What Is the Gospel That Jesus Christ Taught While on This Earth? Charles Phillips,2020-09-11 The purpose of this Book is to help others to understand the Gospel given by Jesus Christ when He was on this earth Matthew 4 23 Jesus went about all Galilee teaching in their Synagogues preaching the Gospel My friend whoever you are and no matter how far you have gone away from God this book I hope will help you find your way back to the Love and Truth of the Gospel of Love The sacrifice of Jesus on the cross settled everyone s account for our sin s but we must accept Christ s atoning sacrifice for our sins You cannot purchase His gift only except His gift of Love My friend do you know what Jesus taught and preached This book is to help you read for yourself from the Holy Scripture s the Gospel from the Creator of this world Matt 5 17 18 Do not think that I came to destroy the Law or the prophets I did not come to destroy but to fulfill For assuredly I say to you till heaven and earth pass away one jot or one tittle will by no means pass from the law till all is fulfilled Knowing the Gospel Lola S.

Richey,2011-12-12 Knowing the Gospel The Good News of Jesus Christ Made Simple is an inspirational and accessible Bible based primer on Jesus Christ and His message and teaches how a reader in the twenty first century can achieve salvation through this most important first century figure This book answers simple question like What is the Gospel Who is God Who is Jesus What is a Christian How to become saved What is salvation Is there life after death In Knowing the Gospel readers are introduced the Good News of the four Gospels which tell of Jesus identity and historical times through the lens of both Old Testament and New Testament writings Readers learn about sin and repentance through the story of the Apostle Paul who turned from persecuting Jesus followers to following Him himself While sin is inevitable readers will be heartened to learn that faith and trust in Jesus will lead them to eternal life in Him as Christians The book concludes with a joyous invitation to salvation **The Authentic Gospel of Jesus** Geza Vermes,2004-09-30 There can be no doubt that Jesus a

religious genius as Geza Vermes describes him lived and taught in Palestine some 2000 years ago The influence he has had is incalculable How though can we distinguish between the doctrines shaped to the needs of the burgeoning Christian church and the original views laid out by Jesus himself How can we dig back through the additions misinterpretations and confusions of later writers and two millennia of tradition to get back to the authentic gospel of Jesus In his new book Vermes subjects all the sayings of Jesus to brilliantly informed scrutiny The result is a book of unique value and novelty scraping aside the accretions of centuries to come as close as we can hope to be to the true Jesus

The Gospel According to Christ Mark A. Stelter, 2011-11-14 Christianity is in crisis We live in a time when millions of people profoundly misunderstand the message of the Gospel They believe that being a Christian means little more than being a nice person They view Jesus as a wise moral teacher who showed us how to live better lives and they conclude that the love of humanity is our greatest cause and its progress our primary purpose Whatever else may be said of this view of Christianity it is certainly not what Jesus taught It is an attempt to replace the concepts of sin redemption and salvation with the more socially acceptable virtues of tolerance compassion and social progress It elevates humanity and the world above God and his kingdom and reduces Jesus to a mere moral philosopher But who did Jesus say he was What was the essential message of Christ The Gospel According to Christ answers those questions by examining the words of Jesus in their context and in their entirety The answers will be shocking to many Christians

What Did Jesus Do? F. Scott Spencer, 2003-08-01 What Would Jesus Do is a popular phrase in Christian circles but answers to that question might be more on target if we spent more time exploring as Scott Spencer has What Did Jesus Do Spencer examines both the Synoptics and the Gospel of John as he tries to catch a wide angled vision of Jesus behavior in the gospels Rather than focus on sayings or pronouncements as an authoritative code of conduct he studies Jesus deeds or actions as keys to his identity and vocation While not ignoring Jesus teaching this study is more interested in discovering how Jesus personally lived up to his own moral instruction his personal conduct Chapters are devoted to Jesus actions with respect to his family his friends his body his possessions his work his reputation and the environment Spencer suggests paths and pitfalls for relating Jesus personal conduct to individual behavior how we might move from what Jesus did in the New Testament to what we should do today F Scott Spencer is Professor of New Testament at Baptist Theological Seminary at Richmond Virginia and is the author of The Portrait of Philip in Acts A Study of Roles and Relations and Acts He is the Chair of the New Testament section for the Southeastern Commission for the Study of Religion

comparison with John **Jesus and the Gospel** James Denney, 1909 **Four Gospels, One Christ** Michael John Hooton, 2016-06-03 The four Gospels are the only books in the Bible to tell the same story from four different angles Together they show us not only what Jesus was like and how he lived but how his life can become the model for our own Four Gospels One Christ offers an overview of the three years of Jesus public ministry what he did and how he did it as seen through the eyes of Matthew Mark Luke and John And by exploring the themes that run through the four Gospels it invites us to reflect on what it really means to follow Jesus Why John Wrote a Gospel Tom Thatcher, 2012-11-01 Nineteen hundred years ago someone called the Beloved Disciple told stories about Jesus and his days on earth including reports of what Jesus did and said These stories had been told for decades but then someone took the stories and wrote them down turning them from oral tradition into the book we know as the Gospel of John Scholars have long concentrated on the content of this Fourth Gospel analyzing how it differs from the Gospels of Matthew Mark and Luke and wondering how the different Gospels relate to the Jesus of history Thatcher builds on all this previous scholarship to ask new and exciting questions Why was this Gospel written Why would these followers of Jesus turn the oral stories into written Gospel In exploring the reason for writing the Fourth Gospel Thatcher focuses on how stories and written texts operate to reflect and to create memory with in groups of people He uncovers how early Christians strove to remember Jesus in the decades after his ministry and how Christians came into conflict with one another about which memories were best With this interest in the social memory of early Christians Thatcher provides original insights into the Gospel of John and shows new answers to old questions Writing in an engaging and accessible style Thatcher uses numerous diagrams and modern parallels to show how Gospel texts shape the memory and identity of Christian communities not only in the ancient world but today as well **Discovering Jesus?** T. Desmond Alexander, 2010-11-03 If asked how Matthew's Gospel differs from Luke's or what aspects of Jesus personhood and ministry the Gospel of Mark focuses on compared to those of John how would you answer In Discovering Jesus T D Alexander sets out to help readers understand how each Gospel account is uniquely written and why all four are important for having a rich picture of the person of Jesus Christ Alexander guides readers to see how the Gospels display Jesus as the Son of David who establishes the kingdom of God the Son of God who suffers to ransom others the Savior of the world who seeks the lost and the Lamb of God who brings eternal life through a new exodus Each chapter ends with discussion questions for individual or group study
