Jerusalem And The Holy Land The First Ecumenical Pilgrims Guide:

Jerusalem and the Holy Land James R. McCormick, 2000 **Three Perspectives: Jewish, Christian, and Muslim**
Steven H. Propp, 2009-12-30 You're Jewish aren't you This blunt question is the way that college freshman Richard Cohn is introduced to an outspoken fellow student named Dov Epstein who calls himself a Messianic Jew and believes that God has a special purpose for the Jewish people in these Last Days Raised by secular Jewish parents Richard is completely oblivious to his own Jewish background until this ongoing dialogue forces him to confront his own heritage The two young men vigorously argue with each other over the interpretation of the Hebrew Bible particularly its reputed predictions of a Messiah Christian doctrines such as the Trinity and most significantly about the identity and significance of Jesus of Nazareth The rigorous process of self examination this initiates leads Richard to embrace his Jewish identity even as he vehemently denies the same for Dov The two ultimately become fast friends but as they progress from an academic environment to the professional world they are challenged by racist statements made by prominent national figures anti Semitic doctrines such as Christian Identity which teaches that white Anglo Saxons are the true Israel and also purported scholars who deny the reality of the Holocaust itself Circumstances in life connect them with a young Iranian migr named Jahangir Khatami whose Muslim beliefs conflict strongly with their own Yet when a violent incident brings the three of them together they are forced to reexamine not just their differences but their similarities While they clash over the ideals of Zionism and its ramifications in the modern State of Israel they are united in their horror over the terrorist attacks of September 11 2001 Join a diverse cast of characters some of whom appeared in the authors earlier book *Beyond Heaven and Earth* in a probing exploration that may help you reconsider just what it means to be Jewish Christian or Muslim in the modern world **Journey to a Dream** Stephen J. McKolay, 2008-06 This is a fascinating kaleidoscope of one man's life A poignant memoir of heartfelt feelings You will come away inspired and renewed Real Tom Sawyer stuff The story sub plots and poetry are touching and smack of a pure heart

The Pilgrim's New Guide to the Holy Land Stephen C. Doyle, 2016-03-24 More than an updated second edition this book combines the best information from the popular first edition with new insights to help you turn your travels into pilgrimages In this edition of *The Pilgrim's New Guide to the Holy Land* Stephen Doyle adds the words to familiar hymns and maps and photos and includes new insights gathered from the documents of Vatican II Paul VI's Decree on Evangelization and prose and poetry that foster the spirit of prayer After a brief introduction to each Holy Place Doyle provides the Scripture passages appropriate to those locations In offering these passages Doyle reminds us of Pius XII's statement that to find the meaning of God's word we must go back to the original languages determine the intention of the author and take into account the literary form Following Pius XII's suggestion Doyle provides his own translation of Scripture passages By presenting these passages he offers new meaning by exploring a new experience in a new context in a new culture Doyle explains that there are major differences between going to the Holy Land as a pilgrim and going there as a tourist or even as a student of history

or archaeology People join a pilgrimage from faith and for faith This is not the same as a deepening of theological insight or becoming more knowledgeable about the facts and beliefs of Christianity The basic vision that distinguishes a pilgrim from a tourist is summed up in a passage by Paul Since you have accepted Christ Jesus as Lord sink your roots deep in him build your faith upon him and overflow with thanksgiving Col 2 6 In *The Pilgrim's New Guide to the Holy Land* Doyle brings together the elements that facilitate that vision Chapters are Jerusalem Jerusalem Holy Places East of Jerusalem Holy Places West of Jerusalem Holy Places South of Jerusalem and Holy Places North of Jerusalem Also includes appendices and an index Stephen C Doyle O F M has guided more than one hundred pilgrimages to the Holy Land and to Greece and Asia Minor He has taught Scripture and biblical preaching at St John Vianney Seminary East Aurora New York Christ the King Seminary St Bonaventure New York Pope John XXIII Seminary Weston Massachusetts St Bonaventure University St Michael and Emmanuel College

Jerusalem and the Holy Land

James McCormick,2023-05-26 Make your journey to the holy land a richer experience

This book introduces the reader to the area it s history and its people while providing invaluable information on traditional pilgrimage sites Knowing what to expect in the Holy Land will help you get the most out of your journey Jerusalem and the Holy Land written from a broadly Christian perspective is a must for anyone planning a trip to the Holy Land It covers

everything a pilgrim should know before undertaking the journey **Living Stones Pilgrimage** Betty Bailey, 1999-01-01

The Holy Land has always had a magnetic attraction for Christians Every year hundreds of thousands tread the crowded streets of Jerusalem or walk by the quiet waters of Galilee There are hundreds of guidebooks designed for pilgrims and other visitors The encounter with the stones which Jesus saw and touched has been for many a powerful spiritual experience But the Christian presence is not just history There are living worshipping Christian communities in the Holy Land today This unique guidebook is designed to help you encounter those communities and to walk talk and pray with contemporary Christians in Israel the Palestinian and Occupied Territories the living stones of the book's title Written half a century after the creation of the state of Israel with the cooperation of all the Christian traditions in the Holy Land it is a key companion for visitors who want to share for a while the thoughts and the life witness and presence of those who now live the faith of the apostles in this troubled land *The Torah, the Gospel, and the Qur'an* Anton Wessels, 2013-09-30

Discussing the Bible and the Qur'an in one breath will surprise some Jews Christians and Muslims But Anton Wessels argues that all three traditions must read the Scriptures together and not against each other As his book title suggests the three books in the end are actually one tale Wessels accepts Muhammad as a prophet and takes the Qur'an seriously as Holy Scripture along with the Old and New Testaments without giving up his own Christian convictions Respectfully reading the Torah the Gospel and the Qur'an together he argues is of crucial importance our world often sees these religious books as the cause of conflicts rather than the solution to them **American Book Publishing Record** ,1998 Forthcoming Books Rose Arny, 1997
