

JEWS AND THE GERMAN STATE

The Political History of a Minority, 1848-1933

PETER PULZER

Jews And The German State The Political History Of A Minority 1848 1933

Harriet Pass Freidenreich

Jews And The German State The Political History Of A Minority 1848 1933:

Jews and the German State Peter G. J. Pulzer, 2003 Now available in paperback this book delivers a comprehensive one volume account of the political history of Jews as a significant minority within Imperial Germany Jews and the German State Peter G. J. Pulzer, 1992-01-01 Jews and the German State traces the evolution of the ethnic identity social roles and political activities of German Jews over the century prior to the Nazi takeover In this volume Pulzer documents the emergence of the Jews of Germany from obscurity and marginality into the mainstream of public life and demonstrates the importance of Jews in the public life of Germany He argues that German history cannot be understood without grasping the role played by the Jewish population of Germany and proposes that study of the German Jewish relationship can illuminate the complex roles played by minorities in modern societies Book jacket

The Jews and Germans of Hamburg J A S Grenville, 2013-06-17 Based on more than thirty years archival research this history of the Jewish and German Jewish community of Hamburg is a unique and vivid piece of work by one of the leading historians of the twentieth century The history of the Holocaust here is fully integrated into the full history of the Jewish community in Hamburg from the late eighteenth century onwards J A S Grenville draws on a vast quantity of diaries letters and records to provide a macro level history of Hamburg interspersed with many personal stories that bring it vividly to life In the concluding chapter the discussion is widened to talk about Hamburg as a case study in the wider world This book will be a key work in European history charting and explaining the complexities of how a long established and well integrated German Jewish community became within the space of a generation victims of the Nazi Holocaust

Arthur Ruppin and the Production of Pre-Israeli Culture Etan Bloom, 2011-03-18 Arthur Ruppin s immense contribution to the Zionist movement gave him the title The Father of Jewish Zionist settlement in Palestine Nevertheless the common narrative sets Ruppin s historical persona in an ambivalent position and suppresses his formative role and heritage Part of the reason for this is that in many ways his history causes a crack to appear in the Zionist national cover stories This study utilizes innovative archival research and contains provocative theses which make us view the foundation of Israeli culture differently It addresses the cultural interaction between the German Sonderweg with all its proto Nazi and v lkische ideas and Palestinian Zionism The study therefore exposes the sources and presence of internal Jewish racism while also analysing the anti Semitic aspect of Pre Israeli culture A particularly important section details Ruppin s crucial influence on the Labor Movement and the colonization of the Land of Israel Palestine

Female, Jewish, and Educated Harriet Pass Freidenreich, 2002-06-21 Female Jewish and Educated presents a collective biography of Jewish women who attended universities in Germany or Austria before the Nazi era To what extent could middle class Jewish women in the early decades of the 20th century combine family and careers What impact did anti Semitism and gender discrimination have in shaping their personal and professional choices Harriet Freidenreich analyzes the lives of 460 Central European Jewish university women focusing on their family backgrounds

university experiences professional careers and decisions about marriage and children She evaluates the role of discrimination and anti-Semitism in shaping the careers of academics physicians and lawyers in the four decades preceding World War II and assesses the effects of Nazism the Holocaust and emigration on the lives of a younger cohort of women The life stories of the women profiled reveal the courage character and resourcefulness with which they confronted challenges still faced by women today

The Lion and the Star Jonathan Friedman, 2021-12-14 *The Lion and the Star* not only offers an informed glimpse into the intricacies of daily German life but also confirms the continuing danger of making sweeping generalizations about German Jews and non Jews In the aftermath of World War II many viewed the Third Reich as an aberration in German history and laid blame with Hitler and his followers Since the 1960s historians have widened their focus implicating ordinary Germans in the demise of German Jewry Jonathan Friedman addresses this issue by investigation everyday relations between German Jews and their Gentile neighbors Friedman examines three German communities of different sizes Frankfurt am Main Giessen and Geisenheim Symbolized by the Hessian heraldic lion these communities represent a cross section of both Gentile and Jewish society in Germany during the Weimar and Nazi years Researching in the United States Germany England and Israel he gleaned information from interviews memoirs diaries letters newspapers church and synagogue records censuses government documents and reports from Nazi and resistance organizations Friedman's comparative analysis offers a balanced response to recent scholarly works condemning the entire German people for their complicity in the Holocaust

History Lessons Beth S. Wenger, 2021-06-08 Most American Jews today will probably tell you that Judaism is inherently democratic and that Jewish and American cultures share the same core beliefs and values But in fact Jewish tradition and American culture did not converge seamlessly Rather it was American Jews themselves who consciously created this idea of an American Jewish heritage and cemented it in the popular imagination during the late nineteenth and mid twentieth centuries *History Lessons* is the first book to examine how Jews in the United States collectively wove themselves into the narratives of the nation and came to view the American Jewish experience as a unique chapter in Jewish history Beth Wenger shows how American Jews celebrated civic holidays like Thanksgiving and the Fourth of July in synagogues and Jewish community organizations and how they sought to commemorate Jewish cultural contributions and patriotism often tracing their roots to the nation's founding She looks at Jewish children's literature used to teach lessons about American Jewish heritage and values which portrayed and sometimes embellished the accomplishments of heroic figures in American Jewish history Wenger also traces how Jews often disagreed about how properly to represent these figures focusing on the struggle over the legacy of the Jewish Revolutionary hero Haym Salomon *History Lessons* demonstrates how American Jews fashioned a collective heritage that fused their Jewish past with their American present and future

Shylock's Children Derek Jonathan Penslar, 2001-07 Throughout much of European history Jews have been strongly associated with commerce and the money trade rendered both visible and vulnerable like

Shakespeare's Shylock by their economic distinctiveness Shylock's Children tells the story of Jewish perceptions of this economic difference and its effects on modern Jewish identity Derek Penslar explains how Jews in modern Europe developed the notion of a distinct Jewish economic man an image that grew ever more complex and nuanced between the eighteenth and twentieth centuries

Constructing Modern Identities Keith Pickus,2017-12-01 By examining the lives and social dynamics of Jewish university students Pickus shows how German Jews rearranged their self images and redefined what it meant to be Jewish The emergence of Jewish student associations in 1881 provided a forum for Jews to openly proclaim their religious heritage By examining the lives and social dynamics of Jewish university students Keith Pickus shows how German Jews rearranged their self images and redefined what it meant to be Jewish Not only did the identities crafted by these students enable them to actively participate in German society they also left an indelible imprint on contemporary Jewish culture Pickus's portrayal of the mutability and social function of Jewish self definition challenges previous scholarship that depicts Jewish identity as a static ideological phenomenon By illuminating how identities fluctuated throughout life he demonstrates that adjusting one's social relationships to accommodate the Gentile and Jewish worlds became the norm rather than the exception for 19th century German Jews

Encyclopedia of the Holocaust Dr Robert Rozett,2013-11-26 Encyclopedia of the Holocaust is a comprehensive authoritative one volume reference that provides reliable information on this ignoble and frightening episode of modern history It features eight essays on the history of the Holocaust and its antecedents as well as coverage of such topics as the history of European Jewry Jewish contributions to European culture and the rise of anti semitism and Nazism The essays are followed by more than 650 entries on significant aspects of the Holocaust including people cities and countries camps resistance movements political actions and outcomes More than 300 black and white photographs from the archives at Yad Vashem bear witness to the horrors of the Nazi regime and at the same time attest to the invincibility of the human spirit Best Specialist Reference Work of the Year Reference Reviews UK

The Evian Conference of 1938 and the Jewish Refugee Crisis Paul R. Bartrop,2017-09-17 This book provides the first dedicated study of the Evian Conference of July 1938 an international initiative called by U S President Franklin D Roosevelt While on the surface the conference appeared as an attempt to alleviate the distress faced by Jews being forced out of Germany and Austria in reality it only served to demonstrate that the nations of the world were not willing to accept Jews as refugees Since the Holocaust a generally held assumption has been that the Evian Conference represented a lost opportunity to save Germany's Jews and that the conference failed to rescue the Jews of Europe In this study Paul Bartrop argues that in fact it did not fail when measured against the original reasons for which it was called Exposing many of the myths surrounding the meeting this work addresses a glaring lacuna in the literature of the Holocaust and places the so called failure of the Evian Conference into its proper context

Life and Loss in the Shadow of the Holocaust Rebecca Boehling,Uta Larkey,2011-06-16 A family's recently discovered correspondence provides the inspiration for this fascinating

and deeply moving account of Jewish family life before during and after the Holocaust Rebecca Boehling and Uta Larkey reveal how the Kaufmann Steinberg family was pulled apart under the Nazi regime and dispersed over three continents The family's unique eight way correspondence across two generations brings into sharp focus the dilemma of Jews in Nazi Germany facing the painful decisions of when if and to where they should emigrate The authors capture the family members fluctuating emotions of hope optimism resignation and despair as well as the day to day concerns experiences and dynamics of family life despite increasing persecution and impending deportation Headed by two sisters who were among the first female business owners in Essen the family was far from conventional and their story contributes new dimensions to our understanding of Jewish life in Germany and in exile during these dark years *The Jewish Imperial Imagination* Yaniv Feller, 2023-11-09 Leo Baeck 1873 1956 was a rabbi public intellectual and the official leader of German Jewry during the Holocaust The Jewish Imperial Imagination shows the myriad ways in which the German imperial enterprise left its imprint on his religious and political thought and on modern Judaism more generally This book is the first to explore Baeck's religious thought as political and situate it within the imperial context of the period which is often ignored in discussions of modern Jewish thought Baeck's work during the Holocaust is analysed in depth drawing on unpublished manuscripts written in Nazi Germany and in the Theresienstadt Ghetto In the process Yaniv Feller raises new questions about the nature of Jewish missionizing and the German Jewish imagination of the East as a space for colonisation He thus develops the concept of the Jewish imperial imagination moving beyond a simple dichotomy of ascribing to or resisting hegemonic narratives

Ethnicity and Beyond Eli Lederhendler, 2011-03-08 Volume 25 of the annual Studies in Contemporary Jewry examines new understandings of ethnicity when applied to the Jewish people Liberalism and the Habsburg Monarchy, 1861-1895 J. Kwan, 2013-11-19 Often the liberal movement has been viewed through the lens of its later German nationalism This presents only one facet of a wide ranging all encompassing project to regenerate the Habsburg Monarchy By analysing its various nuances this volume provides a new more positive interpretation of Austro German liberalism **Historians and Nationalism** Monika Baár, 2010-02-25 Monika Baár examines the work of five prominent East Central European historians in the 19th century analyzing and contrasting their body of work their promotion of a national culture and the contributions they made to European historiography **Marketing Identities** David A. Brenner, 1998 Marketing Identities analyzes how Ost und West East and West the first Jewish magazine 1901 1923 published in Berlin by westernized Jews originally from Eastern Europe promoted ethnic identity to Jewish audiences in Germany and throughout the world Using sophisticated techniques of modern marketing such as stereotyping the editors of this highly successful journal attempted to forge a minority consciousness Marketing Identities is thus about the beginnings of ethnicity as we know it in the late twentieth century An interdisciplinary study Marketing Identities illuminates present day discussions in Europe and the Americas regarding the experience and self understanding of minority groups and combines media and cultural studies with German

and Jewish history Central Europe Luka Ivan Jukic, 2025 An absorbing journey through a region caught between history geography and ideology **German Philosophy and the First World War** Nicolas de Warren, 2023-04-20 How did the First World War the so called Great War widely seen on all sides as the war to end all wars impact the development of German philosophy Combining history and biography with astute philosophical and textual analysis Nicolas de Warren addresses here the intellectual trajectories of ten significant wartime philosophers Ernst Bloch Martin Buber Ernst Cassirer Hermann Cohen Gy rgy Luk cs Martin Heidegger Edmund Husserl Franz Rosenzweig Max Scheler and Georg Simmel In exploring their individual works written during and after the War the author reveals how philosophical concepts and new forms of thinking were forged in response to this unprecedented catastrophe In reassessing standardized narratives of German thought the book deepens and enhances our understanding of the intimate and complex relationship between philosophy and violence by demonstrating how the 1914 18 conflict was a crucible for ways of thinking that still define us today Dutch Jewry in a Cultural Maelstrom, 1880-1940 Judith Frishman, Hetty Berg, 2007 Not only the Jews but Dutch society at large was caught up in a cultural maelstrom between 1880 and 1940 In failing to form a separate pillar in a period when various population groups were doing just that the Jews were certainly unlike contemporary Catholics or Protestants In fact the Jews were not trying to gain entrance in a pre existing culture but were involved with non Jews in constructing a new culture The complexity of Dutch Jewish history once again becomes evident if not new Judith Frishman is professor in the Faculty of Catholic Theology of Tilburg University the Netherlands Hetty Berg is curator and museum affairs manager of the Jewish Historical Museum Amsterdam the Netherlands
