Jesus Is Lord Christology Yesterday And Today:

Jesus is Lord Donald Macleod, 2000 Donald Macleod is able to explain complex thoughts with simplicity and clarity This is his contribution to the debate on Christology Christ's Humanity in Current and Ancient Controversy: Fallen or Not? E. Jerome Van Kuiken, 2017-07-13 Was Christ's human nature fallen even sinful From the 18th century to the present this view has become increasingly prominent in Reformed theological circles and beyond despite vigorous opposition Both sides on the issue see it as vital for understanding the nature of salvation Each side s advocates appeal to or critique the Church Fathers This book reviews the history and present state of the debate then surveys the connections distinctions and patristic interpretations of five of the modern fallenness views proponents Edward Irving Karl Barth T F Torrance Colin Gunton and Thomas Weinandy and five of its opponents Marcus Dods the Elder A B Bruce H R Mackintosh Philip Hughes and Donald Macleod The book verifies the views of the ten most cited Fathers five Greek Irenaeus Athanasius Gregory Nazianzen Gregory Nyssen and Cyril of Alexandria and five Latin Tertullian Hilary of Poitiers Ambrose Augustine and Leo the Great The study concludes by sketching the implications of its findings for the doctrines of the Immaculate Conception sin sanctification Patrick Navas, 2006-10-01 In Divine Truth or Human Tradition the author examines the viewpoints and Scripture expositions of prominent evangelical scholars and apologists including popular author and debater Dr James R White author of The Forgotten Trinity John MacArthur President of The Master's Seminary Wayne Grudem author of the widely read Systematic Theology Robert Bowman Jr author of Why You Should Believe in the Trinity Robert Morey Founder of California Biblical University and Seminary and author of The Trinity Evidence and Issues R C Sproul President of Ligonier Ministries Robert L Reymond author of Jesus Divine Messiah and A New Systematic Theology of the Christian Faith and others According to what has long been considered mainstream Christian orthodoxy the doctrine of the Trinity the idea that the one true God is in the ultimate sense a divine being made up of three co equal and co eternal persons is not only central to the Christian faith but absolutely necessary for one to accept in order to be counted as a true Christian and be saved Such a demand on a Christian's faith has come across as strange and perplexing to many especially so in light of the fact pointed out by one respected Trinitarian The Trinity is not clearly or explicitly taught anywhere in Scripture yet it is widely regarded as a central doctrine indispensable to the Christian faith In this regard it goes contrary to what is virtually an axiom that is a given a self evident truth of biblical doctrine namely that there is a direct correlation between the scriptural clarity of a doctrine and its cruciality to the faith and life of the church Millard J Erickson God in ThreePersons p 11 Emphasis added Understandably this fact has raised questions in the minds of Christians and truth seekers alike ever since the doctrine was first decreed as mandatory to confess in the late 4th century Many Christians have wondered How can a doctrine that is no

Theosis in the Theology of Thomas Torrance Myk Habets, 2016-02-17 Torrance s vision of Theosis deification divinisation is explored through his doctrine of creation and anthropology his characterisation of the incarnation his accounts of

reconciliation and union with Christ and his theology of church and sacraments Myk Habets study distinguishes Torrance s Reformed vision of theosis from other possible accounts of salvation as divinisation as they are found for instance within patristic thought and Eastern Orthodoxy This book presents the first critique of the theology of T F Torrance to focus on theosis and examines a model of theosis within the realm of reformed theology built upon Western theology **Christ Jesus**" Stephen Oliver Stout, 2011-06-17 Does the Apostle Paul have any use for the person of Jesus presented in the Gospels Critical scholarship thinks not but this book argues that Paul not only mentions more than seventy specific details of the historical Jesus but he also commends the character of Jesus and echoes His teachings repeatedly in his letters and sermons in full agreement with the Gospel accounts Stout examines Paul's intriguing description of the Man Christ Jesus 1 Tim 2.5 and suggests that this title fulfills the OT expectation of God appearing in human history as a man In his incarnated humanity the Man Christ Jesus accomplished salvation in the historical events of his life and death and in his resurrected humanity he appeared to Paul on the Damascus Road rooting Paul s Christology deeply in human experience Furthermore Stout shows how Paul rests his concept of salvation on a neglected aspect of his doctrine that the entire church is associated with the historical events of the life death and resurrection of Jesus an association which also unites his church with one another in fellowship and service This book then demonstrates that Paul's gospel rests upon Jesus as a man of history who T. F. Torrance's Christological brings salvation into human history in his life death and exaltation as the Man Christ Jesus Anthropology Christopher G. Woznicki, 2022-06-01 This book demonstrates the promise of Christology for developing Scottish theologian T F Torrance s theological anthropology T F Torrance s Christological Anthropology Discerning Humanity in Christ engages with several key themes in Torrance s theological anthropology and considers how each one of these topics anthropological method the metaphysics of human nature the imago Dei personhood vocation human destiny can be further developed in light of Christ Christopher Woznicki argues that Christology not only holds promise for the task of developing Torrance s insights on humanity but also for developing a constructive account of humanity. The volume is valuable reading for scholars of T F Torrance's theology and for those who are interested in the role of Christology in theological anthropology

Jesus Christ as Ancestor Reuben Turbi Luka,2019-08-31 In this critical study Dr Turbi Luka uses historical theological methodology to engage in detail with Christologies of key African theologians and conventional theological sources for Christology including the church fathers Tertullian and Athanasius as well as modern theologians Turbi argues that existing African Christologies specifically ancestor Christologies are inadequate in expressing the person of Christ as Messiah and saviour the fulfilment of Old Testament prophesies Providing a new approach Turbi proposes an African Linguistic Affinity Christology that explicitly portrays Jesus as Christ in a contextually relevant way for Africans in everyday life This crucial study highlights the need for biblically rooted Christology and for sound theological understanding and naming of Jesus at every level This book also warns the church in Africa and elsewhere to avoid repeating the dangerous christological heresies

of the ancient church by remaining faithful to a biblical interpretation and orthodox theology of Christ The Christ's Faith Michael Allen, 2009-04-01 The Christ's Faith coheres with orthodox Christology and Reformation soteriology and needs to be affirmed to properly confirm the true humanity of the incarnate Son Without addressing the interpretation of the Pauline phrase pistis christou this study offers a theological rationale for an exegetical possibility and enriches a dogmatic account of the humanity of the Christ The coherence of the Christ's faith is shown in two ways First the objection of Thomas Aguinas is refuted by demonstrating that faith is fitting for the incarnate Son Second a theological ontology is offered which affirms divine perfection and transcendence in qualitative fashion undergirding a Chalcedonian and Reformed Christology Thus the humanity of the Christ may be construed as a fallen human nature assumed by the person of the Word and sanctified by the Holy Spirit The dogmatic location of The Christ's Faith is sketched by suggesting its potential function within three influential theological systems Thomas Aguinas federal theology and Karl Barth Furthermore the soteriological role of the doctrine is demonstrated by showing the theological necessity of faith for valid obedience before God Model of the Church David Y.T. Lee, 2018-06-11 Edward Irving 1792 1834 has been known as a controversial pastor theologian in nineteenth century Britain particularly given his belief that Christ took on sinful flesh in His incarnation This book focuses on Irving's teaching of the church as the body of Christ in the power of the Holy Spirit and the eschatological community in holiness It explores Irving s emphasis upon the exalted humanity of Christ after His resurrection in relation to the church Such a Christ centred and Spirit empowered concept of the church has relevance to the twenty first century church in China as the Chinese church leaders attempt to reconstruct a contemporary theology of the church Flesh and **Blood** Daniel Jordan Cameron, 2016-10-12 If you were told that Christ assumed a fallen human nature how would you respond This statement makes many uncomfortable because they believe that to agree with this statement would sacrifice the sinlessness of Jesus Others have said that this view is heretical and completely undermines what scripture teaches But does it In Flesh and Blood Daniel J Cameron examines this idea and its critics such as Oliver Crisp and Kevin Chiarot to see if it is possible to say that Christ did in fact assume a fallen human nature Daniel examines one of the most well known proponents of this view T F Torrance to see if his arguments can overcome those who have critiqued him Daniel begins by explaining the fallen nature view from the perspective of Torrance He then moves to explain some of the biggest critiques of this view and then in chapter 4 seeks to find an answer to the critics This book ends by examining the role of the Holy Spirit in the life of Christ as it pertains to this question **Theology in Transposition** Myk Habets, 2013-11-01 T F Torrance was one of the most significant English language theologians of the 20th century known extensively for his curatorship of the English translation of Barth's Church Dogmatics but also for his own prodigious theological scholarship The complexity and astonishing breadth of Torrance s output however have made assessment and appropriation markedly difficult This volume seeks to rectify that lack of assessment through careful exposition of the vital centers and interconnections within Torrance s

theology alongside constructive appraisal and critique of his contributions to contemporary theology Divine Truth or Human Tradition? Patrick Navas, 2011-07-07 In Divine Truth or Human Tradition the author critically examines the viewpoints and Scripture expositions of prominent evangelical scholars and apologists including Dr James R White author of The Forgotten Trinity Dr John MacArthur President of The Master's Seminary Wayne Grudem author of the widely read Systematic Theology Robert Morey author of The Trinity Evidence and Issues Robert L Reymond author of A New Systematic Theology of the Christian Faith and others According to what has long been considered mainstream Christian orthodoxy the doctrine of the Trinity the idea that the one God of the Bible is a singular being made up of three coequal and coeternal persons is not only central to the Christian faith but even necessary for one to accept in order to be counted as a true Christian and be saved Such a demand on a Christian's faith has come across as strange and perplexing to many especially so in light of the fact pointed out by one respected Trinitarian The Trinity is not clearly or explicitly taught anywhere in Scripture yet it is widely regarded as a central doctrine indispensable to the Christian faith In this regard it goes contrary to what is virtually an axiom that is a given a self evident truth of biblical doctrine namely that there is a direct correlation between the scriptural clarity of a doctrine and its cruciality to the faith and life of the church Millard J Erickson God in Three Persons p 11 Emphasis added Understandably this fact has raised questions in the minds of Christians and truth seekers alike ever since the doctrine was first articulated in the late 4th century Many Christians have wondered How can a doctrine that is not clearly or explicitly taught in the Bible be necessary to accept in order to be a true practitioner of the Thomas F. of contributors engage Torrance s pioneering and provocative thought deriving insights from theological loci such as Scripture Christology and atonement as well as from broader topics like domestic violence and science These stimulating essays reveal how Torrance can help evangelical theologians articulate richer and deeper theology **Communion with** the Triune God Dick O. Eugenio, 2014-03-03 The revival of Trinitarian studies in the twentieth century ushered in a new era of theological innovation The renewed and dedicated articulation of the Trinity as a doctrine in its own right is indeed noteworthy but more important and praiseworthy are the recent endeavors of theologians in integrating the doctrine of the Trinity with other Christian doctrines and with the many variegated aspects of the life and ministries of the church Today it is common to encounter the term Trinitarian being used as a modifier Trinitarian worship Trinitarian ecclesiology etc This book presents Thomas F Torrance as a participant theologian in this integrative paradigm Because Torrance argues that the Trinity is the ground and grammar of theology his doctrine of salvation is consistently Trinitarian But how did he formulate his unique Trinitarian soteriology This book attempts to spell this out From Heaven He Came and Sought Her David Gibson, Jonathan Gibson, 2013-11-30 There is a palpable sense of confusion and sometimes even embarrassment with regard to so called limited at one ment today pointing to the need for thoughtful engagement with this controversial doctrine Incorporating contributions from a host of respected theologians From Heaven He Came and Sought Her stands as the first comprehensive resource on definite atonement as it examines the issue from historical biblical theological and pastoral perspectives Offering scholarly insights for those seeking a thorough and well researched discussion this book will encourage charitable conversations as it winsomely defends this foundational tenet of Reformed theology The epub edition of this title will not display correctly when viewed on Adobe Digital Editions Hebrew characters will be inaccurately displayed in this A Rebel Saint Philip D. Hill, 2022-01-01 Baptist Noel 1798 1873 has been described by the American Evangelical reader Anglican historian Grayson Carter as a towering figure in nineteenth century Evangelicalism but he has been written out of its story because he was a saintly rebel who counted a good conscience more valuable than a good standing This ultimately led him to abandon his glittering Anglican career and aristocratic family to become a Baptist minister A Rebel Saint is a comprehensive study of Noel's life work and thought correcting the neglect of his remarkable Anglican and Baptist ministries and his many years of prominence in Evangelical life Philip Hill ably illustrates his influence on issues including the Irvingite controversy the opposition to the Tractarian movement and Evangelical ecumenism and explains his centrality in the establishment of the Evangelical Alliance and the London City Mission Scholars of Evangelical history will greatly value this account of a pivotal figure while all will be inspired by his story of sacrifice of fame and fortune for the sake of obeying religious conscience **T&T Clark Handbook of Thomas F. Torrance** Paul D. Molnar, Myk Habets, 2020-02-20 This handbook explores Thomas F Torrance s importance in modern theology with each contribution bringing Torrance s deep and nuanced insights to a broad range of contemporary theological concerns The contributors to this volume present cutting

edge Torrance scholarship for a new generation which will enable readers to see the timely significance of Torrance for today Comprising both contexts and dogmatics these essays not only introduce key themes in Torrance's extensive published writings including his work on the Trinity ecumenism incarnation at one ment and eschatology but also provide fresh interpretations fully conversant with theological problems facing the church in the world today Designed as both a guide for students and a reference point for scholars this handbook thoroughly explores the frameworks of key debates related to Torrance s theology while also suggesting fresh interpretative strategies concerning his thought Jones, Michael A. G. Haykin, 2018-10-01 This is a study on Reformed theological debates during the Long Eighteenth Century in Britain and New England By Long a period that goes beyond 1700 1799 is in view This examination begins just before the eighteenth century by looking at the Neonomian Antinomian debate in the 1690s This is followed by the Marrow Controversy in Scotland in the eighteenth century After that the authors address the ecclesiological debates between George Whitefield and the Erskines The doctrine of free choice concerning Edwards and his departure from classical Reformed orthodoxy is highlighted next followed by reflections on the Edwardseans and the atonement Returning to Britain again the volume provides a study on hyper Calvinism and on eschatological differences among key figures in the eighteenth century More specific debates in particular Baptist circles are noted including the battle over Sandemandianism and the Trinitarian battles fought by Andrew Fuller and others Returning to ecclesiology a discussion on the subscription controversy in Philadelphia in the early eighteenth century and an analysis of the debate about the nature of revival in New England close this volume
