REVIEWING 2013 New World

Translation of Jehovah's Witnesses Edward D. Andrews, 2018-01-28 REVIEWING 2013 New World Translation of Jehovah's Witnesses is going to challenge your objectivity Being objective means that personal feelings or opinions do not influence you in considering and representing facts Being subjective means that your understanding is based on or influenced by personal feelings tastes or ideas If the reader finds these insights offensive it might be a little mind control at work from years of being told the same misinformation repeatedly so ponder things objectively We can also have preconceived ideas that have

been a part of our thinking for so long we do not question them Preconceived is an idea or opinion that is formed before having the evidence for its truth If we are to be effective we must season our words so that they are received well Then there is the term preconception which means a preconceived idea or prejudice Seasoned words honesty and accuracy are distinctive features of effective apologetic evangelism The Kingdom of the Cults Walter Martin,2019-05-21 In an era of rapid growth of false religions worldwide Christians need information they can trust This comprehensive new edition of the leading book on cults will equip you no matter your background to understand and use biblical truth to counter false religions including many that masquerade as mainstream Christianity Reflecting the developments in cults and world religions in recent years this edition updated by expert Jill Martin Rische daughter of Walter Martin gives you the authoritative information you need to know As our culture becomes less and less outwardly Christian awareness of the belief systems of those around us has never been more vital Readable and reliable for everyone whether you re a teacher a pastor or a regular church attender The Kingdom of the Cults remains the go to reference book on this crucial topic **A Catholic Response to the Jehovah's Witnesses** Jennifer Moorcroft,2014-07-16 A Catholic Response to the Jehovahs Witnesses is a departure from the authors usual subject of books and articles on aspects of Catholic spirituality Having met with many Witnesses over the years she was prompted to write the book as a response to them It also addresses the concern many Catholics have as to how to engage with Witnesses and how they might evaluate their teachings It is written in an informal style to introduce readers to the various aspects of the doctrines of the Jehovahs Witnesses and how a Catholic might respond to them from their own tradition and the theology of the Catholic Church **Saints and Stirrers** Geoff Troughton,2018-05-15 New Zealanders while generally peaceable and tolerant people have seldom shied away from war Even in the current era Anzac Day is a major event here and the haka performed by our national rugby team is one of our most recognisable cultural exports But throughout New Zealand s history there have also been frequent efforts to oppose war and promote peace and these have often drawn upon traditions within the Christian faith New Zealand Christians were not uniformly or impeccably peaceable pacifists were usually either a minority in the more established churches or members of smaller denominations that were firmly anti war such as the Quakers It took strong convictions and a good deal of bravery to question war in the face of majority opinion Those saints who pushed for peace were invariably stirrers This book focuses on Christian peacemaking and opposition to war in the period from the nineteenth century until the end of the Second World War It provides critical insights into New Zealand Christianity as well as peace activism politics and New Zealand society more generally Jehovah's Witnesses Andrew Holden,2012-11-12 This is the first major study of the enigmatic religious society By examining the Jehovah s Witnesses dramatic recent expansion Andrew Holden reveals the dependency of their quasi totalitarian movement on the physical and cultural resources have brought about the privatization of religion the erosion of community and the separation of fact from faith The Evidence Study Bible Ray Comfort,2011-03-01 The NKJV
