Job - un hombre de resistencia heroica Charles R. Swindoll, 2005-05 The trials of Job are legendary But not many people truly understand what those trials were all about and what God was trying to accomplish through them Swindoll explains the key to developing heroic endurance *Paperbound Books in Print 1995* Reed Reference Publishing, R5ference Reed, 1995-12 **Spanish: Comentario Temático sobre el Corán (A Thematic Commentary on the Quran)** Shaykh Muhammad al-Ghazali, 2014-01-01 Muslims are enjoined along with the rest of humanity to read the two great Books of Revelation and Creation i e the Qur an and the natural world Reading one without the other will result in an imbalance detrimental to the existence and prosperity of humankind on earth indeed to the divine purpose in the cosmos A Thematic Commentary by the late Shaykh al Ghazali is a significant contribution to the first reading i e that of the Qur an the repository of divine truth and enlightenment Already of course there is a wealth an abundance of exegetical work on the Qur an But while early scholars endeavored to elucidate many linguistic historical and miraculous aspects of the sacred and challenging text al Ghazali s contribution is somewhat unique and modern in the sense that it focuses on the organic unity of each surah chapter highlighting the logic or inherent reasoning that courses through the surah and unifies its various components and images No exegesis is by itself sufficient for a full understanding of the Qur an But this work is an indispensable companion in the quest for a better comprehension of and a closer affinity with the sacred text The Imitation of Christ B. J. H. Biggs, 1997 The Imitatio Christi probably written by Thomas Kempis in the 1420s has become one of the most popular texts of Christian devotion This new edition of its first English translation made in the mid fifteenth century includes an introduction explanatory notes and a glossary **Books In Print 2004-2005** Ed Bowker Staff, Staff Bowker, Ed, 2004 *Spanish - Applied New Testament Commentary* Stephen Thorson Tom Hale, Spanish Language Edition The Applied New Testament Commentary is an easy to read down to earth commentary on the text of the New Testament It can be used with any version of the Bible and includes bull bull General Articles on important aspects of the Christian faith bull An Introduction to each book of the New Testament bull Word definitions bull Clear explanations of Bible text bull How to apply the Bible to everyday life Dr Tom Hale is an experienced medical missionary in Nepal and his commentary is essentially a missionary s commentary Although he has done his biblical homework and he thinks theologically he does not write from the ivory tower of academia His concern is rather for the grass roots of newly planted churches He is familiar with the problems they face and the questions they ask He wrestles with the need for cross cultural application He is committed to the unity of the church and urges us to give one another the liberty of interpretation in those secondary areas in which we disagree And his straightforward easy to read style includes both a simple vocabulary and short sentences Inevitably a one man commentary will not please everybody But he has struggled to rid himself of bias so that there is very much here for all Bible students to learn whatever their cultural or denominational background In fact the Applied New Testament
