Jim Clark A Photographic Portrait:

Jim Clark Quentin Spurring, 2008-06-15 Jim Clark had a towering ability to get the maximum out of any car he drove without appearing to be trying hard Motor racing found in this gentle Scottish farmer a World Champion of great humility for Clark appeared to have trouble appreciating just how great his own talent was He raced in an era when chivalry was still an intrinsic part of the game and he never resorted to underhand tactics He started racing in a friend's cars initially without the knowledge of his parents Before long he had graduated to the famous Border Reivers team's Jaguar D Type and soon the motor racing world was taking notice of his prowess He won races in a Lotus Elite and a Lister Jaguar to underline his ability but when a drive with Aston Martin's Grand Prix team collapsed together with the project he signed for Formula Two and Formula Junior with Lotus It was to prove the start of one of the most remarkable team owner driver relationships in history

As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and suspenseful novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
