Herrick, 2005-09 Gathers key extra biblical writings that provide the necessary background for Gospel passages in one handy volume The IVP Bible Background Commentary: New Testament Craig S. Keener, 2014-01-03 Craig S Keener presents fascinating wonderfully useful information on the historical and cultural backgrounds of nearly every verse in the New Testament *A Guide to Biblical Commentaries and Reference Works, 11th Edition* John F. Evans, 2025-01-21 A Guide to Biblical Commentaries and Reference Works 11th Edition by John F Evans summarizes and briefly analyzes all recent and many older commentaries on each book of the Bible giving insightful comments on the approach of each commentary and its usefulness for biblical interpretation The easy to use book provides analysis in canonical order and includes helpful appendices for compiling a personal research library A Guide to Biblical Commentaries and Reference Works 11th Edition is a key reference tool for any student of the Bible pastors laity and scholars alike Jesus according to Scripture Darrell L. Bock, Benjamin I. Simpson, 2017-01-31 Updated Edition of a Bestselling Study of Jesus and the Gospels In this work Darrell Bock a leading evangelical New Testament scholar who speaks and teaches around the world and Benjamin Simpson show that a coherent portrait of Jesus emerges from the four Gospels when they are taken seriously as historical documents When read together the Gospels provide a clear picture of Jesus and his unique claims to authority This book surveys all the Gospel units and relates them to their parallel passages showing how the literary and canonical relationships work Offering up to date interaction with the latest discussions about Jesus the second edition has been substantially revised and updated throughout and includes three new chapters on how we got the Gospels The Jews and the World in the Fourth Gospel Lars Kierspel, 2006 Revised thesis Ph D Southern Baptist Theological Seminary Louisville Ky 2006 **Dethroning Jesus** Darrell L. Bock, Daniel B. Wallace, 2010-05-17 New York Times bestselling author Dr Darrell Bock teams up with Dr Daniel Wallace to help you separate fact from fiction among constant attacks on Christianity from popular culture and bogus scholars There is a quest going on to reduce Jesus to a mythic legend or to nothing more than a mere man Scholars such as Elaine Pagels and James Tabor are using recent discoveries like the Gospel of Judas and the Gospel of Thomas to argue that the Christ of Christianity is a contrived figure and that a different Christ one human and not divine is the true Christ Both research professors Bock and Wallace set out a vigorous defense of Christianity against a popular trend that they dub Jesusanity where Christ was simply a human teacher In their trademark easy to understand style the authors take on attempts to redefine Jesus in a convincing way that will help you understand that the orthodox understanding of Christ and his divinity is as trustworthy and sure as it ever was This book Refutes the six main claims that represent a large part of skepticism about Jesus today Provides credible answers to attacks on the traditional texts Defends against the interpretations of bogus scholars and the arguments of biased scholars Constructs a positive case for the Jesus of faith If you re exhausted by the constant attempts to dethrone Jesus renew the

security of your knowledge of who Jesus really is the Son of God *The Gospels and Acts* Michael Wilkins, Craig A. Evans, Darrell L. Bock, Andreas J. Köstenberger, 2013-10-01 The most comprehensive volume ever produced in defense of the Gospels and Acts The four Gospels and the book of Acts tell stories of Jesus life and the birth of Christianity Are these stories true history or just religious fiction Christians accept the stories as true and say that the entire Bible is a reliable communication inspired by God Against this non Christians have argued that the Bible is a book of legends myths and historical inaccuracies just another example of human religious endeavor In this volume four world class New Testament scholars address challenges to the reliability of the Gospels and Acts In order to identify the most important challenges the authors drew from the literature of skeptics and New Testament critics plus they included questions that many Christians ask as well The result is the most comprehensive defense of the Gospels and Acts that has ever been published The primary purpose of the Holman Apologetics Commentary on the Bible is to equip readers to defend the reliability of Scripture and the historic evangelical understanding of its teachings It is designed for use by general readers though scholars will find it a probing and welcome resource as well A secondary purpose is to encourage awareness and discussion of Bible difficulties that are not commonly mentioned from the pulpit or even the seminary lectern This is not a verse by verse commentary The authors were provided an index that identified verses known to be relevant to the topics of apologetics and biblical reliability They restricted their comments to these verses plus any others that they recognized as germane to the aims of this project Typically each commentary note begins by stating the challenge or challenges regarding the text at hand We attempt to state the case in all its potency as a critic would state it This approach takes seriously the critical viewpoint and helps ensure that the reader feels the full weight of the challenge The contributors take each challenge seriously and seek to describe viable solutions that support faith and align with a high view of Scripture **A Guide to Biblical Commentaries and Reference Works** John F. Evans, 2016-05-03 A Guide to Biblical Commentaries and Reference Works by John F Evans summarizes and briefly analyzes all recent and many older commentaries on each book of the Bible giving insightful comments on the approach of each commentary and its interpretive usefulness especially for evangelical interpreters of the Bible A Guide to Biblical Commentaries and Reference Works is essentially an annotated bibliography of hundreds of commentators More scholarly books receive a longer more detailed treatment than do lay commentaries and highly recommended commentaries have their author s names in bold The author keeps up on the publication of commentaries and intends to update this book every three to four years **The Omnipresence of Jesus Christ** Theodore Zachariades, 2015-06-01 This important book reassesses the classic Chalcedonian view of Jesus one person two natures It carefully rejects all forms of kenotic Christology and affirms that Jesus possessed and used all the divine attributes in particular that of omnipresence arguing that evangelical scholars have abandoned this important truth This has ramifications for our view of the Holy Spirit and of Christ s presence with his people It challenges us to read the Scriptures again and to live in the presence of Jesus Publisher Commendation In

this important study of orthodox Christology Dr Zachariades develops an aspect of it that has generally been neglected How should we understand the universal presence of the risen ascended and glorified Christ Starting with the controversies of the early church he takes us through the questions involved in the discussion and points us to a deeper understanding of how Christ is both God and man at the same time Gerald L Bray Research Professor of Divinity History and Doctrine Beeson Divinity School USA

The Function of Exorcism Stories in Mark's Gospel Andreas Hauw, 2019-05-29 This book investigates stories of Jesus exorcisms in the Gospel of Mark The story of Jesus first public ministry in the synagogue Mark 1 21 28 and the Beelzebul controversy story 3 20 30 are examined to understand the other acts of exorcism that Jesus performed 5 1 20 7 24 30 9 14 32 Both Mark 1 21 28 and 3 20 30 highlight Jesus as a teacher and as an eschatological exorcist The latter stresses Jesus own understanding of exorcism and relates his identity with that of the Holy Spirit Therefore the first two exorcism stories in Mark's Gospel confirm Jesus as the bearer of the kingdom of God The motif of discipleship which is evident in both stories contributes to delineating Jesus christological identity as the Son of God as indicated by the incipit of Mark's Gospel Mark 1 1 Markan exorcism stories in Mark 5 1 20 7 24 30 and 9 14 29 further develop the presentation of Jesus exorcisms and other primary motifs The motifs of authority identity and mission confirm the christological identity of Jesus within gentile territory and are an important part of his mission to the gentiles Jesus specific mission in Mark 9 14 29 presents the exorcism that Jesus performed in the context of his role in both death and resurrection In this way Jesus as the bearer of the kingdom of God defeats the kingdom of Beelzebul

Eschatological Relationships and Jesus in Ben F. Meyer, N. T. Wright, and Progressive Dispensationalism Richard Fountain, 2016-07-29 Modern scholars have varied responses to apocalyptic narrative in the Synoptic Gospels Some ignore it others reinterpret it and don't think that Jesus warning about persecution works in this setting In order to understand apocalyptic in the New Testament we need to understand Jewish apocalyptic and its similarities and differences with Jesus We need to know the key themes and where those themes develop in the Synoptic Gospels Eschatological Relationships and Jesus begins by exploring the components of prophetic and apocalyptic eschatology figurative language history sequence and juxtaposition of ideas and then develops some of the major theological themes in Meyer Wright and Progressive Dispensationalism from the Synoptic Gospels As readers work through Eschatological Relationships and Jesus they begin to see and interpret the various patterns and themes in the eschatological discourses Samples from Mark's Gospel to Matthew and Luke and a table of key eschatological relations makes this study a practical guide to the gospels

Keener,2012-04-13 The earliest substantive sources available for historical Jesus research are in the Gospels themselves when interpreted in their early Jewish setting their picture of Jesus is more coherent and plausible than are the competing theories offered by many modern scholars So argues Craig Keener in *The Historical Jesus of the Gospels* In exploring the depth and riches of the material found in the Synoptic Gospels Keener shows how many works on the historical Jesus emphasize just one aspect of the Jesus tradition against others but a much wider range of material in the Jesus tradition makes sense in an ancient Jewish setting Keener masterfully uses a broad range of evidence from the early Jesus traditions and early Judaism to reconstruct a fuller portrait of the Jesus who lived in history **Judge Jesus** Jeremiah L. Stallman,2021-09-14 How do you understand the messianic judgeship of Jesus Interpreting certain themes in the Gospels is often done through a twenty first century Western perspective Judge Jesus will seek to help a modern reader of the Gospel of John see the concept of Jesus s messianic judgeship through the eyes of a first century Jewish audience Judge Jesus will explore how the themes of judgment and messianic expectation throughout Early Judaism impacted how John s Jewish audience would have understood the words of his Gospel As a twenty first century interpreter of the Gospel of John your studies will be greatly enhanced as you start to see these themes in the same way that John s Jewish audience originally understood the words that he wrote **The Bible and Borders** M. Daniel Carroll R.,2020-05-19 With so many people around the globe migrating how should Christians and the church respond Leading Latino American biblical scholar M Daniel Carroll R Rodas helps readers understand what the Bible says about immigration offering accessible nuanced and sympathetic guidance for the church After two successful editions of *Christians at the Border* and having talked and written about immigration over the past decade Carroll has sharpened his focus and refined his argument to make sure we hear clearly what the Bible says about one of the most pressing issues of our day He has reworked the biblical material adding insights and broadening the frame of reference beyond the US As Carroll explores the surprising amount of material in the Old and New Testaments that deals with migration he shows how this topic is fundamental to the message of the Bible and how it affects our understanding of God and the mission of the church **CCDA Theological Journal, 2012 Edition** Chris Jehle,2013-08-28 The Theological Journal is designed to enable our practitioners to capably integrate theological concepts into their practice The articles are written by CCDA members and will challenge us to go deeper theologically while giving us language that will allow us to dialogue outside of The Academy Theological reflection and engagement among practitioners and with our neighbors can often be strange bedfellows but this should not be the case *The Lion and the Lamb* Andreas J.
