Jennifer Hudson Whos Your Idol:

Jennifer Hudson Edna McPhee,2019-12-15 Few celebrities have had a journey like Jennifer Hudson Although Hudson rose to fame after her seventh place finish on American Idol it was her turn as Effie White in the blockbuster film Dreamgirls that put her on the map as a vocal powerhouse In the years since Hudson has suffered unimaginable tragedy and achieved dizzying success both personally and professionally and become a powerful voice for change Readers follow the incredible peaks and valleys of Hudson s life with the help of fact filled sidebars a detailed timeline full color photographs and annotated quotes from Hudson and those who know her best **Jennifer Hudson** Jeanne Nagle,2008 Profiles one of the contestants in the third season of American Idol who went on to find success as both an actress and a singer *Audition Psych 101* Michael Kostroff,2019-05-15 Based on the popular workshop of the same name *Audition Psych 101* takes a detailed unvarnished look at the mental gremlins that can make auditioning stressful With frankness humor and a pro actor sensibility professional working actor Michael Kostroff *The Wire* *The Deuce* *Luke Cage* *The Blacklist* *Law Order SVU* etc explodes commonly accepted mythologies and offers a fresh more logical and more effective approach to the whole process Speaking directly to other professional actors Kostroff pulls each step into slow motion shining a light into the dark corners in search of those little snags that can screw us up It has completely changed the way I view auditions Chad Manuel Chicago Want to learn why we constantly get in our own way before we even set foot in the room Michael has made a detailed brilliant study of the most common traps and how to avoid them Peter Van Norden Los Angeles Michael s expertise sense of humor and just old fashioned good sense does the impossible It actually makes the actor comfortable with the audition process J R Orlando San Jose I m a psychotherapist who specializes in working with creative artists Among many other issues we always talk about their audition anxiety In *Audition Psych 101* Michael Kostroff has validated everything I believe about the audition process Let him save you a lot of disappointment and frustration Lee D Kassan psychotherapist psychoanalyst It brought the joy and fun back into the audition process which ultimately has allowed for more callbacks and many more bookings Mick Guire New York City I can t wait for my next audition Holy mackerel did I just write that Deborah Linehan New York City **I Want to Change My Life** Barrie Gunter,2014-07-24 Competition talent shows have been among the most popular on television in the 21st century The producers of these shows claim to give ordinary people extraordinary opportunities to change their lives by showcasing a specific skill leading to a new career trajectory Most participants will claim that they entered to get a big break and to develop a career they have always dreamed of To what extent do these shows deliver on such promises Following through what happens to leading contestants in singing entertainment modelling cooking and business entrepreneur competitions this book shows that few go on to achieve lasting success in their chosen career Many return to obscurity or to their previous lives Some enjoy a low level career in the new direction delivered by the competition they entered Just a few become truly successful The pop and entertainment themed contests have discovered

just a handful of major pop stars and entertainers out of many hundreds who have taken part after the initial auditions Turning to the cookery or business franchises there are few who go on to achieve lasting success in their chosen career In these it is equally likely that the winners go on to enjoy success with media careers rather than as chefs or entrepreneurs The most successful franchise of all is the fashion model competition Next Top Model which has yielded a high hit rate in terms of career success What the analysis here also reveals is that it isn't only the winners who ultimately benefit the most from their appearances in these shows Moreover television picks its own stars by recruiting contestants because they are telegenic or have a good backstory as much as for their relevant talents In this way a talent hungry medium has co-opted these franchises to replenish its own needs
