Board of Inquiry into the Accident to Tupolev 134A-3 Aircraft C9-CAA on 19th October 1986,1987 *Popular Aviation* ,2001 **Flying Magazine** ,1967-12 **Who Killed Hammarskjold?** Susan Williams,2014-08-15 One of the outstanding mysteries of the twentieth century and one with huge political resonance is the death of Dag Hammarskjold and his UN team in a plane crash in central Africa in 1961 Just minutes after midnight his aircraft plunged into thick forest in the British colony of Northern Rhodesia Zambia abruptly ending his mission to bring peace to the Congo Across the world many suspected sabotage accusing the multi nationals and the governments of Britain Belgium the USA and South Africa of involvement in the disaster These suspicions have never gone away British High Commissioner Lord Alport was waiting at the airport when the aircraft crashed nearby He bizarrely insisted to the airport management that Hammarskjold had flown elsewhere even though his aircraft was reported overhead This postponed a search for so long that the wreckage of the plane was not found for fifteen hours White mercenaries were at the airport that night too including the South African pilot Jerry Puren whose bombing of Congolese villages led in his own words to flaming huts destruction and death These soldiers of fortune were backed by Sir Roy Welensky Prime Minister of the Rhodesian Federation who was ready to stop at nothing to maintain white rule and thought the United Nations was synonymous with the Nazis The Rhodesian government conducted an official inquiry which blamed pilot error But as this book will show it was a massive cover up that suppressed and dismissed a mass of crucial evidence especially that of African eye witnesses A subsequent UN inquiry was unable to rule out foul play but had no access to the evidence to show how and why Now for the first time this story can be told Who Killed Hammarskjold follows the author on her intriguing and often frightening journey of research to Zambia South Africa the USA Sweden Norway Britain France and Belgium where she unearthed a mass of new and hitherto secret documentary and photographic evidence At the heart of this book is Hammarskjold himself a courageous and complex idealist who sought to shield the newly independent nations of the world

from the predatory instincts of the Great Powers It reveals that the conflict in the Congo was driven not so much by internal divisions as by the Cold War and by the West's determination to keep real power from the hands of the post colonial governments of Africa It shows too that the British settlers of Rhodesia would maintain white minority rule at all costs
