Walking in the Dust of Rabbi Jesus Lois Tverberg, 2012-03-06 In this ebook download of Walking in the Dust of Rabbi Jesus Lois Tverberg challenges readers to follow their Rabbi more closely by reexamining his words in the light of their Jewish context Doing so will provide a richer deeper understanding of his ministry compelling us to live differently to become more Christ like We ll begin to understand why his first Jewish disciples abandoned everything to follow him to live out his commands Our modern society with its individualism and materialism is very different than the tight knit family oriented setting Jesus lived and taught in What wisdom can we glean from his Eastern biblical attitude toward life How can knowing Jesus within this context shed light on his teachings for us today In Walking in the Dust of Rabbi Jesus we ll journey back in time to eavesdrop on the conversations that arose among the rabbis of Jesus day and consider how hearing Rabbi Jesus with the ears of a first century disciple can bring new meaning to our faith And we ll listen to Jewish thinkers through the ages discovering how ideas that germinated in Jesus time have borne fruit Doing so will yield fresh practical insights for following our Rabbi s teachings from a Jewish point of view

Rabbi Jesus Bruce Chilton, 2002-05-14 Beginning with the Gospels interpretations of the life of Jesus have flourished for nearly two millennia yet a clear and coherent picture of Jesus as a man has remained elusive In Rabbi Jesus the noted biblical scholar

Bruce Chilton places Jesus within the context of his times to present a fresh historically accurate and revolutionary examination of the man who founded Christianity Drawing on recent archaeological findings and new translations and interpretations of ancient texts Chilton discusses in enlightening detail the philosophical and psychological foundations of Jesus ideas and beliefs His in depth investigation also provides evidence that contradicts long held beliefs about Jesus and the movement he led Chilton shows for example that the High Priest Caiaphas as well as Pontius Pilate played a central role in Jesus execution It is however Chilton s description of Jesus role as a rabbi or master of Jewish oral traditions as a teacher of the Cabala and as a practitioner of a Galilean form of Judaism that emphasized direct communication with God that casts an entirely new light on the origins of Christianity Seamlessly merging history and biography this penetrating highly readable book uncovers truths lost to the passage of time and reveals a new Jesus for the new millennium *Sitting at the Feet of Rabbi Jesus* Ann Spangler,Lois Tverberg,2009 By exploring the land culture customs prayers and feasts Spangler and Tverberg reveal Jesus through the eyes and ears of first century Jews **Listening to the Jewish Jesus** Paul Luckraft,2023-10-06 Paul Luckraft s book explores the Hebraic nature of the teaching of Jesus and shows how a first century rabbi spoke to other Jews of the time and in particular taught his disciples What can we expect to find from such an exploration and what can this mean for us today Jesus used many Hebraic idioms expressions commonly used in one language but which make less sense in another Someone outside the culture or who is not a native speaker can easily be confused A better grasp of such Hebraisms within the gospels will greatly improve our understanding of what Jesus is saying to us In his teaching Jesus often hinted at the Jewish scriptures employing the rabbinic technique of remez These allusions to the Old Testament would be readily picked up by his listeners but we can miss them We need to find these and unpack the depths of their meaning Jesus teaching also reflects aspects of first century Judaism with which we are largely unfamiliar and need to appreciate more fully One of these is the relationship between a rabbi and his disciples a theme which occupies the first part of the book This book will help those who teach the Bible as well as provide a companion for anyone wanting to read the gospels more accurately and follow Jesus more closely Come and listen afresh to the Jewish Jesus Reading the Bible with Rabbi Jesus Lois Tverberg,2018-01-02 What would it be like for modern readers to sit down beside Jesus as he explained the Bible to them What life changing insights might emerge from such a transformative encounter Lois Tverberg knows the treasures that await readers willing to learn how to read the Bible through Jewish eyes By helping them understand the Bible as Jesus and his first century listeners would have she bridges the gaps of time and culture in order to open the Bible to readers today Combining careful research with engaging prose Tverberg leads us on a journey back in time to shed light on how this Middle Eastern people approached life God and each other She explains age old imagery that we often misinterpret allowing us to approach God and the stories and teachings of Scripture with new eyes By helping readers grasp the perspective of its original audience she equips them to read the Bible in ways that will enrich their lives and

Pathways for Inter-Religious Dialogue in the Twenty-First Century Vladimir Latinovic, Gerard Mannion, Peter C. Phan, 2016-01-26 Without question inter religious relations are crucial in the contemporary age While most dialogue works on past and contemporary matters this volume takes on the relations among the Abrahamic religions and looks forward toward the possibility of real and lasting dialogue The book centers upon inter faith issues It identifies problems that stand in the way of fostering healthy dialogues both within particular religious traditions and between faiths The volume s contributors strive for a realization of already existing common ground between religions They engagingly explore how inter religious dialogue can be re energized for a new century **Our Father Abraham** Marvin R. Wilson, 2021-06-29 Although the roots of Christianity run deep into Hebrew soil many Christians remain regrettably uninformed about the rich Jewish heritage of the church Our Father Abraham delineates the vital link between Judaism and Christianity exemplified by the common ancestry of the two faiths traceable back to Abraham Marvin Wilson calls Christians to reexamine their Semitic heritage to regain a more authentically biblical understanding of what they believe and practice Wilson a trusted voice among both Jews and Christians speaks to both past and present first developing a historical perspective on the Jewish origins of the church and then discussing how the church can become more attuned to the Hebraic mindset of Scripture Drawing from his own extensive experience he also offers valuable practical guidance for salutary interaction between Christians and Jews Discussion questions at the end of each chapter make this book especially suitable for use in groups Christian Jewish or interfaith as readers strive to make sense of their own faith in connection with the other The second edition of Our Father Abraham features a new preface an expanded bibliography of recent relevant works and two new chapters one that discusses Jewish Christian relations after the Holocaust and another that reflects on Wilson s own fifty plus year career as an evangelical Christian deeply committed to interfaith dialogue As Christians and Jews feel a growing need for mutual support in an increasingly secular Western world Wilson s widely acclaimed book will offer encouragement and wise guidance toward this worthy end
