Jewish Life And Thought Among Greeks And Romans Primary Readings:

Jewish Life and Thought Among Greeks and Romans Louis H. Feldman, Meyer Reinhold, This comprehensive treasury of sources on Judaism in the ancient period will be valued and used by students scholars and general readers who are interested in Jewish history classical studies or the origins of Christianity This book includes the most comprehensive coverage available of sources in the area of anti Semitism and what is usually more neglected philo Semitism It coordinates literary epigraphical papyrological and numismatic evidence

Jewish Life and Thought Among Greeks and Romans Louis H. Feldman, Meyer Reinhold, 1996-10-01 Two of the world s leading authorities on the classical era bring together a comprehensive treasury of sources on Judaism in the ancient period

Early Judaism Frederick E Greenspahn, 2018-07-17 An exploration of the emergence of Rabbinic Judaism drawing on primary sources and new methods Over the past generation several major findings and methodological innovations have led scholars to reevaluate the foundation of Judaism The Dead Sea Scrolls were the most famous but other materials have further altered our understanding of Judaism s development after the Biblical era This volume explores some of the latest clues into how early Judaism took shape from the invention of rabbis to the parting of Judaism and Christianity to whether ancient Jews considered themselves a nation Rather than having simply evolved normative Judaism is now understood to be the result of one approach having achieved prominence over many others competing for acceptance in the wake of the destruction of the Jerusalem Temple in the year 70 CE This new understanding has implications for how we think about Judaism today as the collapse of rabbinic authority is leading to the return of the kind of diversity that prevailed during late antiquity This volume puts familiar aspects of Judaism in a new light exposing readers to the most current understanding of the origins of normative Judaism This book is a must for anyone interested in the study of Judaism and its formation It is the most current review of the scholarship surrounding this rich history and what is next for the field at large

The Making of Jewish Universalism Malka Simkovich, 2016-12-12 This book explores two kinds of universalist thought that circulated among Jews in the Greco Roman world The first which is founded on the idea that all people may worship the One True God in an engaged and sustained manner originates in biblical prophetic literature The second which underscores a common ethic that all people share arose in the second century bce This study offers one definition of Jewish universalism that applies to both of these types of universalist thought universalist literature presumes that all people regardless of religion and ethnicity have access to a relationship with the Israelite God and the benefits promised to those loyal to this God without demanding that they participate in the Israelite community as a Jew This book opens with an exploration of four types of relationships between Israelites and non Israelites in biblical prophetic literature Israel as Subjugators Israel as Standard Bearers Naturalized Nations and Universalized Worship In all of these relationships the foreign nations will acknowledge the One True God but it is only the Universalized Worship model that offers a truly universalist vision of the end time The second section of this book examines how these four relationship models are

expressed in Second Temple literature and the third section studies late Second Temple texts that employ a second kind of universalist thought that emphasizes ethical behavior This book closes with the suggestion that Ethical Universalist ideas expressed in late Second Temple texts reflect exposure to Stoic thinkers who were developing universalist ideas in the second century BCE

Epistles Dr Al Garza,2018-03-07 For the first time in print the Epistles Hebrews Jude volume 7 in KJV English Greek Majority Text and Hebrew Modern Hebrew with Transliteration Including a Rabbinic Source Commentary with almost every verse from Talmudic scholars Jewish writings and others This Language Study Bible will take you through the Epistles and their teachings in connection with the Rabbis of their day and beyond Discover the Jewish background of their teachings through the eyes of Rabbinic sources Their letters will take you back to the time of Yeshua Jesus Read Jewish sources from the Targum Talmud Mishna Midrash etc in connection with the Epistles Order your copy today **Sharing and Hiding Religious Knowledge in Early Judaism, Christianity, and Islam** Mladen Popović,Lautaro Roig Lanzillotta,Clare Wilde,2018-08-21 Few studies focus on the modes of knowledge transmission or concealment or the trends of continuity or change from the Ancient to the Late Antique worlds In Antiquity knowledge was cherished as a scarce good cultivated through the close teacher student relationship and often preserved in the closed circle of the initiated From Assyrian and Babylonian cuneiform texts to a Shi'ite Islamic tradition this volume explores how and why knowledge was shared or concealed by diverse communities in a range of Ancient and Late Antique cultural contexts From caves by the Dead Sea to Alexandria both normative and heterodox approaches to knowledge in Jewish Christian and Muslim communities are explored Biblical and quranic passages as well as gnostic rabbinic and esoteric Islamic approaches are discussed In this volume a range of scholars from Assyrian studies to Jewish Christian and Islamic studies examine diverse approaches to and modes of knowledge transmission and concealment shedding new light on both the interconnectedness as well as the unique aspects of the monotheistic faiths and their relationship to the ancient civilisations of the Fertile Crescent **Abraham as Spiritual Ancestor** Israel Kamudzandu,2010-03-22 New Testament commentaries and exegetes have not paid sufficient attention to the context in which Paul's Epistle to the Romans was crafted This book written from an African perspective offers a fresh interpretation on a contextualizing reading of Romans and its theology The argument of the book is that Paul's construction of Abraham as a Spiritual ancestor of all faith people was based on his encounter with the Roman Ideology based on Aeneas as the founder of Rome A juxtaposition of these two canonical ancestors needs to be considered in our 21st multi ethnic Christian world Paul's epistle is not about how God saves the individual human being rather the debate between Paul and the Jewish Christian interlocutor is about how families of people and nations establish a kinship with God and one another The concern with ancestors is opaque to Western Biblical readers and Christians This book helps both Westerners and Africans to value ethnic diversity *Jewish Worship in Philo of Alexandria* Jutta Leonhardt,Jutta Leonhardt-Balzer,2001 As a knowledgeable contemporary of the later Second Temple Philo of Alexandria's approach to worship and his view of the

essence of Jewish worship are of particular interest to the study of that period Jutta Leonhardt discusses his views on the Jewish festivals especially the Sabbath on prayer psalms hymns praise and thanksgiving and on Temple offerings sacrifices and purification rites These aspects are presented with their parallels in Jewish and pagan traditions and in Greek and Hellenistic philosophy Jewish worship in Philo has never been studied as a coherent whole before Only individual aspects of worship such as prayer of petition or thanksgiving or Philo has been used in studies on Second Temple Judaism as a quarry for general examples of acts of worship Philo accepted and participated in Jewish worship and even knew about details of various Jewish traditions of his time His writings however do not refer to them directly and cannot easily be used to reconstruct Jewish rituals of his time His main aim is to discuss the rites as collected in the Mosaic Torah since these are binding for all Jews These laws are frequently presented using the terminology of pagan cults and interpreted with recourse to Greek philosophy In this philosophical description of actual rites there are parallels to Plato's references to religion in the ideal state in the *Nomoi* Philo presents Judaism as the ultimate Hellenistic cult which combines the various aspects of the different pagan cults in a sublime and perfect form to represent mankind and the universe in the worship of the one God who created the world

Paul against the Nations Neil Elliott, 2023-11-10 In these essays some of them never published before Neil Elliott presents an understanding of Romans at odds with the traditional Protestant understanding a treatise on justification by faith or the New Perspective Paul's argument with Jewish ethnocentrism The letter that emerges here is an urgent response to a historical situation Paul engages what would quickly become the supersessionist norm in gentile Christianity shaped by the Roman construal of subject peoples Gathered here for the first time these studies rely on rhetorical criticism broad attention to Roman imperial ideology and postcolonial criticism to argue for a strikingly new perspective on Romans

Fear No Pharaoh Richard Kreitner, 2025-04-01 A dramatic history of how American Jews reckoned with slavery and fought the Civil War Since ancient times the Jewish people have recalled the story of Exodus and reflected on the

implications of having been slaves Did the tradition teach that Jews should speak out against slavery and oppression everywhere or act cautiously to protect themselves in a hostile world In *Fear No Pharaoh* the journalist and historian Richard Kreitner sets this question at the heart of the Civil War era Using original sources he tells the intertwined stories of six American Jews who helped to shape a tumultuous time including Judah Benjamin the brilliant secretive lawyer who became Jefferson Davis's trusted confidante Morris Raphall a Swedish born rabbi who defended slavery as biblically justified and Raphall's rival rabbis the celebrated Isaac Mayer Wise who urged Jews to stay out of the slavery controversy to avoid attracting attention and David Einhorn whose fiery sermons condemning bondage led to a pro slavery mob threatening his life We also meet August Bondi a veteran of Europe's 1848 revolutions who fought with John Brown in Bleeding Kansas and later in the Union Army and the Polish migr Ernestine Rose a feminist atheist and abolitionist who championed emancipation of all kinds As he tracks these characters Kreitner illuminates the shifting dynamics of Jewish life in America and the debates about religion morality and politics that endure to this day [Jewish and Christian Women in the Ancient Mediterranean](#) Sara Parks, Shayna Sheinfeld, Meredith J. C. Warren, 2021-12-30 Winner of the 2023 CSBS Frank W Beare Award This engaging and accessible textbook provides an introduction to the study of ancient Jewish and Christian women in their Hellenistic and Roman contexts This is the first textbook dedicated to introducing women's religious roles in Judaism and Christianity in a way that is accessible to undergraduates from all disciplines The textbook provides brief contextualising overviews that then allow for deeper explorations of specific topics in women's religion including leadership domestic ritual women as readers and writers of scripture and as innovators in their traditions Using select examples from ancient sources the textbook provides teachers and students with the raw tools to begin their own exploration of ancient religion An introductory chapter provides an outline of common hermeneutics or lenses through which scholars approach the texts and artefacts of Judaism and Christianity in antiquity The textbook also features a glossary of key terms a list of further readings and discussion questions for each topic and activities for classroom use In short the book is designed to be a complete classroom ready toolbox for teachers who may have never taught this subject as well as for those already familiar with it *Jewish and Christian Women in the Ancient Mediterranean* is intended for use in undergraduate classrooms its target audience undergraduate students and their instructors although Masters students may also find the book useful In addition the book is accessible and lively enough that religious communities study groups and interested laypersons could employ the book for their own education *Reading the Bible Ethically* Eric J. Douglass, 2014-09-11 All interpretive systems deal with the author Modern systems consider the text to be autonomous so that it is disconnected from the author's interests In *Reading the Bible Ethically* Eric Douglass reconsiders this connection His central argument is that the author is a subject who reproduces her culture and her subjectivity in the text As the author reproduces her subjectivity the text functions as the author's voice This allows Douglass to apply ethical principles to interpretation where that voice is treated as a subject for

conversation and not an object for manipulation He uses this to texture the reading process so that an initial reading takes account of the author's communication while a second reading critiques that communication

In the Shadow of the Temple Oskar Skarsaune, 2025-08-04 Oskar Skarsaune makes a fresh contribution to our understanding of the development of the early church in its practice e.g. worship, baptism and Eucharist and doctrine e.g. Scripture, Christology, pneumatology. This book offers the new perspective that Christians were in ongoing and deep conversation with Jews during the early centuries leading up to Constantine. The common perception of a drastic parting of the ways after the destruction of Jerusalem in 70 A.D. has tended to distort our understanding of the succeeding decades and centuries of Jewish and Christian history. Notwithstanding the fact that there were points of bitterness and strife, the relationship is better viewed as that of a younger and older sibling. There is much evidence of interaction between the early Christians and rabbinic Judaism both at the level of leadership and laypeople, and this left its impression on the church. Skarsaune gives us numerous fascinating episodic and topical glimpses into this untold story.

Studies in the Historical Jesus Justin J. Meggitt, 2023-08-29 *Studies in the Historical Jesus: Anarchy, Miracles and Madness* is a selection of key essays on the historical figure of Jesus published over the last fifteen years by Justin J. Meggitt. Each addresses a central question in the study of Jesus and his context: from the role of myth in the creation of traditions about him and the historicity of his miracles to the problem of his politics and the reasons for his execution. The collection brings fresh perspectives and new data to bear on enduring debates and demonstrates the value of history from below in making sense of the historical Jesus and the world that made him.

The Routledge Encyclopedia of the Historical Jesus Craig Evans, 2014-01-14 This Encyclopedia brings together the vast array of historical research into the reality of the man, the teachings, the acts and the events ascribed to him that have served as the foundational story of one of the world's central religions. This kind of historiography is not biography. The historical study of the Jesus stories and the transmission of these stories through time have been of seminal importance to historians of religion. Critical historical examination has provided a way for scholars of Christianity for centuries to analyze the roots of legend and religion in a way that allows scholars an escape from the confines of dogma, belief and theological interpretation. In recent years, historical Jesus studies have opened up important discussions concerning anti-Semitism and early Christianity and the political and ideological filtering of the Jesus story of early Christianity through the Roman empire and beyond. Entries will cover the classical studies that initiated the new historiography, the theoretical discussions about authenticating the historical record, the examination of sources that have led to the western understanding of Jesus' teachings and disseminated myth of the events concerning Jesus' birth and death. Subject areas include the history of the historical study of the New Testament, major contributors and their works, theoretical issues and concepts, methodologies and criteria, historical genres and rhetorical styles in the story of Jesus, historical and rhetorical context of martyrdom and messianism, historical teachings of Jesus, teachings within historical context of ethics, titles of Jesus, historical events in the life of Jesus, historical figures in the

life of Jesus historical use of Biblical figures referenced in the Gospels places and regions institutions the history of the New Testament within the culture politics and law of the Roman Empire

Asceticism in the Graeco-Roman World Richard Finn, 2009-07-02 Asceticism deploys abstention self control and self denial to order oneself or a community in relation to the divine Both its practices and the cultural ideals they expressed were important to pagans Jews Christians of different kinds and Manichees Richard Finn presents for the first time a combined study of the major ascetic traditions which have been previously misunderstood by being studied separately He examines how people abstained from food drink sexual relations sleep and wealth what they meant by their behaviour and how they influenced others in the Graeco Roman world Against this background the book charts the rise of monasticism in Egypt Asia Minor Syria and North Africa assessing the crucial role played by the third century exegete Origen and asks why monasticism developed so variously in different regions

Living in the Eighth Day Steven Underdown, 2018-08-02 I came that you may have life and have it in all its fullness John 10 10 In this book Revd Dr Steven Underdown presents the paschal mystery the passion death and resurrection of Jesus as the means by which the Son first realized that utter fullness of life which God had always intended for humankind He also argues that it is only in and through the paschal mystery that human beings find their fulfillment Only insofar as someone is open to be given in love is that person open to receive fullness of new life The book explores some of the ways by which under God's grace the church can establish patterns of life and worship which will enable growth into the paschal mystery It focuses in particular on a weekly pattern of life established in various parish and monastic communities in which every week is celebrated as a kind of Holy Week in miniature This pattern termed the Pattern of the Week is seen as providing a context for life giving response to the divine initiative

Eschatology in Galatians Yon-Gyong Kwon, 2004 Focusing on Paul's own statement about the Galatian crisis Yon Kwon demonstrates that the letter is about Paul's pastoral engagement with the backsliding Galatians rather than his theological altercation with his opponents Paul deals with the crisis in Galatia by reminding the Galatians of the implications of their present deviation for their future the not yet instead of affirming the blessings already realized in Christ by keeping in step with the Spirit the already
