Love Letter For A Japanese War Bride:

Love Letter Stephen E. Price, 2014-05-12 *Love Letter for a Japanese War Bride* is Stephen E. Price's memoir of his eternal love for his first wife Ryuko Set primarily in postwar Japan the story provides a window into a new world one that spawned cultural diversity but one that was largely unprepared for and unaccepting of it The tale chronicles the lovers' perseverance as they struggle with both the US and Japanese governments to gain permission to marry The narrative is woven into fabrics of cultures traditions attitudes language and history some of which may be unfamiliar but all of which is captivating Above all the unending and redemptive romance in this story captures the purest essence of love with all its twists and turns joys and sorrows highs and lows and culminates in a tragic yet transcendent ending A remarkable memoir and love letter that rings true on every page An intimate and heartbreaking story beautifully told I can think of no other work about Japan and America that reveals more poignantly how love and trust can bridge race and culture even where the odds seem so formidably against this John W. Dower Ford International Professor of History Massachusetts Institute of Technology and Pulitzer Prize winning author of *Embracing Defeat: Japan in the Wake of World War II*

Congress. House, **Divided Lenses**

Michael Berry, Chiho Sawada, 2017-12-31 *Divided Lenses Screen Memories of War in East Asia* is the first attempt to explore how the tumultuous years between 1931 and 1953 have been recreated and renegotiated in cinema. This period saw traumatic conflicts such as the Sino Japanese War, the Pacific War, and the Korean War, and pivotal events such as the Rape of Nanjing, Pearl Harbor, the Battle of Iwo Jima, and the bombings of Hiroshima and Nagasaki, all of which left a lasting imprint on East Asia and the world. By bringing together a variety of specialists in the cinemas of East Asia and offering divergent yet complementary perspectives, the book explores how the legacies of war have been reimagined through the lens of film. This turbulent era opened with the Mukden Incident of 1931, which signaled a new page in Japanese militaristic aggression in East Asia, and culminated with the Korean War, 1950-1953, a protracted conflict that broke out in the wake of Japan's post-World War II withdrawal from Korea. *Divided Lenses* explores the ways in which events of the intervening decades have continued to shape politics and popular culture throughout East Asia and the world. The essays in part I examine historical trends at work in various national cinemas, including China, Taiwan, Japan, Korea, and the United States. Those in part 2 focus on specific themes present in the cinema portraying this period, such as comfort women in Chinese film, the Nanjing Massacre, or nationalism, and how they have been depicted or renegotiated in contemporary films. Of particular interest are contributions drawing from other forms of screen culture, such as television and video games. *Divided Lenses* builds on the growing interest in East Asian cinema by examining how these historic conflicts have been imagined, framed, and revisited through the lens of cinema and screen culture. It will interest later generations living in the shadow of these events, as well as students and scholars in the fields of cinema studies, cultural studies, cold war studies, and World War II history. *Report United States. Congress Senate, South Sea Maidens*

Michael Sturma, 2002-03-30 From the first European contact with Tahiti in 1767, the myth of the South Sea maiden has endured through many incarnations. Although the maiden frequently provided an idealized antidote to Western women's self-assertion, the South Pacific also afforded a space where boundaries between the sexes could be relaxed and transgressed. From James Cook and Captain Bligh to James Michener and Margaret Mead, the Island girl has occupied a special place in the erotic imagination of the West. In a sweeping study that embraces history, literature, visual arts, anthropology, and film, this study gives fresh insight into the myths and reality of a Western icon. While women from far-off lands have always been presented as exotic and alluring, the South Sea maiden has come to symbolize feminine sexuality as an integral part of the adventure, sensuality, and romance of the South Pacific. Everyone from early explorers to 19th-century writers and artists to latter-day anthropologists, film makers, and tourism promoters have extolled their virtues and their bodies. Sturma looks behind the popular cliché to reveal how the myth-making process reflected not only Western desires but the cut and thrust of changing sexual politics. The result is an intriguing look at both South Sea image makers and the women whom they found so seductive. *Independent Film Journal*, 1952 [Extreme Exoticism](#)
