## **Jesus Twin Dialogue Gospel Thomas:**

*Jesus' Twin* James W. Heisig, 2015 In *Jesus Twin* a scholar shares his personal reflections into the Gospel of Thomas offering a learned accessible introduction as well as inspiring insights into these ancient texts that have long stirred curiosity and inquiry James Heisig who has read and studied the texts throughout his distinguished career as a scholar and teacher of religions shows that the reasons for excluding the Gospel of Thomas from the Christian tradition are largely meaningless for us today After more than half a century of concerted dialogue with other traditions we are in a better position to recognize that not every alter Jesus is a Jesus alias At the same time attention to the spiritual demands being made on Christianity by our present age helps draw us more deeply into the text itself and control the tendency to immunize ourselves against its discomforts whether through the distractions of scholarly disputation or the preoccupation with preserving orthodoxy

**Saint Thomas the Apostle: New Testament, Apocrypha, and Historical Traditions** Johnson Thomaskutty, 2018-02-22 Are the Thomas references in the Gospel of John the Thomas compositions and the early Thomas traditions in northwestern and southern India purely legendary as biblical scholars have assumed or do they preserve unexamined historical traditions intermittently as the Thomas Christians in India have believed Didymus Judas Thomas is one of the most misunderstood characters from the beginning of the New Testament history and interpretation In this study Thomaskutty addresses the following questions whether Thomas was merely a doubting Thomas or a genuine Thomas Can we understand Thomas comprehensively by bringing the New Testament apocrypha and historical traditions together How was Thomas connected to eastern Christianity and how does the Thomas literature support not support this connectivity Can we understand the Thomas traditions related to Judea Syria and India with the help of canonical extra canonical and traditio historical documents Thomaskutty investigates the development of the Thomas literature right from the beginning examining and questioning the approaches and methodologies that have been employed in interpreting these documents and analyzes the Thomas literature closely in order to understand the character his mission involvements and the possible implications this may have for understanding early Christianity in the east

**Opinions** Tom, The Twenty-First-Century Radical, 2015-09-15 NASA recently compiled data that brings religious teachings into question We now know there are many galaxies like the Milky Way We have observed the creation of bodies like the Earth We have learned how galaxies are formed and this does not occur in six days While we have discovered that galaxies are millions of light years distant from the Earth we have not discovered Heaven The great distance that Heaven appears to be from Earth questions the description of Jesus rising into Heaven A Candid Dialog of Religious Opinions A Belief in Science or a Belief in Prophets takes its cues from NASA and should be a consideration in religious education Lost Christianities Bart D. Most, 2007-09-30 About the disciple known as Doubting Thomas everyone knows at least this much he stuck his finger into the risen Jesus wounds Or did he A fresh look at the Gospel of John reveals how little we may really understand about this most perplexing of biblical figures and how much we might learn from the strange twists and turns Thomas's story has taken over time From the New Testament Glenn W Most traces Thomas's permutations through the centuries as Gnostic saint missionary to India paragon of Christian orthodoxy hero of skepticism and negative example of doubt blasphemy stupidity and violence Rife with paradoxes and tensions these creative transformations at the hands of storytellers theologians and artists tell us a great deal about the complex relations between texts and their interpretations and about faith love personal identity the body and twins among other matters Doubting Thomas begins with a close reading of chapter 20 of the Gospel of John set against the conclusions of the other Gospels and ends with a detailed analysis of the painting of this subject by Caravaggio setting it within the pictorial traditions of late antiquity the Middle Ages and the Renaissance Along the way Most considers narrative reactions to John's account by storytellers of various religious persuasions and Christian theologians interpretations of John 20 from the second century ad until the Counter Reformation His work shows how Thomas's story in its many guises touches upon central questions of religion philosophy hermeneutics and not least life **Thomas at the Crossroads** Risto Uro, 1998-01-01 The Gospel of Thomas discovered as a Coptic translation in the Nag Hammadi Library is one of the most debated early Christian writings In

**The Gospels of the Marginalized** Marvin W. Meyer, 2012-10-16 The Gospels of the Marginalized provides an exciting new study of three of the most maligned figures in the New Testament story of Jesus Thomas usually considered the quintessential doubter among the disciples Mary Magdalene characterized as a repentant prostitute during much of the history of the church and Judas Iscariot presented as the despicable disciple of Jesus who betrayed his master for money In

this book Marvin Meyer one of the most prominent of the scholars of gnostic texts and other early Christian literature offers fresh and accurate translations of the Gospels of Thomas Mary and Judas with their proclamation of the good news of the wisdom of Jesus and he uses these gospels as the occasion to reexamine the place of Thomas Mary Magdalene and Judas Iscariot in the Jesus movement His striking analysis suggests that Thomas was no doubter that Mary Magdalene was a beloved disciple in the inner circles of disciples around Jesus and that the tale of Judas Iscariot as betrayer of Jesus is a piece of fiction Meyer adds a Gospel of the Redeemed as a vivid illustration of how the gospel story of Jesus might read with Jesus as a Jewish teacher of wisdom and Thomas Mary and Judas restored as loyal followers of the teacher from Nazareth The Kiss of Death Tobias Churton,2012-01-01 The story begins with the exciting story of the discovery of the Gospel in Egypt in 1978 and its subsequent movements from one antiquities dealer to another We discover how this precious document eventually finds a home in a New York safety deposit box where it languishes for years with a 3 million price tag before it is finally published to huge public attention and fanfare More than just the story of The Gospel of Judas since it had been found Churton also discusses how it relates to the historical place of the Judas how he has been maligned and misrepresented across the centuries This fascinating book sheds new light on the real nature of Jesus and presents a daring speculation on the endeavours he planned with his disciples in Jerusalem Judea and Galilee The Kiss of Death is an explosive book that explains the text of The Gospel of Judas its context in modern Christianity as well as the importance of its discovery and subsequent publication **Quest for the Historical Apostles** W. Brian Shelton,2018-04-17 The stories and contributions of the apostles provide an important entrance into church history This comprehensive historical and literary introduction uncovers their lives and legacies underscoring the apostles impact on the growth of the early church The author collects and distills the histories legends symbols and iconography of the original twelve and locates figures such as Paul Peter and John in the broader context of the history of the apostles He also explores the continuing story of the gospel mission and the twelve disciples beyond the New Testament *Our Divine Double* Charles M. Stang,2016-03-07 What if you were to discover that you were only one half of a whole that you had a divine double In the second and third centuries CE Charles Stang shows this idea gripped the religious imagination of the Eastern Mediterranean offering a distinctive understanding of the self that has survived in various forms down to the present Nag Hammadi codex II, 2 - 7. 1. Gospel according to Thomas, gospel according to Philip, hypostasis of the archons, and indexes Bentley Layton,1989 *Earthing the Cosmic Christ of Ephesians—The Universe, Trinity, and Zhiyi's Threefold Truth, Volume 4* John P. Keenan,2024-02-26 In a Tiantai theology conventional truth is conventionally arisen which means that such truth is never set once and for all but is to be cherished and rethought in new circumstances whether interreligious or scientific but always in critical consonance with its ancient embodiments Contexts shift frameworks but life in Christ is translatable across cultures Christian faith and theology discourage the assumption that the point of it can be clearly pinned down God's appearance to Elijah out of the whirlwind is

an eternal reminder of the paltriness of all human perspectives Symbolic worlds of faith and wisdom are not themselves finished products Because it has a past and a future the cosmos itself is unfinished Christian creeds ought not be defended as last word ideological positions and bastions against relativity but instead recognized in their cultural contexts and affirmed as grammars of communal and personal assent
