**Jewish Christianity Reconsidered** Matt A. Jackson-McCabe, 2007

**The Rediscovery of Jewish Christianity** F. Stanley Jones, 2012-07-02 This focused collection of essays by international scholars first uncovers the roots of the study of ancient Jewish Christianity in the Enlightenment in early eighteenth century England then explores why and how this rediscovery of Jewish Christianity set off the entire modern historical debate over Christian origins Finally it examines in detail how this critical impulse made its way to Germany eventually to flourish in the nineteenth century under F C Baur and the Tübingen School Included is a facsimile reproduction of John Toland's seminal *Nazarenus* 1718 which launched the modern study of Jewish Christianity The contributors are F Stanley Jones David Lincicum Pierre Lurbe Matt Jackson McCabe and Matti Myllykoski

**The Church, Then and Now** Stanley E. Porter, Cynthia Long Westfall, 2012-10-26 The church is one of the most intriguing and significant institutions on earth Because its essence and character are so widely misunderstood this is a timely book The church is not a mere human institution though it is made up of human beings in community Its roles and responsibilities are momentous but all the elements of its organization came about as the church developed and attempted to fulfill its divine mandate not as forms given at its founding These papers from a Bingham Colloquium at McMaster Divinity College treat the church then in studies of the church in the various parts of the New Testament canon followed by a historical study of the church under attack in places where it did not survive The latter part of the book contains essays by several church practitioners from now who discuss their insights about and experiences with postmodern society home churches megachurches and the missional church Such a combination of biblical theology history and practice makes this a valuable book for scholars and practitioners in fact for all thinking members of the church founded by Jesus Christ

**Orthodoxy and Heresy in Early Christian Contexts** Paul A. Hartog, 2015-01-30 Eighty years ago Walter Bauer promulgated a bold and provocative thesis about early Christianity He argued that many forms of Christianity started the race but one competitor pushed aside the others until this powerful orthodox version won the day The victors re wrote history marginalizing all other perspectives and silencing their voices even though the alternatives possessed equal right to the title of normative Christianity Bauer's influence still casts a

long shadow on early Christian scholarship Were heretical movements the original forms of Christianity Did the heretics outnumber the orthodox Did orthodox heresiologists accurately portray their opponents And more fundamentally how can one make any objective distinction between heresy and orthodoxy Is such labeling merely the product of socially situated power Did numerous valid forms of Christianity exist without any validating norms of Christianity This collection of essays each written by a relevant authority tackles such questions with scholarly acumen and careful attention to historical cultural geographical and socio rhetorical detail Although recognizing the importance of Bauer s critical insights innovative methodologies and fruitful suggestions the contributors expose numerous claims of the Bauer thesis in both original and recent manifestations that fall short of the historical evidence With contributions from Rodney Decker Carl Smith William Varner Rex Butler Bryan Litfin Brian Shelton David Alexander Edward Smither Glen Thompson The Early Reception of Paul the Second Temple Jew Isaac W. Oliver, Gabriele Boccaccini, 2018-10-04 Paul s relationship to Christianity as a Pharisaic Jew whose moment of revelation on the road to Damascus has made him the most famous early Christian is still a topic of great interest to scholars of early Christianity and Judaism This collection of essays from world renowned scholars examines how Christians of the first two centuries perceived Paul s Jewishness and how they seized upon Paul s views on Judaism in order to advance their own claims about Christianity The contributors offer a comprehensive examination of various early Christian views on Paul in texts contained both in and outside of the New Testament demonstrating how the reception of Paul s thought affected the formation of Judaism and Christianity into separate entities Divided into five sections the arguments focus upon Paul s reception in Ephesians the other Deutero Pauline Epistles the Acts of the Apostles Marcion of Synope and the reaction of Paul s opponents Featuring essays from scholars including Judith Lieu James H Charlesworth and Harry O Meier this volume forms a perfect resource for scholars to reassess Paul s Jewishness and relationship with Judaism

Heresy and Identity in Late Antiquity Eduard Iricinschi, Holger M. Zellentin, 2008 The papers collected in this volume shift the focus away from heretics and heresy to heresiological discourse by contextualizing the late antique Jewish and Christian groups that produced our extant literature The contributors to the volume draw from multiple literary corpora and genres bringing a variety of late antique perspective to explore the discursive construction of the Other They unravel ethnic identities and re create the multiple voices textured in the dialogue between the orthodox and heretical writers BOOK JACKET *Matthew and the Mishnah* Akiva Cohen, 2016-06-10 Akiva Cohen investigates the general research question how do the authors of religious texts reconstruct their community identity and ethos in the absence of their central cult His particular socio historical focus of this more general question is how do the respective authors of the Gospel according to Matthew and the editor s of the Mishnah redefine their group identities following the destruction of the Second Temple Cohen further examines how after the Destruction both the Matthean and the Mishnaic communities found and articulated their renewed community bearings and a new sense of vision through each of their respective author redactor s foundational

texts The context of this study is thus that of an inner Jewish phenomenon two Jewish groups seeking to re establish their community identity and ethos without the physical temple that had been the cultic center of their cosmos **Luke Was Not A Christian: Reading the Third Gospel and Acts within Judaism** Joshua Paul Smith,2023-12-18 In this volume Joshua Paul Smith challenges the long held assumption that Luke and Acts were written by a gentile arguing instead that the author of these texts was educated and enculturated within a Second Temple Jewish context Advancing from a consciously interdisciplinary perspective Smith considers the question of Lukan authorship from multiple fronts including reception history and social memory theory literary criticism and the emerging discipline of cognitive sociolinguistics The result is an alternative portrait of Luke the Evangelist one who sees the mission to the gentiles not as a supersession of Jewish law and tradition but rather as a fulfillment and expansion of Israel s own salvation history **Matthew within Judaism** Anders Runesson,Daniel M. Gurtner,2020-07-17 In this collection of essays leading New Testament scholars reassess the reciprocal relationship between Matthew and Second Temple Judaism Some contributions focus on the relationship of the Matthean Jesus to torah temple and synagogue while others explore theological issues of Jewish and gentile ethnicity and universalism within and behind the text **Christianity at the Crossroads** Michael J. Kruger,2018-03-06 Christianity in the twenty first century is a global phenomenon But in the second century its future was not at all certain Michael Kruger s introductory survey examines how Christianity took root in the second century how it battled to stay true to the vision of the apostles and how it developed in ways that would shape both the church and Western culture over the next two thousand years

**Judaism for Gentiles** Anders Runesson,2022-11-21 For almost two millennia readers of the New Testament have been trying to figure out Paul The struggle with his words begins already within the canon itself While Acts portrays with ease a Torah observant Pharisaic messianic Paul working in partnership with James and other leaders in Jerusalem the author of 2 Peter famously admitted that the apostle to the nations is difficult to understand From that moment on debate has ebbed and flowed on all things Pauline on women as leaders in assemblies and on the status of Jews and Gentiles in God s plan just to mention two of the contentious topics associated with Paul For clergy scholar and lay person Paul s letters hold weight and continue to draw in new readers Anders Runesson seeks to listen to the voice of the historical Paul a Jew proclaiming a form of Judaism to non Jews to save them from divine wrath but also to probe what it means to breathe new life into this historical figure in the twenty first century **From Judaism to Christianity: Tradition and Transition** Patricia Walters,2010-09-24 As a far reaching tribute to the distinguished career of Thomas H Tobin S J a team of outstanding biblical scholars has joined to offer essays on the religious milieu of the ancient Mediterranean region Challenged by Hellenistic and Greco Roman cultural and political domination the religious struggles of Jewish and later Christian communities sought to maintain tradition as well as mitigate transition Jewish responses to a Hellenistic world are revealed anew in the Dead Sea Scrolls and the works of Artapanus and Philo Also Christian views on the transitory world of the early centuries of the

Common Era are brought to light in the New Testament literature apocryphal texts and Patristic writings. Professors and students alike will benefit from the depth and breadth of this fresh scholarship.

***Community Building in the Shepherd of Hermas*** Mark Grundeken, 2015-06-02. In *Community Building in the Shepherd of Hermas*, Mark Grundeken investigates key aspects of Christian community life as reflected upon in the early Christian writing the *Shepherd of Hermas*, 2nd century C.E. Grundeken's thematic study deals with various topics: the community's identity including its alleged Jewish Christianness, lack of resurrection belief, sectarian tendencies and its relation to the authorities and to the emperor cult, social features encompassing gender roles and charity and rituals such as baptism, metanoia, Eucharistic meals, the Sunday collection, dancing and singing, the holy kiss and reading of Scripture. The many fruitful entries prove *Hermas* to be one of the main texts for studying the development of community building in the early church.

***Paul and the Second Century*** Michael F. Bird, Joseph R. Dodson, 2011-05-05. This volume looks at the imprint and influence that the writings of the Apostle Paul had in the second century, examining the Pauline corpus in conjunction with key second century figures and texts such as Ignatius Polycarp and the Epistle of Diognetus. It investigates the impact of Paul's legacy and examines how this legacy shaped the Christianity that emerged in the second century as represented by the Apostolic Fathers, the early Christian Apologists and among Gnostic and Judeo-Christian groups.

***Gospels*** Mercedes Navarro Puerto, Marinella Perroni, 2015-09-29. An international collection of ecumenical, gender-sensitive interpretations. In this volume of the Bible and Women Series, contributors examine how biblical studies intersects with feminist interpretive methods with regard to the Gospels. Authors examine the lives of women in Roman Palestine, named and unnamed women in the Gospels, and the role of gender in the reception of the Hebrew scriptures in the New Testament.

**Features:** Essays by scholars from around the world. An introduction and twenty essays focused on women and gender relations. Coverage of power relations and ideologies within the texts and in current interpretations.

***Marcion*** M. David Litwa, 2025. This comprehensive portrait of Marcion's life, thought and work measures heresy reports by the rod of Marcion's scriptures to create a new paradigm for understanding the Pontian as a believer in one good God. Christ truly crucified, the importance of celibacy, the reality of Christian sacraments and a Pauline canon.

***Winning Revolutions*** J. Harold Ellens, 2013-11-26. The product of 35 senior scholars' research, these volumes examine the psychology driving the religious, political and economic forces that cause turbulence and violence in human society. Religious, political and economic revolts have defined the human experience throughout history. These kinds of universal turbulence continue to be the dominant source of human suffering and perplexity during the first decade of the 21st century. What can intensive study of the psychodynamics of cultural and social eruptions tell us that may serve to move cultures around the world beyond ongoing strife? This work seeks to find out, examining the spectrum of cultural and social eruptions from ancient Jewish, Christian and Muslim revolutions to the modern-day economic and political turbulence in Eastern Europe, the Near East and Latin America. The breadth of this three-volume set ranges from the 12th century BCE to

the current struggles in Iraq Afghanistan and Syria and from the irrational violence of the French Revolution to the genuine quest for liberty of the American Revolution and the Singing Revolutions in the Baltic States in recent decades Each volume is introduced with a description of its philosophical perspective and concludes with a brief summarization of the takeaways of the research presented      **The Cambridge Companion to Antisemitism** Steven Katz, Steven T. Katz, 2022-06-02 One volume comprehensive collection of new articles on the history literature and philosophy of antisemitism for students and non experts
