Jesus Understanding Resurrection 40 Minute Studies:

Jesus: Understanding His Death and Resurrection Kay Arthur, David Arthur, 2015-12-15 Discover afresh the good news of the gospel The long awaited Messiah had finally arrived only to be betrayed and sentenced to death Why would Jesus who knew beforehand all that would happen and who held the power of heaven at His command submit to being humiliated tortured and ultimately killed In this powerful study centered on the final chapters of the gospel of Mark you ll consider for yourself all that Jesus endured to bring forgiveness to sinners and hope to the hopeless And you ll understand as never before why it s so essential to share with others the good news of His death and resurrection Jesus: Experiencing His Touch Kay

Arthur, David Arthur, 2015-12-15 A touch from Jesus can change everything The first six chapters of Mark s gospel overflow with stories of people drawing near to Jesus longing to experience firsthand the touch of the Savior Over and over Jesus responded with compassion interacting on a personal level with individuals who had been cast aside by society their circumstances deemed beyond hope As you delve into their stories in this powerful study the first in a three part study of the gospel of Mark you ll discover for yourself the difference it makes when you engage with Jesus personally and experience His touch in your life **Jesus: Listening for His Voice** Kay Arthur, David Arthur, 2015-12-15 Jesus spoke words of life and truth How well are you listening True listening isn t simply hearing the words of Jesus it involves belief that results in active commitment Throughout His earthly ministry Jesus interacted with people from all walks of life In every case those

individuals could choose to believe His words and reap the rewards of faith or resist the truth and miss out on everything that truly matters This same choice is yours today In this second book in a three part study of the gospel of Mark you can read for yourself the words of Jesus in Mark 7 13 If you then align yourself with the One who is truth you ll experience for yourself the freedom that comes from truly listening for and following the voice of the Savior **Outline Studies in the New**

Akintayo Emmanuel, 2024-12-20 From the garden of Eden where our Lord Jesus Christ called out to Adam and said Adam where art thou to the new Jerusalem city where the Spirit and the bride say Come the Lord Jesus Christ has been yearning to bring man back into union with His eternal life 101 Overcomers Rhema Loaded with Daily Benefits is not a daily devotion but God's Word spoken by the Spirit of God directly to the humble and meek reader especially those who are desperately hungry and thirsty for Jesus Eating this Word means you are becoming like Jesus the bread of life the divine flesh and blood known as the Word made flesh Those who eat this Word will receive the life of God Zoe in an abundant measure and become an overcomer that sits with Jesus Christ in His throne The wonderful tree of life that metamorphosized to trees of life only grows and bears its fruit by the banks of the river of life the Holy Spirit The tree of life the Word grows out of the river of life the Holy Spirit signifying that the life of the tree is derived from the life of the river of life All who would be trees of life must first access the river of life These kinds of people are God's overcomers a Joel's strong army a people with the nature and the more excellent ministry of Jesus Christ Hitherto cherubims with a flaming sword guarded the way to the tree of life at the garden of Eden to prevent man from entering the garden but now through the cross of Jesus Christ the cherubims have been removed the flaming sword has been sheathed the wall has been broken down the handwriting of ordinances that was against us has been taken out of the way the gates of the holy city have been swung wide open never to be closed again the pathway has been bathed in brilliant light and upon entering the city there is no longer a tree of life but trees of life a whole vast forest of them super abundant complete and perfect overcomers a Christlike people who will sit alongside Jesus Christ on His throne reigning forever with him My family and I are eternally grateful to Jesus Christ to be a part of these overcomers As you are about to open the pages of this book rejoice in the Lord because you are also an overcomer alongside

Jesus Christ **Christopraxis** Andrew Root,2014 Finding practical theology not always able to present frameworks for understanding concrete and lived experience with divine action Andrew Root s Christopraxis seeks to reset the edifice of practical theology on a new foundation While not minimizing its commitment to the lived and concrete Root argues that practical theology has neglected deeper theological underpinnings Root seeks to create a practical theology that is properly and fully theological post postmodern post Aristotelian and that attends to doctrines such as divine action and justification

The Final Exodus: Deciphering the Book of Revelation Christine Paxson,Rose Spiller,2022-09-01 What is it about the Book of Revelation Some treat it like a futuristic comic book Some consider it is too complex to try to understand Some worry about getting the interpretation wrong or worse on getting it right Some read it trying to break the code as if John wrote the book in a secret code expecting Christians to try and crack it And then there are those who are terrified of the book and the images so they just avoid it altogether For them ignorance is bliss The Final Exodus is a theologically sound scriptural approach to the Book of Revelation Authors and podcasters Christine Paxson and Rose Spiller examine questions such as Where have we seen this before Is this passage meant to be taken literally symbolically or metaphorically Has this passage already been interpreted somewhere else in Scripture Does our conclusion of the passage line up with everything else in the Bible Is this passage telling us something new or is it a picture of something already seen in the Old Testament or in other parts of the New Testament Using the same careful and systematic exegesis that should be used for interpreting all books of the Bible The Final Exodus brings clarity and understanding to a book that is often misinterpreted in chaotic and irresponsible ways *Variety's Complete Home Video Directory* ,1988 *Jesus Research* James H. Charlesworth,Brian Rhea,Petr Pokorny,2014-01-23 This volume explores nearly every facet of Jesus research from eyewitness criteria to the reliability of memory from archaeology to psychobiography from oral traditions to literary sources and from narrative criticism to Gospel criticism Bringing together a wide variety of topics and perspectives in one volume this ambitious collaborative enterprise casts light on important debates and encourages creative links between ideas new and old This distinguished collection of articles by internationally renowned Jewish and Christian scholars originates with the Princeton Prague Symposium on Jesus Research It summarizes the significant advances in understanding Jesus that scholars have made in recent years chiefly through the development of diverse methodologies Even readers who are already knowledgeable in the field will discover unique angles from well known New Testament scholars and all will be brought up to speed on the current state of play within Jesus studies **Revelation and Concealment of Christ** Saeed Hamid-Khani,2021-03-16 The elusive disposition of John s language has been noted by biblical scholars throughout the history of New Testament studies The Fourth Gospel is seen as so simple to grasp and yet often pointing beyond itself and beckoning the reader to read deeper Various socio linguistic studies have explained this feature as the reflection of the sectarian tendencies in the Johannine Christianity In his study Saeed Hamid Khani questions these approaches as inadequate In turn he examines John s language

within an exegetical and theological framework He argues that the Sitz im Leben of Johannine language was an environment in which the Hebrew Scriptures were the dominant conceptual force for both the Jews and the Christians In this context he argues that the essential function of John's enigmatic language is wedded to the Evangelist's purpose in writing the Gospel namely a steadfast focus upon setting forth that Jesus is the Christ according to the witness of Israel's Scriptures It is here in these echoes and thematic allusions to the Scriptures that we find the answer to the function and significance of John's unique language i e Jesus is the Messiah the Saviour of the world and he is the visible image of the invisible God the embodiment of the self revelation of God according to the Scriptures However these truths are concealed from the undiscerning and are only revealed by the spirit of God to those who are born of God

An Introduction to the Critical Study and Knowledge of the Holy Scriptures Thomas Hartwell Horne ,1841

Fullness of Life and Justice for All Thomas Eggenesperger,Ulrich Engel,Manuela Kalsky,Ellen Van Stichel,2020-09-01 Poverty inequality violent conflicts climate change migration racism burn out are just a few of the symptoms showing how living life to the fullest is out of reach for so many people in our world Is then seeking fullness of life and justice for all not a too ambitious project For nothing less than the wellbeing of humanity and in extension the whole of creation is at stake On the other hand we see people responding acting and struggling for justice liberation and a more sustainable world How to make sense of the ideas of fullness of life and justice for all in light of the many crises humanity currently faces but also the glimpses of positive and hopeful responses Even more so how to make sense theologically In this volume twenty authors reflect on how the notions of fullness of life and justice for all are theoretically conceived and have practically taken form from within Dominican theology and spirituality The contributions on youth spirituality contemplation art as a means to community building gender pluralization populism and management discuss the fullness of life in both its material and spiritual dimensions The question on justice for all is raised in confrontation with issues such as poverty migration ecological threats and the role of virtues in society In this way the book aims to uncover a variety of Dominican perspectives as valuable contributions to a broader dialogue on the fullness of life and justice for all

The Bible, Christianity, and Culture Pavol Bargár, 2023-05-01 This book originated in the Donatio Universitatis Carolinae award and research support that Professor Petr Pokorn received in 2017. It was envisioned, designed, and originally conducted as a project exploring the biblical roots of Christian culture. Experts in various theological and philosophical disciplines both from the Czech Republic and abroad were to probe this topic from their particular perspectives. The hoped-for output was to be a coherent collective study of the proposed topic. However, due to the unexpected passing away of Prof. Pokorn in early 2020, the project could not be executed according to the original plan. Rather than a collective monograph, therefore, the present book is a collection of essays that investigate various aspects of the Bible and Christianity in their relation to culture as a broad human phenomenon. The book is divided into two sections. While the first section focuses on particular issues in the Bible, the second addresses historical, philosophical, and cultural developments. As Petr Pokorn was actively and importantly involved in the initial stages of the project, two essays are written by him personally. The whole book then is dedicated in his honor.

The Gospel of the Christ Thomas Lewis Stegall, 2009-07 The Gospel of the Christ is a clear biblical reply to the question of what a person must believe about Jesus Christ to possess eternal life. While Christianity has historically maintained that faith in Jesus Christ is essential for everlasting life, this raises the vital question: what is the necessary content of this faith? Written against the backdrop of the controversy within Free Grace circles over the crossless gospel and the contents of saving faith, Thomas Stegall goes well beyond a carefully documented analysis of his own movement. The Gospel of the Christ provides a systematic, exegetically based treatment of biblical teaching on the subject of the gospel and the meaning of the title the Christ. The end result is a comprehensive biblical and theological study of Jesus Christ's person and work in the contents of saving faith.

Son of God Garrick V. Allen, Kai Akagi, Paul Sloan, Madhavi Nevader, 2019-03-04 In antiquity, son of god meaning a ruler designated by the gods to carry out their will was a title used by the Roman emperor Augustus and his successors as a way to reinforce their divinely appointed status. But this title was also used by early Christians to speak about Jesus, borrowing the idiom from Israelite and early Jewish discourses on monarchy. This interdisciplinary volume explores what it means to be God's son(s) in ancient Jewish and early Christian literature. Through close readings of relevant texts from multiple ancient corpora, including the Hebrew Bible, the New Testament, the Dead Sea Scrolls, Greco-Roman texts and inscriptions, early Christian and Islamic texts, and apocalyptic literature, the chapters in this volume engage a range of issues, including messianism, deification, eschatological figures, Jesus, interreligious polemics, and the Roman and Jewish backgrounds of early Christianity and the authors of the Dead Sea Scrolls. The essays in this collection demonstrate that divine sonship is an ideal prism through which to better understand the deep interrelationship of ancient religions and their politics of kingship and divinity. In addition to the editors, the contributors to this volume include Richard Bauckham, Max Botner, George J. Brooke, Jan Joosten, Menahem Kister, Reinhard Kratz, Mateusz Kusio, Michael A. Lyons.
