Owens,2019-02-28 Dr Bryant K Owens presents the argument of the value of the Christian tradition of caritas or love from the philosophy and the subsequent hermeneutic of Saint Augustine of Hippo 354 430 within contemporary philosophical scholarship Dr Owens s study of Augustine s investigations into biblical interpretation will reveal that he sought the beauty of understanding as evidenced through caritas The shift in the Western philosophical tradition during the Enlightenment period resulted in a solid break from authority based hermeneutics to the autonomy of the mind The result was a greater emphasis on the literal meaning of a text as gleaned from the subjective mind of the reader and through grammatical and historical criticism over the spiritual meaning of the text or application of the greater meaning to Christian living Dr Owens proposes that the benefits of Augustine s caritas as the a priori spirit of the biblical text and the proper application of that spirit in contemporary scholarship should be the epistemological focus of hermeneutics rather than the emphasis on method prevalent from Spinoza to Dilthey The concluding value from Augustine s hermeneutic is that caritas is a product of understanding while at the same time is the method or means by which caritas is produced Therefore Augustine s hermeneutic argues that the sense or spirit of Scripture is caritas and is the truth to which all Christian philosophy must cohere Just Love: The Essence of Everything, Volume 2 Sri Swami Vishwananda,2019-12-27 JUST LOVE Volume 2 is the second in a series of extraordinary spiritual books from an extraordinary spiritual Master Although you may be familiar with the wisdom of the Holy Scriptures of both East and West the concept of Love is described in this book in a refreshing new way JUST LOVE is expressed by someone who knows about the all pervading life sustaining force that forms the creation of the universe because He is completely one with it in every moment This volume is a collection of 59 talks given around the world by Paramahansa Sri Swami Vishwananda where the simple yet profound message is clear Love is all there is Love is all you have to do Just Love and the rest will take care of itself Empire of Love Matt K. Matsuda,2005 This title studies the creation of an Empire of Love in the Pacific and the interconnections between culture and imperial power in the 19th and 20th centuries It examines the European presence in such contested territories as New Caledonia and Tahiti and encounter and conflict in Panama and Indochina **A Generation of Love** Fedele Cardinale,2012-10-26 Does our personality originate in our mothers womb Are our most ingrained fears set off by their heartbeat as we pick up their apprehensions and fears This is a journey through Lorenzo Cardona s teenage years plagued by a deeply entrenched insecurity his fear of rejection of being the eternal unwanted creature His struggle to build an identity in the harsh reality of small village life in the heart of

the South Italian peninsula where conformity is the verb Lorenzo's fear of rejection a close scrutiny of his recurrent childhood dream of drowning in dark agitated waters appears to have its origin as far back as his mother's womb as the love life of mother and son appear to be intertwined by a common destiny of emotional failure in the apotheosis of the inescapable truth that there is no absconding from our biological fate that our umbilical cord is eternal nourishing us long after being severed

REVIEW A highly entertaining and witty novel with universal appeal where the supremacy of the love theme is mitigated by the light hearted tales of local myth touching premises such as love jealousy gossip and senseless rivalry served on a plate of typical and unique Mediterranean folklore told by the powerful voice of autobiographical narrative
