**Reclaiming Pietism** Roger E. Olson, Christian T. Collins Winn, 2015-01-08 The historical movement known as Pietism emphasized the response of faith and inward transformation as crucial aspects of conversion to Christ Unfortunately Pietism today is often equated with a holier than thou spiritual attitude religious legalism or withdrawal from involvement in society In this book Roger Olson and Christian Collins Winn argue that classical historical Pietism is an influential stream in evangelical Christianity and that it must be recovered as a resource for evangelical renewal They challenge misconceptions of Pietism by describing the origins development and main themes of the historical movement and the spiritual theological ethos stemming from it The book also explores Pietism s influence on contemporary Christian theologians and spiritual leaders such as Richard Foster and Stanley Grenz Watch a 2015 interview with the authors of this book here [Spirit](#)

The Gospel of God's Reign Christoph Friedrich Blumhardt, 2013-11-06 No doubt it is common to hear Christians today declaring their allegiance to God's kingdom But what does this actually entail and what difference does it make In his characteristically provocative and daring way Christoph Blumhardt articulates a vision of God's kingdom that turns much of our understanding of modern Christianity upside down In the present volume available in English for the first time Blumhardt leads readers to look at the gospel anew challenging us to follow Jesus in a way that makes God's reign a reality here and now Bypassing vague notions of spirituality as well as transcending simplistic approaches to faith Blumhardt inspires us to actually live under the rule and reign of God

Pitfalls of Trained Incapacity Birgit Herppich, 2016-01-15 The need to train Christian missionaries was an afterthought of the Protestant missionary movement in the early nineteenth century The Basel Missionary Training Institute BMTI was the first school designed solely for the purpose of preparing European missionaries for ministry in non European lands Pitfalls of Trained Incapacity explores the various sociological and historical factors that influenced the BMTI community of practice and how the outcomes affected the work of the Basel Mission in Ghana in its

initial phase It shows that the integral training of the BMTI resulted in missionary practices that lacked flexibility to adjust attitudes and behavior to the vastly different circumstances in Africa impeded the realization of mission objectives and hindered the emergence of an African appropriation of Christianity By exploring educational and sociological perspectives in a precolonial context this study reaches beyond its historical significance to raise questions of unintended effects of integral ministry training in other times and places The natural cultural bias of groups with shared theological assumptions and social ideals like the Basel Mission suggests a strong propensity for trained incapacity that is for training processes that establish inflexible mental frameworks that are potentially detrimental to intercultural engagement **A Larger Hope?, Volume 2**

**The Nature Miracles of Jesus** Graham H. Twelftree, 2017-09-06 The nature miracle stories of Jesus walking on the water or feeding thousands with a small amount of food, for example, are so spectacular that many find them a problem, whether historical, philosophical, or even theological. This is the first book to tackle this problem head-on: Do the stories reflect events in the life of the historical Jesus, or are they myths or legends? Or perhaps they grew out of parables or from more ordinary events into the incredible stories we now have. Or again, perhaps this is the wrong approach. A group of high-ranking biblical historians, philosophers, and theologians with very diverse views set out to provide possible answers. Contributors: James Crossley, Eric Eve, Craig S. Keener, Michael Levine, Timothy J. McGrew, Scot McKnight, Graham H. Twelftree, Ruben Zimmermann.
