Jochen Rindt Uncrowned King:

Jochen Rindt David Tremayne, 2020-09-15 This acclaimed biography explores the life of Jochen Rindt whose stellar Formula 1 performances in 1970 before his fatal crash at Monza made him the sport's only posthumous World Champion

Motor Racing at Thruxton in the 1970s Bruce Grant-Braham, 2012 Thruxton has been described as the UK's Speedbowl. The circuit is home to the prestigious British Automobile Racing Club and during the period covered by this book the author was editor of the club's magazine. As a result he was able to get behind the scenes at many of the events including F2, British Touring Cars, Aurora AFX, F1 and club races. In the 1970s Thruxton featured many famous drivers including Ronnie Peterson, Graham Hill, Keke Rosberg, Alan Jones and David Purley. The circuit was also popular with many club racing drivers with the results almost always being extremely close whatever the class. Featuring many previously unpublished photographs from the author's personal collection, this is an insightful account of racing at one of the fastest circuits in the UK. Global Sport Leaders

Emmanuel Bayle, Patrick Clastres, 2018-04-10 This book analyses the careers, governance and management practices of some of the institutional sports leaders who have had the greatest impact on global sport in the 120 years since Baron Pierre de Coubertin revived the Olympic Games. Through their positions in major sports organisations, their influence, the examples they set, their successes and failures, and their ability to bring about change, these notable individuals controlled and continue to control the development of Olympic and international sport. The portraits included within this collection provide a critical analysis of these leaders' careers by examining sports management from a biographical perspective and allowing readers to understand the challenges and obstacles faced by international sport's top administrators. The contributors explore the interactions between these leaders' career paths and their strategies both within their organisations and in the overall sporting context. Global Sport Leaders will be of interest to students and scholars across a range of disciplines including sports management, sociology, politics, history and international relations. **Jochen Rindt**

David Tremayne, 2011-02-15 Jochen Rindt was two people. To those he disliked he was arrogant and dismissive. To those he chose to befriend, a warm, humorous character who liked to laugh and joke, yet who needed nobody's help. To countless race fans across the globe he was simply the man who could do the impossible. Rindt remains Formula 1's only posthumous World Champion, having been tragically killed at Monza on 5 September 1970 while leading the title race by a big margin. Jackie Stewart, a close friend, believed him to be one of the cleanest men he ever raced against, and the fastest. Bernie Ecclestone, another close friend, believed he was the best of his time, and Alan Rees, Rindt's team mate, believed he was every bit as good as Jimmy Clark. *Motor Cycling and Motoring*, 1970-03 Les grands dirigeants du sport Emmanuel Bayle, 2014-05-12 Le sport doit beaucoup aux dirigeants qui construisent les conditions de développement des organisations sportives, création de structure, événements, modèles économiques, de nouvelles logiques de fonctionnement. Leur univers est plus caché et moins connu que celui des très grands champions, et pourtant leur influence est déterminante pour le sport et son avenir. Cet ouvrage

analyse les parcours les pratiques de management et l'héritage de 23 grands dirigeants du sport de différentes époques du début du XXe siècle aujourd'hui et de différents univers sportifs olympisme sport professionnel vnementiel industrie du sport Comment Juan Antonio Samaranch Jacques Rogge Annie Courtade Jean Michel Aulas Serge Blanco Philippe Chatrier Joseph S Blatter Bernie Ecclestone Thierry Sabine Richard Peddy ont g r leurs parcours Quelles ont t les strat gies et les pratiques de management suivies Quelles d cisions majeures ont ils prises et pourquoi Finalement quel h ritage ont ils ou laissent ils leur organisation et pour leur sport Des experts de différents pays analysent et d cortiquent ici ces l ments passionnants des coulisses du sport Cet ouvrage s adresse aussi bien aux experts et tudians en gestion d entreprise et en gestion du sport aux dirigeants sportifs qu au grand public
