## **Jesus Insurgency The Church Revolution From The Edge Adaptive Leadership Series:**

**Jesus Insurgency** Rev. Rudy Rasmus, Dottie Escobedo-Frank, 2012-02-01 Crunching more data maybe helpful but will not revolutionize let alone save a declining church We need creative thinking done by people who are not afraid to face the institutional church Indeed the change we long for is already happening It is happening on the margins in ministries to the least the last and the lost Written by two creative pastors with different but successful ministries this breathtaking book will show you how the church can live out its mission and ignite a movement If we pay attention we can let this Jesus Insurgency create new life

*Converge Bible Studies: Our Common Sins* Dottie Escobedo-Frank, 2013-04-04 The disciples were fairly ordinary people They had regular families made their livelihoods in regular ways and had typical and varied political leanings But they met Jesus and started to live extraordinary lives Because of their closeness to Jesus we tend to think that the disciples lived lives with less sin than we live with We imagine that Jesus love rubbed off on them so that they were also extraordinary humans But the Gospels show us differently They show us that Jesus close companions were as human as we are And it is because we recognize the sins of the disciples as our own that we can relate to them so closely They are our common sins Converge Bible Studies is a series of topical Bible studies based on the Common English Bible Each title in the series consists of four studies on a common topic or theme Converge can be used by small groups classes or individuals Primary Scripture passages are included for ease of study as are questions designed to encourage both personal reflection and group conversation The topics and Scriptures in Converge come together to transform readers relationships with others themselves and God

*Under the Oak Tree* Ronald J. Allen, John S. McClure, O. Wesley Allen, 2013-11-06 Two trends in the early twenty first century intersect to give this volume immediate relevance 1 The emerging postmodern ethos in North America is calling into question many things we have taken for granted including the purposes of the church and 2 our time is increasingly fractious as groups with distinct worldviews become polarized and often antagonistic Eleven noted contributors join a growing current that sees conversation as an image to refresh our thinking about the nature and purpose of the church and as a process in which individuals and communities with different perspectives come together for real understanding Under the Oak Tree employs the image of Sarah and Abraham greeting three visitors under the Oaks of Mamre as an image for the church as a community of conversation a community that opens itself to the otherness of the Bible voices in history and tradition others in the contemporary social and ecological worlds Furthermore the book shows how conversation can lead the church to action The book takes a practical approach by exploring how conversation can shape key parts of the church's life Topics include preaching worship formation evangelism pastoral care mission and ecumenism social witness and the relationship of Christianity to other religions Foundational chapters consider God as conversational the church as community of conversation and the minister as conversation leader

**Revolution** Michael L. Brown, 2020-10-06 A revolution of repentance by the power of the Holy Spirit is needed in the church to bring renewal to a hurting nation After

reading Revolution you will understand what a biblical revolution looks like and how to implement it starting within your own heart and going outward from there This book is not a call to the violent overthrow of the government nor is it a call to take up arms nor is it a call to political activism in and of itself It is a call to something far more extreme a call to live out the gospel with all its radical claims a call for the people of God to impact this generation with the prophetic message of repentance a call to spark the most sweeping counterculture movement in our nation s history a call to take back the moral high ground that has been stolen from under our feet a call to follow Jesus by life or by death Revolution answers such questions as What is the role of the Christian and the church during these tumultuous times How are we to respond to the racial upheaval happening in our nation What is the church s role in healing the divide in our fractured divided country Dr Brown turns up the volume in this call to God s remnant people to pray repent and act according to the teachings of Jesus who is calling us to holy revolution

**How to Start a Riot** Jonathan Stornament, 2014 A story about shipwrecks snakebites beatings meetings and other church events The way of Jesus has always been wilder than we think and more dangerous than we d like This is a book about what it means to belong to the community of God a book about how to Support Your Local Jesus Revolution
