Walden,2015-05-14 My grandfather taught me many things as I sat and listened to him Most importantly I learned that he was a God fearing man I believe that God used my grandfather to instill hardworking values in me as well I miss him greatly and I miss the times I was able to learn from his ways of living As I grew I began to recognize the importance of being still and listening with all my being to him This has perhaps been one thing that God has used in my life to draw me to Him His Holy Word says for us to be still before Him and know that He is God So I was drawn by His Holy Spirit to listen with all my heart to His guidance And as I spent time before Him I learned to recognize the voice of God through His precious Holy Spirit within I could not get enough of His powerful presence so I sat long hours alone before Him and this book is the result In my time alone with God I asked a lot of questions about life and I have come to understand much more than I ever knew God says if you will seek Him you will find Him and if you call on Him He will answer you He will speak to you and through you by His Holy Spirit presence within Gods love is extended to us through His Son Jesus

Christ who gave His very life to set us free from the bondages of sin What is a journey to you When you spend time with the Father He will take you on a journey of victory When you truly seek Him with all your heart He will give you His wisdom His knowledge and His understanding As you acknowledge His presence and power throughout life your journey has begun

**Just Choose Happiness** Nell W. Mohney,2010-10-01 Nell W Mohney adapted from the Introduction In seminars I have conducted over a thirty year period I have discovered that the quality most wanted by Americans is happiness Many of those seminar participants drove to the seminars in luxury cars and they looked well fed and well dressed Yet individually they often expressed disappointment with life and admitted to having a feeling of emptiness They wanted and even felt entitled to more happiness I am one of those who truly believe that the basic answer to happiness is a spiritual one We are made for God and as Saint Augustine said Our hearts are restless til they rest in thee All parts of our personalities are drawn to wholeness and happiness when Christ is resident within In studying the life of Christ I remembered that although Jesus was a man of sorrow and acquainted with grief more than anything else he was a person of joy and happiness Even his purpose in coming into the world is revealed in John 10 10 I came that they might have life and have it abundantly This abundant life I believe is not just in the world to come but in the here and now where a series of committed choices can cause your spirit to sing

accomplishment that came before At that point as the scientist that I am I knew that my duty to the world was to write down every one of my thoughtforms to share with humanity because my thoughtforms allow all to live their Christ selves effortlessly because they actually make up the divine superstructure of the universe So in reading these thoughtforms they are being activated in your true awareness so that you are able to consciously understand what makes up the original Christ mind and what bridges the gap into your real Christ self This book is part 1 of the construction of the fifth dimension because as Christ I was able to defeat Satan in the Battle of Armageddon I will describe in depth how that happened and that started the fifth dimension of which these thoughtforms are the divine bolts that were invented by me to allow us effortless divinity
