Christ's Call to Discipleship James Montgomery Boice, 2013-09-06 Boice describes what it means to live a life of true discipleship recognizing Christ's dominion not only as Savior but also as Lord Popular radio speaker author and pastor James Montgomery Boice describes what it means to live a life of true discipleship recognizing Christ's dominion not only as Savior but also as Lord Dr Boice explores the meaning path cost and rewards of being a true disciple As the author asserts in the preface I believe that if America could produce a generation of Christians who genuinely affirm and live by these teachings

The Call to Discipleship and What It Means to Follow Jesus John K Hulett, 2020-10-19 The Call to Discipleship and What It Means to Follow Jesus is based on sound biblical truths Every Scripture verse is inspired by God and given to the Holy Spirit for teaching disciples of Jesus Christ how to live holy and godly lives For some the Truth was made known early on in childhood by the Holy Spirit giving wisdom that leads to salvation through faith which is in Christ Jesus 2 Timothy 3 15 New American Standard Bible NASB [Jesus' Call to Discipleship](#) James D. G. Dunn, 1992-06-26 The latest book in the successful Understanding Jesus Today series Dunn explores the original meaning of discipleship in the early Church and then discusses what discipleship should mean for Christians today [The Call to Discipleship](#) Karl Barth, 2003-11-01 In this brief essay drawn from Church Dogmatics Barth articulates what it means to follow Jesus in faith He emphasizes that discipleship involves a detachment from the authority of possessions foregoing the pursuit of personal glory challenging the fear and use of force the dissolution of self evident personal attachments and a better righteousness which goes beyond actions to intentions and practices piety in secret The command of Jesus is issued with all the freedom and sovereignty of grace against which there can be no legitimate objections of which no one is worthy for which there can be no preparation which none can elect and in the face of which there can be no qualification *Opening the Door of Faith* Thomas D. Stegman, SJ, 2015 Essays that bring forth another source for study and reflection on the issue of faith the five major voices of the New Testament Matthew Mark Luke John and Paul This book lays out four dimensions of the life of faith from each of these voices

Losing to Gain Carolyn Ridgell Andersen, 2015-07-29 In Matthew 16 24-26 KJV says Then said Jesus unto his disciples If any man will come after me let him deny himself and take up his cross and follow me For whosoever will save his life shall lose it and whosoever will lose his life for my sake shall find it For what is a man profited if he shall gain the whole world and lose his own soul Or what shall a man give in exchange for his soul Our life is more fulfilled and meaningful when we surrender our will to God Life definitely will hand you surprises unexpected losses or disappointments but follow Jesus Allow God to take control to lead and guide you in everything concerning your life Only God can take less and do more take nothing and make something out of it And God receives the glory What we consider to be a loss will be a great gain when we are in a relationship with Jesus Christ It is all about accepting his love walking in it living a life that displays it In a relationship with him we learn true humility we develop a prayer life and learn what should have destroyed us only made us stronger You are

uniquely gifted and have an assignment to fulfill in the body of Christ As stated by the Apostle Paul in Romans 12 1 KJV that ye present your bodies a living sacrifice holy acceptable unto God which is your reasonable service and then you will be on a journey destined for greatness Jesus in the Gospels Winkley Professor Emeritus of Biblical Theology Leander E Keck,2005-09 Study Manual content illuminates some aspect of the Jesus in the Gospels each week and connects Scripture to daily life and Jesus call to discipleship The overarching aim is to deepen discipleship through better understanding of the biblical texts and their message The study helps group members understand that Jesus is rooted in Judaism and the Scriptures of Judaism and that Christianity and the New Testament are rooted in the Scriptures of Judaism our Old Testament The Study Manual guides daily study and preparation for the weekly group meeting The main elements in the format are designated by scriptural phrases They have no wine John 2 3 is a brief statement about the human condition and alerts the reader to some aspect of daily life that Scripture can shed light on Beginning with Moses and all the prophets Luke 24 27 is a way of referring to Scripture as a whole and signals the fact that we can understand Jesus in the Gospels better by understanding the Old Testament better Do you want to become his disciples too John 9 27 New International Version is designed to stimulate thoughtful reflection so readers can come to their own conclusions about what their own discipleship calls for Accompanying each day s Scripture reading assignments are suggestions of things to look for that take the reader deeper into Scripture As readers become aware of detail in Scripture they might ask themselves repeatedly What am I to make of this The study manual provides space for writing notes on insights observations and questions related to the Scripture and for putting into words personal perceptions of Jesus from the week s Scripture **The Disciple** John Stott,2019-06-20 If Christ is our Lord then we are his servants and if he is our teacher then we are his pupils Following Christ is a multi faceted responsibility We should remember Every true disciple is a listener We are both rational and emotional We can discern God s call and will Love is the first fruit of the Spirit a core ingredient of discipleship

Bonhoeffer's the Cost of Discipleship Greg Ligon,1999-01-01 Shepherd s Notes Christian Classics Series is designed to give readers a quick step by step overview of some of the enduring treasures of the Christian faith They are designed to be used along side the classic itself either in individual study or in a study group The faithful of all generations have found spiritual nourishment in the Scriptures and in the works of Christians of earlier generations Martin Luther and John Calvin would not have become who they were apart from their reading Augustine God used the writings of Martin Luther to move John Wesley from a religion of dead works to an experience at Aldersgate in which his heart was strangely warmed Shepherd s Notes will give pastors laypersons and students access to some of the treasures of Christian faith Catholicism in the Third Millennium Thomas P. Rausch,2003 What is Catholicism Where is the Church headed in the third millennium These questions provide the structure for this book which combines a faithful presentation of the tradition as well as a critical theological reflection of where the Church is today and where it might be moving *Dictionary of Jesus and the Gospels* Joel

B. Green, Scot McKnight, I. Howard Marshall, 1992-02-18 Edited by Joel B Green Scot McKnight and I Howard Marshall this reference work encompasses everything relating to Jesus and the Gospels

Conversion and Discipleship Bill Hull, 2016-01-12 Discipleship occurs when someone answers the call to learn from Jesus how to live his or her life as though Jesus were living it The end result is that the disciple becomes the kind of person who naturally does what Jesus did How the church understands salvation and the gospel is the key to recovering a biblical theology of discipleship Our doctrines of grace and salvation in some cases actually prevent us from creating an expectation that we are to be disciples of Jesus A person can profess to be a Christian and yet still live under the impression that they don't need to actually follow Jesus Being a follower is seen as an optional add on not a requirement It is a choice not a demand Being a Christian today has no connection with the biblical idea that we are formed into the image of Christ In this ground breaking new book pastor and author Bill Hull shows why our existing models of evangelism and discipleship fail to actually produce followers of Jesus He looks at the importance of recovering a robust view of the gospel and taking seriously the connection between conversion answering the call to follow Jesus and discipleship living like the one we claim to follow

The Forgotten Call? John G. Martin (Jr), 2023

Discipleship from Jesus's Perspective George Gray, 2012-11-17 In this masterful work George Gray calls the church to live out the most natural expression of her love and obedience to the Master Grounded in careful exegesis comprehensive and sensitive to the complexities of modern life Gray examines the Gospels as a script that reveals not only how Jesus shaped the first disciples but how we must carry on making disciples in His name David B Capes Thomas Nelson Research Professor Houston Baptist University Discipleship is not about teaching someone to pray and read his or her Bible it is about learning how Jesus wants us to pray and read our Bibles Discipleship is not about the doctrine of the Church but the doctrine of Jesus Christ the head of the Church It is not about attending a church service but attending to the Lord Jesus's view of what it means to be the church In *Discipleship from Jesus's Perspective* author George Gray presents a guide for becoming a disciple the way Jesus intended that discipleship means adhering to His expressed will Gray carefully examines Jesus's pivotal statements regarding discipleship and unearths the key principles that transform the art of making a disciple from a subjective guessing game to an objective and definitive master plan Including purposeful questions and exercises *Discipleship from Jesus's Perspective* provides practical steps for following the master plan and applying the commands to everyday life to become a true disciple of Jesus

The Great Omission Dallas Willard, 2006-06-13 The last command Jesus gave the church before he ascended to heaven was the Great Commission the call for Christians to make disciples of all the nations But Christians have responded by making Christians not disciples This according to brilliant scholar and renowned Christian thinker Dallas Willard has been the church's Great Omission The word disciple occurs 269 times in the New Testament writes Willard Christian is found three times and was first introduced to refer precisely to disciples of Jesus The New Testament is a book about disciples by disciples and for disciples of Jesus Christ But the point is not merely verbal What

is more important is that the kind of life we see in the earliest church is that of a special type of person. All of the assurances and benefits offered to humankind in the gospel evidently presuppose such a life and do not make realistic sense apart from it. The disciple of Jesus is not the deluxe or heavy duty model of the Christian especially padded textured streamlined and empowered for the fast lane on the straight and narrow way. He or she stands on the pages of the New Testament as the first level of basic transportation in the Kingdom of God. Willard boldly challenges the thought that we can be Christians without being disciples or call ourselves Christians without applying this understanding of life in the Kingdom of God to every aspect of life on earth. He calls on believers to restore what should be the heart of Christianity being active disciples of Jesus Christ. Willard shows us that in the school of life we are apprentices of the Teacher whose brilliance encourages us to rise above traditional church understanding and embrace the true meaning of discipleship an active concrete 24/7 life with Jesus.

The Way of Discipleship Anthony J. Gittins, 2016-11-04 Vatican II's famous declaration that the church on earth is by its very nature missionary has often been taken out of context and used to support all manner of church initiatives. But the conclusion of the statement since it has its origin in the mission of the Son and the Holy Spirit is of monumental importance. In *The Way of Discipleship* theologian Anthony Gittins describes the eternal mission of the Trinity historically brought down to earth in the ministry of Jesus and then continued to the ends of the earth by those called and sent as disciples throughout future generations. Gittins explains that Christian discipleship must be the living out of Jesus' own example in many different times and places. He encourages people of all ages to follow the invitation of Jesus to be missionary disciples. *The Way of Discipleship* explores several New Testament examples of Jesus' call and commissioning, distills the principles involved and then recontextualizes the stories so that they pose a direct challenge to disciples today. In this way Gittins builds up a picture both of the Way of Jesus himself and of the way in which today's disciples can loyally follow his call to mission.

Disciples Path: The Call Student Book Lifeway Students, 2015-09 Scripture makes it clear that when a person receives Christ as Savior and Lord he or she is a new creation; the old is literally gone and something entirely new has taken its place. Accepting Jesus' call to discipleship represents a foundational change in a disciple's identity, meaning and purpose as well as the way a disciple understands the world. *The Call* answers the question "Who am I as a disciple of Christ?" It begins by exploring who Jesus really is before walking through the priorities of a disciple, the cost of a disciple and the fruit of a disciple. Far too often we neglect to teach that following Christ is costly. True discipleship could end up costing everything, but it is worth that and more. Like all the releases in the *Disciples Path* series, *The Call* uses teaching questions, conversation exercise and individual study to facilitate transformational discipleship. As you work through this story you will gain a greater understanding of discipleship by examining the way Jesus disciplined. Understand the lordship of Jesus and a greater sense of identity in Christ. Realize how a disciple interacts with and responds to the world. Learn key biblical passages addressing what it means to follow Jesus. Know the cost and true value of following Jesus. *Disciples Path* is a series of resources founded on Jesus' model of

Leiva-Merikakis,2003-01-01 This book explores in depth six Gospel scenes so as to discover in these the essential elements of Christian discipleship It describes the basic requirements for receiving the Word of God effectively in our hearts namely that we become wet clay in God s hands so that God can impress upon us any form he chooses It also contemplates the vital position of the Mother of the Lord in the life of his disciples The author shows that the call to discipleship is above all an invitation to intimate companionship with Jesus as we read in Mark Jesus called to him those whom he desired in order that they might be with him 3 14 15 What we normally call the active apostolate can never be an end in itself but only the fruits of a life of prayer and adoration These are what must be at the heart of a disciple s life which can never be swept up by mere activism
