper relationships are vital to control of intelligence and advocates a system for handling Family Jewels crises in a democratic society

Victory Undone

Carter Address, Malcolm McConnell, 2014-10-20 Here is a dramatic first person account of how the United States won the war in Iraq only to see the peace lost by an unengaged administration with Iraqis terrorized and the new caliph of ISIS promising I'll see you in New York Military contractor Carter Address was the ultimate boots on the ground civilian in Iraq While reporters aid workers diplomats and even U S soldiers were often cut off from the ground truth in Iraq by the blast walls protecting the Green Zone and our bases Address was in the thick of things driving through insurgent infested territory negotiating with hostile tribes and witnessing the transformation of Iraq from chaos and violence to a stable multi ethnic multi sectarian democracy that needed only minimal American support to defend itself support however that thanks to the Obama administration was not forthcoming A page turner of a story but also an incredibly important account of what actually happened in the Iraq War and afterwards Victory Undone is a book every American needs to read *Secret Intelligence* Christopher Andrew, Richard J. Aldrich, Wesley K. Wark, 2019-07-26 The second edition of *Secret Intelligence A Reader* brings together key essays from the field of intelligence studies blending classic works on concepts and approaches with more recent essays dealing with current issues and ongoing debates about the future of intelligence Secret intelligence has never enjoyed a higher profile The events of 9 11 the conflicts in Iraq and Afghanistan the missing WMD controversy public debates over prisoner interrogation together with the revelations of figures such as Edward Snowden recent cyber attacks and the rise of hybrid warfare have all contributed to make this a hot subject over the past two decades Aiming to be more comprehensive than existing books and to achieve truly international coverage of the field this book provides key readings and supporting material for students and course convenors It is divided into four main sections each of which includes full summaries of each article further reading suggestions and student questions The intelligence cycle Intelligence counter terrorism and security Ethics accountability and secrecy Intelligence and the new warfare This new edition contains essays by leading scholars in the field and will be essential reading for students of intelligence studies strategic studies international security and political science in general and of interest to anyone wishing to understand the current relationship between intelligence and policy making *Dirty Wars* Jeremy Scahill, 2013-06-04 This enhanced edition for Nook features over thirty images including film stills from the Oscar nominated documentary *Dirty Wars* as well as exclusive photographs of Scahill's reporting in Yemen and Somalia This edition also features interactive color maps as well as seven short videos that include the film trailer clips from the film and interviews with Scahill In the video interviews Scahill shares his insights on the history of drones President Obama's hawkish foreign policies and the killing of Anwar al Awlaki In *Dirty Wars* Jeremy Scahill author of the New York Times best seller *Blackwater* takes us inside America's new covert wars The foot soldiers in these battles operate globally and inside the United States with orders from the White House to do whatever is necessary to hunt down capture or kill individuals designated by the president as enemies Drawn from the ranks of the Navy SEALs Delta Force former Blackwater and other private security contractors the CIA's Special Activities Division and the Joint Special

Operations Command JSOC these elite soldiers operate worldwide with thousands of secret commandos working in more than one hundred countries Funded through black budgets Special Operations Forces conduct missions in denied areas engage in targeted killings snatch and grab individuals and direct drone AC 130 and cruise missile strikes While the Bush administration deployed these ghost militias President Barack Obama has expanded their operations and given them new scope and legitimacy Dirty Wars follows the consequences of the declaration that the world is a battlefield as Scahill uncovers the most important foreign policy story of our time From Afghanistan to Yemen Somalia and beyond Scahill reports from the frontlines in this high stakes investigation and explores the depths of America s global killing machine He goes beneath the surface of these covert wars conducted in the shadows outside the range of the press without effective congressional oversight or public debate And based on unprecedented access Scahill tells the chilling story of an American citizen marked for assassination by his own government As US leaders draw the country deeper into conflicts across the globe setting the world stage for enormous destabilization and blowback Americans are not only at greater risk we are changing as a nation Scahill unmasks the shadow warriors who prosecute these secret wars and puts a human face on the casualties of unaccountable violence that is now official policy victims of night raids secret prisons cruise missile attacks and drone strikes and whole classes of people branded as suspected militants Through his brave reporting Scahill exposes the true nature of the dirty wars the United States government struggles to keep hidden **De missie** Tim Weiner,2025-07-17

Aan het begin van deze eeuw raakte de cia in een zware crisis Na de Koude Oorlog was de inlichtingendienst zijn oorspronkelijke doel kwijtgeraakt buitenlandse posten werden gesloten er werd gewerkt met verouderde technologie en cruciale informatie werd over het hoofd gezien Later na de aanslagen van 9 11 verschoof de focus naar paramilitaire activiteiten met geheime gevangenissen en dodelijke drone aanvallen waarmee de kernmissie het verzamelen van informatie nog verder naar de achtergrond verdween Dit had ernstige gevolgen talloze buitenlandse agenten vonden de dood personeelsdossiers werden gestolen door Chinese spionnen en computernetwerken werden door de Russische inlichtingendienst en Amerikaanse hackers gefiltreerd In De missie onderzoekt Tim Weiner de strijd van de cia om na deze jaren van mislukkingen zijn verloren spionagecapaciteiten te herstellen Dit is de onthullende geschiedenis van de cia in de eenentwintigste eeuw van 9 11 en de oorlogen in Afghanistan en Irak tot de huidige conflicten met Rusland en China *The Middle East, Abstracts and Index* ,2004 *The New York Times Index* ,2002 **Black Site** Philip Mudd,2019-07-30 A bold account of one of the most controversial and haunting initiatives in American history Black Site tells the full story of the post 9 11 counterterrorism world at the CIA When the towers fell on September 11 2001 nowhere were the reverberations more powerfully felt than at CIA headquarters in Langley Virginia Almost overnight the intelligence organization evolved into a warfighting intelligence service constructing what was known internally as the Program a web of top secret detention facilities intended to help prevent future attacks on American soil and around the world With Black Site former deputy

director of the CIA Counterterrorist Center Philip Mudd presents a full never before told story of this now controversial program directly addressing how far America went to pursue al Qaeda and prevent another catastrophe Heated debates about torture were later ignited in 2014 after the US Senate published a report of the Program detailing the CIA's use of enhanced interrogation techniques to draw information from detainees The report Mudd posits did not fully address key questions How did the officials actually come to their decisions What happened at the detention facilities known as Black Sites on a day to day basis What did they look like How were prisoners transported there And how did the officers feel about what they were doing Black Site seeks answers to these questions and more first by examining pre 9 11 Langley when the CIA was tasked with collecting disseminating and analyzing information related to overseas events Mudd argues that September 12 2001 marked an operational revolution as officials suddenly felt the weight of protecting a nation from a second wave of attacks inside the United States Re-creating the incredibly tense atmosphere of the time Mudd reveals that many officials felt an unshakable personal responsibility to thwart another attack Based on interviews from dozens of officials many of whom have never spoken out before Black Site illuminates how the Agency quickly stepped into the process of organizing a full blown interrogation program Mudd offers a deeper understanding of how the enhanced interrogation techniques were developed and how intelligence professionals prepared to talk to the world's most hardened terrorists With careful detail he takes us through the process of each legally approved technique including waterboarding As compelling as it is revelatory Black Site shows us the tragedy and triumph of the CIA during its most difficult days

Report on Torture
Senate Select Committee on Intelligence, 2014-12-20 The Senate Select Committee on Intelligence crafted a classified report in excess of 5 000 pages detailing the CIA's Detention and Interrogation Program in other words the CIA's activities post 9 11 in detaining interviewing and torturing suspected terrorists The Committee has now released a 526 page summary of the report unclassified and redacted The New York Times called the activity described in the report devastating in its depravity Read and learn for yourself how the United States responded to fears of terrorist attacks in the years after 9 11 how the CIA misled both Congress and the Bush Administration how subjects later determined to be completely innocent were abducted and tortured and how the CIA's torture tactics utterly failed to elicit meaningful intelligence and may have even caused false confessions that led the agency down dead ends The Report on Torture is a document every American should read Anyone interested in what actually happened in the decade after the terrorist attacks on 9 11 will want to read the entire report
