*Jehovah's Witness Literature* David A. Reed,1993 An up to date review of more than 100 years of writings arranged chronologically As a practical reference book it will equip Christians to speak confidently to Jehovah s Witnesses **Jehovah's Witnesses Answered Verse by Verse** David A. Reed,1987-08-01 No other book answers the Jehovah s Witnesses misinterpretation of Scripture so immediately and shows how to use the same Scripture in leading Jehovah s Witnesses to Christ *Dictionary of J. W. Ese* David Reed,2010-01-03 Jehovah s Witnesses have a unique vocabulary incomprehensible to outsiders They also use familiar Christian terms to mean something different from standard usage This book is a dictionary of such J W ese language Moreover it explains how JWs engage in doubletalk when speaking with outsiders and tells the reader how to break through that doubletalk to share the Gospel of Christ with those trapped inside the cult Reed is the author of *Answering Jehovah s Witnesses Subject by Subject* and the popular book *Jehovah s Witnesses Answered Verse by Verse* This Dictionary of J W ese was originally published in 1997 under the title *Jehovah Talk* by Baker Book House This volume is the 2010 Lulu edition *Jehovah's Witnesses* Edmond C. Gruss,2001 **Unmasking the Cults** Alan W. Gomes,2009-12-15 In this introduction to the Zondervan Guide to Cults and Religious Movements Dr Gomes defines the characteristics of a cult of Christianity and why such a group subverts the search for spiritual truth He explains the emotional and spiritual appeal of cults who is susceptible and the techniques cult leaders use to attract members This book in dealing with a wide range of issues relating to cults and religious movements in general complements the other books in the series all of which focus on specific religious groups Why this series This is an age when countless groups and movements old and new mark the religious landscape in our culture leaving many people confused or uncertain in their search for spiritual truth and meaning Because few people have the time or opportunity to research these movements fully these books provide essential information and insights for their spiritual journeys Except for this book each book in the series has five sections A concise introduction to the group An overview of the group s theology in its own words Tips for witnessing effectively to members of the group A bibliography with sources for further study A comparison chart that shows the essential differences between biblical Christianity and the group The writers of these volumes are well qualified to present clear and reliable information and help us discern religious truth from falsehood *Answering Jehovah's Witnesses* David A. Reed,1996-05-01 This book guides Christians to discuss non biblical issues with Jehovah s Witnesses subject by subject in a non confrontational manner *Historical Dictionary of Jehovah's Witnesses* George D. Chryssides,2008-07-17 The theme of prophecy the doctrine of the 144 000 end time calculations Armageddon and the Witnesses denial of hell are all considered in the Historical Dictionary of Jehovah s Witnesses which contains a chronology an introductory essay a bibliography and 250 cross referenced dictionary entries relating to key people and concepts *The A to Z of Jehovah's Witnesses* George D. Chryssides,2009-10-12 Originating from a small group of Bible students led by Charles Taze Russell in the 1870s the Watch Tower Society grew into

an international society After Russell s death in 1916 Franklin Rutherford was named his successor and gave the society a new name Jehovah s Witnesses The A to Z of Jehovah s Witnesses shows how World War I II influenced Watch Tower attitudes to civil government armed conflict and medical innovations like blood transfusion as well as to mainstream churches and the development of Jehovah s Witnesses door to door evangelism The theme of prophecy the doctrine of the 144 000 end time calculations Armageddon and the Witnesses denial of hell are all considered in The A to Z of Jehovah s Witnesses which contains a chronology an introductory essay a bibliography and 250 cross referenced dictionary entries relating to key people and concepts

*Blood on the Altar* David A. Reed, 2011-01-27 More kids are dying right now in obedience to the Jehovah s Witness ban on blood transfusions than perished in the fire at Waco Texas says former Witness elder David A Reed How can a major sect with headquarters in New York City and twelve million attending its religious services worldwide quietly lead victims to early deaths without public outcry Reed cites dozens of well documented cases media reports naming victims doctors and hospitals issuing their death certificates as he blows the whistle on a deadly cult that secretly instructs members to kidnap children from hospital beds and teaches children to resist doctors violently and give false testimony in court This former minister now widely recognized as an authority on the sect explains his own role in bringing new members under mind control With captivating anecdotes he details an enforcement apparatus that reaches even into clinics and hospitals He brings to light secret instructions for hospital employees to turn over confidential patient records to the church and tells how the hierarchy conducts bedside trials of members who accept forbidden medical treatment Reed joined the sect as a naive young adult and rose through the ranks until he learned how the secretive leadership operated Realizing that his friends were dying for beliefs supposedly channeled from God but actually fabricated by the church hierarchy After leaving the sect he spent years researching its history and activities evidence revealed here for the first time Reed s warning cannot be ignored

*Another Jesus, a Different Spirit, a Different Gospel* Steven H. Propp, 2011-12-13 Its the Christmas season the most wonderful time of the year for most people in River City California But for Jehovahs Witnesses Lawrence and Brad its a time for them to try to explain the truth about this holiday season to the people of the community Their earnest efforts may earn them ridicule disagreement or a door slammed rudely in their faces but they persist and are sometimes able to find a mind and heart receptive to their urgent message about Jehovahs coming Kingdom Whereas for Elders Skousen and Marshall two Latter day Saint Mormon missionaries the season is another opportunity to share their Churchs distinctive interpretation of the Christian gospel but their efforts are often rebuffed as well In the course of their work these two pairs of men engage in dialogue with traditional Christians as well as members of the Church of Christ the Community of Christ RLDS Seventh day Adventists and Oneness Pentecostals not to mention skeptics atheists and the increasing numbers of people who lack any particular religious beliefs But when a local church brings in a researcher to give a series of lectures on Cults and specifically targeting the Jehovahs Witnesses and Mormons a confrontation

is ensured where theological and biblical concepts collide in a public forum Who if anyone really has the Truth Can one still discover the true meaning of Christmas in the midst of passionate disagreements over the validity of the holiday season Are objections raised about the secularization and rampant commercialism of the modern celebration valid Spend a holiday season or any other season with some interesting and intellectually stimulating characters as they explore these and other challenging questions Readers of the authors earlier novel *A Multicultural Christmas* will be pleased to see a brief reappearance of two characters from that book [Brooklyn Star](#) Robert Israel,2003-04 *Apocalypse Delayed* M. James Penton,1997-01-01 M James Penton offers a comprehensive overview of a remarkable religious movement from the Witnesses inauspicious creation by a Pennsylvania preacher in the 1870s to its position as a religious sect with millions of followers world wide This second edition features an afterword by the author and an expanded bibliography **WHY I CAN'T BE: Jehovah's Witness** Bryce Neuberger,2025-03-31 This concise 27 page pamphlet provides a straightforward accessible resource for engaging with Jehovah s Witnesses when they come knocking It covers key topics like the history and teachings of the Watchtower Society translation issues failed prophecies theological heresies and strategies for maintaining a respectful and productive dialogue Ideal for those seeking a quick reference to understand and challenge Watchtower beliefs with confidence this guide offers scriptural rebuttals and practical advice for engaging in conversations that bring people closer to biblical truth **Forthcoming Books** Rose Army,1996-06 **Subject Guide to Books in Print** ,1996 *Bibliographic Index* ,1994 *Em Defesa da Fé Cristã (Livro de Apoio Adulto)* Esequias Soares,2024-12-01 As heresias afetam os pontos principais da f crist isso no que diz respeito a Deus ao ser humano aos anjos igreja e s Escrituras Sagradas Esses movimentos religiosos est o dividindo igrejas e separando fam lias rompendo com os valores ortodoxos do cristianismo evang lico Em cada cap tulo o pastor e te logo Esequias Soares apresenta os fundamentos b blicos as heresias relativas a cada ponto doutrin rio a rea o da igreja e a refuta o aos argumentos de seus seguidores **The Incarnate Christ and His Critics** Robert M. Bowman Jr.,J. Ed Komoszewski ,2024-11-12 A current comprehensive and clear defense of the deity of Christ The central theological claim of Christianity that Jesus is God incarnate finds eager detractors across a wide spectrum from scholars who interpret Jesus as a prophet angel or guru to adherents of progressive Christianity and non Christian religions and philosophies Yet thorough biblical scholarship strongly supports the historic Christian teaching on the deity of Christ Authors Robert M Bowman Jr and J Ed Komoszewski follow the approach of their landmark 2007 study on the same topic Putting Jesus in His Place They focus on five pillars of New Testament teaching using the acronym HANDS and demonstrate what both Jesus and the earliest believers recognized namely that Jesus shares in the Honors that are due God Attributes of God Names of God Deeds that God does Seat of God s eternal throne The Incarnate Christ and His Critics engages objections to the divine identity of Jesus from Jehovah s Witnesses Mormons progressive Christians Muslims Unitarians and others Bowman and Komoszewski show how biblical scholarship cannot reasonably ignore the enduring wide

ranging and positive case for the deity of Christ      *The Cumulative Book Index* ,1995 A world list of books in the English language      Field Guide to the Wild World of Religion Pamela Dewey,2013-02 The American religious scene in 1955 was a very tame and predictable world It matched the tame predictable world of women s clothing where most women going out shopping wore a dress with coordinating gloves hat and shoes And it matched the tame predictable world of children s toys where almost every young girl yearned for a baby doll that said Ma Ma and almost every boy needed a coonskin cap Choices of fashions toys preachers and churches were limited and domesticated Fifty years later the tame predictable world of 1950s fashions and toys is long gone Women go shopping in everything from sweatshirts and jeans to tube tops and short shorts And both boys and girls want the latest Sponge Bob Square Pants video game The same kind of transformation has gone on in the world of religion It is no longer tame and predictable either Welcome to the Wild World of Religion of the 21st Century Explore its habitats identify some of the inhabitants and learn about their characteristics and customs in this Field Guide
