Jesus' Transforming Beatitudes Dwayne Cole, 2015-05-01 This is the first of a trilogy of books on the Common Lectionary a three year cycle of readings planned to guide the church through the reading of the Bible with a focus on the main seasons Advent Christmas Epiphany Lent Holy Week Passion of Jesus Easter and Pentecost The three year cycle is simply called Cycles A B and C Most Christian churches follow these readings in the Common Lectionary The overarching thesis of all three of my books is that the gentle teachings of Jesus slowly but surely transform our lives our churches and our world Building on this theme Cycle A focusing on the Gospel of Matthew is *Jesus Transforming Beatitudes* Cycle B focusing on the Gospel of Mark and the Great Commandment is *Jesus Transforming Love* Cycle C focusing on the Gospel of Luke the more gentle of the Gospels is *Jesus Transforming Gentle Teachings* While the focus of the trilogy is on the gentle teachings of Jesus in the Synoptic Gospels Matthew Mark and Luke the Gospel of John is interspersed in all three cycles as are the readings from the Old Testament and the Epistles of the New Testament Unless otherwise cited all scriptural quotations are from the New Revised Standard Version of the Bible hereafter cited as NRSV Why have I chosen to focus on the term transformation Transformation is a good word for describing Christian healing and growth in grace Our society is in need of constant transformation from poverty to resources to live a full and meaningful life from hatred to love from war to peace from despair to hope The crucial question is How does transformation occur Surely it is not an instantaneous onetime confession of faith Christian nurture resulting in transformation throughout life is a better image Thus Christian nurture supports the thesis of these sermons in the entire trilogy that the gentle teachings of Jesus based on God s creative responsive love are life transforming The Gospel of Matthew is known for the Sermon on the Mount and the beatitudes that introduce the teachings of Jesus with the crowd However the beatitudes are not just an introduction to the sermon they are a vital part of that teaching There are a few beatitudes scattered throughout the Gospel of Matthew and not found in the collection in Matthew 5 1 11 These beatitudes will be found in some of the sermons and help support the title of this first volume in the trilogy *Jesus Transforming Beatitudes* The reversal of the expected outcome in the beatitudes like blessed are the meek for they will inherit the earth fits the same reversal of the

expected found in the parables of Jesus The idea of the reversal of the expected is carried by two verbs in the beatitudes The present tense verb are locates the action in the present gentle ministry of Jesus The future tense verb will affirms God s creation of newness For the beatitude to be fulfilled in newness transformation must occur Hopefully the reader will find that Jesus gentle parables support the themes of the beatitudes and flesh out their theology *Lectionary Preaching Workbook, Series VI, Cycle C* E. Carver McGriff,1998 Preachers must understand the teaching techniques of parable and hyperbole not to mention having a good background in systematic theology in order to understand what the Bible s writers really meant But our responsibility is also to reduce the complexities of Bible study to such simplicities that our many listeners ranging from busy young professional people to aging men and women of failing health to youngsters facing a variety of new temptations can take away a saving word from the Preface E Carver McGriff provides the tools preachers need for their daunting task with some of the most timely and thought provoking research on the lectionary texts ever made available Included for each scriptural lesson in the lectionary are A listing of the applicable Revised Common Roman Catholic and Episcopal lectionary texts A description of the Psalm of the day A prayer for the day Commentary that is more than academic exegesis McGriff brings to the forefront those points in the lessons that relate most poignantly to our contemporary reality Suggested sermon titles for each of the three texts for each Sunday Themes and suggested directions for preaching on each text Several additional illustrations to enliven your preaching Known in the Indianapolis community as a preacher with extraordinary gifts it is no surprise at all that this work by Carver McGriff brings remarkable insights to those who look for integrity in their preaching Carver looks at the texts with a freshness that is sure to stimulate the thought process Careful use of these suggestions will bring serendipities to preacher and congregation George H Tooze Senior Minister First Baptist Church Indianapolis Indiana One of America s premiere preachers E Carver McGriff returned home after earning two Purple Hearts during World War II to earn a degree in business administration from Butler University Following a career as a salesman and business owner McGriff entered Garrett Theological Seminary where he was voted Best Preacher by the faculty and graduated with distinction During his 26 year ministry at St Luke s Methodist Church in Indianapolis McGriff spearheaded his congregation s remarkable growth in membership from 900 to 4 400 with average Sunday attendance increasing from 300 to over 1 850 McGriff received an honorary degree from the University of Indianapolis and the Outstanding Alumnus award from Butler University and was voted the Distinguished Alumnus of the year by Christian Theological Seminary McGriff was also honored in 1993 by the Governor of Indiana with the Sagamore of the Wabash His sermons have been distributed nationwide by the United Methodist Publishing House **The Gentleman's Magazine: Or, Monthly Intelligencer** Edward Cave,1786 **The Gentleman's Magazine, and Historical Chronicle, for the Year ...** ,1842

Lectionary Preaching Workbook Russell F. Anderson,1997 Bigger stronger better Russell Anderson has taken the most original and successful lectionary resource in history and improved on it He has kept all of the traditional features that
