JESUS SPEAKS

simply read and often begin to make sense as reading the book."

the Floodgates A. E. Gillies, 2017-11-06 In *Closing the Floodgates* psychotherapist Dr Ann Gillies has written a blockbuster of a book exposing the biased unscientific and corrupt methods used to promote the sexual revolution of the last sixty years In her powerful and compelling analysis she shows how the truth of scientific fact has been overturned in the interest of pleasure and personal feelings and how a determined minority is using social engineering to reconstruct our social and moral worlds by redefining gender sexuality and the family She draws an alarming picture of the consequences identity confusion among the youth sexual abuse and victimization of children soaring rates of suicide and sexually transmitted diseases the embedding of false unhealthy and immoral teaching in the school curriculum and the loss of freedom of speech and parental rights While a few readers may find the level of detailed academic content challenging at times Dr Gillies is able to make professional findings understandable and real for the average person For all the necessary research and statistical reporting

this is a gut level book In a time of culture wars when the truth about gender and sexuality is under attack this book sets the record straight It issues a rallying cry to parents and others concerned for the future of the family and western society to be informed and take action before it is too late Dr George R Slater author of Along Comes God and Bringing Dreams to Life
